FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Sections 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes*, the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This Journal represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1992.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Roll calls on motions to pass legislation have been compiled in an Appendix.

Mrs. Jean Wallace and Mrs. Wilda Bond prepared House Journal for the Regular Session of 1992. The edited copy and index in this Journal reflect the cooperative efforts of the Commission's staff.

HCR 153, A CONCURRENT RESOLUTION requesting and petitioning the Congress of the United States to propose for submission to the states an amendment to the United States Constitution to prohibit the physical desecration of the American flag.

WHEREAS, the right of free expression is part of the United States Constitution, but very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate;

WHEREAS, certain actions, although arguably related to one person's free expression, nevertheless raise issues concerning public decency, public peace, and the rights of expression and sacred values of others;

WHEREAS, there are symbols of our national soul, such as the Washington Monument, the United States Capitol Building, and memorials to our greatest heroes which are the property of every American and are therefore worthy of protection from desecration and dishonor;

WHEREAS, the American flag is a most honorable and worthy banner of a nation which is thankful for its strengths and committed to curing its faults, and remains to millions of immigrants the universal symbol of the American ideal;

WHEREAS, recent decisions by the United States Supreme Court no longer accord to the Stars and Stripes the reverence, respect, and dignity befitting the banner of that most noble experiment of a nation-state;

WHEREAS, it is only fitting that people everywhere should lend their voices to a forceful call for restoration to the Stars and Stripes a proper station under law and decency;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Commonwealth of Kentucky respectfully petitions the Congress of the United States to propose an amendment to the United States Constitution, for ratification by the states, specifying that Congress and the states shall have the power to prohibit public physical desecration of the flag of the United States.

Section 2. That the Clerk of the House of Representatives is directed to send copies of this Resolution to the Clerk of the U. S. House of Representatives, the Secretary of the U. S. Senate, and the members of the Kentucky Congressional Delegation.

HB 660, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.592 is amended to read as follows:

(1) “Hazardous position” means any position whose principal duties involve active law enforcement (including the positions of probation and parole officer, and Commonwealth detective), active fire suppression or prevention, or other positions, including but not limited to pilots ***and vehicle enforcement officers*** of the Transportation Cabinet, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Corrections Cabinet in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the board in the manner prescribed by the board the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The board shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee determined by the board to be working in a hazardous position in accordance with subsection (2) of this section shall contribute for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the board to be working in a hazardous position at the employer contribution rate as determined by the board. The rate will be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) In the event the employer participated in the system prior to electing hazardous duty coverage, then said employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. Should the employer elect not to make the additional payment, then the employee may make the lump-sum payment in his own behalf or may pay in his own behalf in increments by payroll deduction each pay period prior to his retirement. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance and other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the board upon request.

(6) In the event of doubt regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

HB 758, AN ACT relating to state leases.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 56.803 is amended to read as follows:

(1) When an agency determines that it will need office or other space, the agency shall submit a request for the acquisition of the additional space to the Department for Facilities Management in the Finance and Administration Cabinet. Except in the case of an emergency as described at KRS 56.805(3), an agency shall submit its space request in writing to the department at least ninety (90) calendar days before the space requested will be required by the agency. In the case of an emergency, an agency shall communicate its space needs to the department pursuant to KRS 56.805(3) as soon as an agency knows that it will need the space. If the commissioner of the Department for Facilities Management determines that insufficient space has been allocated to the agency making the request and that it is appropriate to lease additional space for the agency making the request, he shall acquire the space required by lease as provided by KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190.

(2) The Department for Facilities Management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is suitable space available in a state-owned or occupied building, the commissioner shall notify the agency by letter. A copy of the letter shall be kept on file.

(3) If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall comply with the procedures set forth in this section in the leasing of space, except as otherwise provided in KRS 56.800 to 58.823 and KRS 43.050, 48.111, and 48.190.

(4) The department shall draw up general requirement specifications for the space required. These general requirement specifications shall not be changed except, at the discretion of the commissioner, when the lease process is initiated again pursuant to paragraph (c) of subsection (15) of this section or pursuant to paragraph (b) of subsection (16) of this section. The general requirement specifications shall be kept on file.

(5) In soliciting the interest of lessors who have property to let in a county where space is sought, the department shall comply with procedures established in this subsection.

(a) The department shall place newspaper advertisements. Each advertisement shall contain general information concerning the agency requirements for the space sought to reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date, and place that written responses shall be received. When it is anticipated that a lease may be negotiated containing deviations or variations from the terms and conditions of the state standard lease form prescribed by the Division of Real Properties, within the department, any deviations or variations shall be noted in the advertisement.

(b) If a daily newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in that newspaper.

(c) If there is not a daily newspaper published, and of general circulation, in the county where the space is sought, an advertisement shall be published one (1) time in a weekly newspaper published, and of general circulation, in the county where the space is sought and two (2) times in a daily newspaper not published, but of general circulation, in the county where space is sought.

(d) If neither a daily newspaper nor a weekly newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in a daily newspaper not published, but of general circulation, in the county where the space is sought, and a copy of the advertisement shall be posted in a conspicuous place in the county courthouse.

(e) If the Commonwealth intends to lease space in any county when the estimated annual rental charge will exceed one hundred thousand dollars ($100,000), the requirements established in paragraphs (a), (b), (c), and (d) of this subsection shall be followed. In addition, advertisements shall be published two (2) times in at least two (2) daily newspapers having broad circulation within the Commonwealth, to be designated by the secretary of the Finance and Administration Cabinet.

(f) When an advertisement is published in a daily newspaper, the advertisement shall appear on any consecutive Monday and Tuesday.

(g) The Department for Facilities Management may use any means available to notify landlords that advertisements have been placed.

(6) To respond to a newspaper advertisement, a property owner, or his representative, shall respond in writing on or before the time and date designated in the advertisement and shall state in the writing the type and location of the property, the name and address of the property owner, and the date of availability of the property. The department shall deal only with individuals who have submitted written responses on or before the time and date designated in the advertisement.

(7) All written responses submitted on or before the time and date designated shall be opened at the same time, publicly read, and kept on file by the department.

(8) Within five (5) days of the opening of written responses submitted on or before the time and date designated, the department shall mail general requirement specifications to each person who submitted a written response on or before the time and date designated. The same general requirement specifications shall be mailed to each person.

(9) After the general requirement specifications have been mailed, except as provided in paragraph (a) of subsection (13) of this section, the commissioner, and department employees under his supervision, may negotiate with persons who submitted written responses on or before the time and date designated. If in the course of negotiations, a person proposes terms and conditions of lease different from those contained in the state standard lease form which are determined to be in the Commonwealth's best interest to accept, but no mention of the acceptability thereof has been made in the advertisement placed pursuant to subsection (5) of this section, all other persons who submitted written responses on or before the time and date designated shall be advised by letter of the terms and conditions and shall be allowed to incorporate the terms and conditions in written proposals when submitted pursuant to subsection (12) of this section. A copy of each of these letters shall be kept on file.

(10) After the general requirement specifications have been mailed, the department shall inspect each space proposed to be leased to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner of the property, or his representative, shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted on a site evaluation form to the commissioner of the department. Completed site evaluation forms shall be kept on file.

(11) After the commissioner has reviewed the completed site evaluation forms, he shall send to each owner of property, or his representative, a letter informing the person of what would have to be done to bring the property up to general and specific requirement specifications. The commissioner's letter shall also invite each person to submit a written proposal on a form created by the Department for Facilities Management. A copy of the form shall be enclosed with each letter. A written proposal shall constitute a best and final offer. The department shall not consider a written proposal unless it is submitted on a department form on or before the time and date designated in the letter. A copy of each letter shall be kept on file.

(12) All written proposals submitted on or before the time and date designated shall be opened at the same time, publicly identified by the name of the property owner and the location of the property, and kept on file.

(13) Except pursuant to paragraph (b) of subsection (15) of this section, when the requirements of paragraph (a) of this subsection shall not apply, from the time that written proposals are opened until the awarding of a lease, the department:

(a) Shall not negotiate or agree to changes in the terms of written proposals except to correct technical errors;

(b) Shall log in all contacts between department employees and any person with an interest in the awarding of a lease. The log shall state the time, date, place, and a summary of the substance of each contact. Each log entry shall be signed by the department employee who was contacted. After the lease is awarded, the log shall be kept as a department record.

(14) ***(a)*** The commissioner shall assess the proposals, taking into account factors including, but not limited to: consultation with the head of the agency for whose use the space is sought; the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; its conformity with applicable state fire, health, safety and sanitation

requirements; the proposed rental rates; utility and janitorial costs; agency moving costs; and whether the property proposed is in substantial conformity with the advertised requirements and general and specific requirement specifications.

(b) The commissioner shall give preference to properties in areas which have received, within the previous five (5) year period, state community development funds for revitalization if properties are offered at a competitive rate and meet the provisions of paragraph (a) of this subsection.

(15) The commissioner, relying exclusively on his assessment made pursuant to subsection (14) of this section, shall:

(a) Choose the best proposal in the interest of the Commonwealth;

(b) Be permitted to negotiate with a potential lessor if he was the only responsive and responsible potential lessor who submitted a proposal; or

(c) Except as provided in paragraph (b) of this subsection, reject all proposals when none is in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section and may, at his discretion, initiate the lease process again.

(16) (a) The commissioner shall award or decline to award a lease to the potential lessor who submitted the best proposal pursuant to paragraph (a) of subsection (15) of this section or who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section. However, the commissioner shall not award a lease to a potential lessor who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section if that potential lessor's proposal after negotiations was not in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section, and the commissioner shall not award a lease to a person other than a potential lessor prescribed in this paragraph.

(b) If the commissioner declines to award a lease, he may, at his discretion, initiate the lease process again.

(17) The commissioner shall put in writing the justifications for his decisions made pursuant to subsections (15) and (16) of this section. This writing shall be kept on file.

(18) The department shall send to each person who submitted a written response on or before the time and date designated in the advertisement pursuant to subsection (6) of this section, but who was not awarded the lease, a letter stating the selected property to be leased, and that the person has a right to examine the leasing records relevant to the lease that was awarded. If the Capital Projects and Bond Oversight Committee, pursuant to KRS 56.823(2), will review the awarding of a lease, each letter shall state that fact. A copy of each of these letters shall be kept on file.

HB 778, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 6.515 is amended to read as follows:

(1) Service credit in the legislators' retirement plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) Any active member of the legislators' retirement plan who has at least five (5) years of service credit in the legislators' retirement plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the armed forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system fifty percent (50%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the legislators' retirement plan, to other service credit earned in the plan.

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked-up by the employer pursuant to KRS 6.505(2).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the armed forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the legislators' retirement plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may, until July 1, ***1993*** [~~1991~~], transfer to the legislators' retirement plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the legislators' retirement plan, as determined by the actuary for the legislators' retirement plan. ***The member may pay by lump sum or by increments, as provided for in subsection (2)(b) of this section.***

SECTION 3. A NEW SECTION OF KRS CHAPTER 21 IS CREATED TO READ AS FOLLOWS:

Any active member of the Judicial Retirement Plan may purchase service credit for service in the armed forces of the United States by using the procedures set forth in KRS 6.515(2). In applying KRS 6.515(2) to the Judicial Retirement Plan, Legislators' Retirement Plan shall be read as Judicial Retirement Plan, the reference to KRS 6.520 shall be read as a reference to KRS 21.400, the reference to KRS 6.505(2) shall be read as a reference to KRS 21.360(6), and any reference to a legislator shall be read as a reference to a member of the Judicial Retirement Plan.

Section 4. KRS 6.525 is amended to read as follows:

The legislators' retirement plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), 21.370, 21.375, 21.380, 21.385, 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525 and 61.552 for the judicial retirement plan, except that:

(1) Five (5) years of service as a legislator will be sufficient for vesting; and

(2) A member of the legislators' retirement plan may combine his service credit with his service credit in the ***Judicial Retirement Plan,*** Teachers' Retirement System, Kentucky Employees' Retirement System, County Employees' Retirement System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680 (2)(a). A member of the legislators' retirement plan may retire at the completion of ***twenty-seven (27)*** [~~thirty (30)~~] or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above, to the judicial retirement plan shall also be read as a reference to the legislators' retirement plan, and any reference to the legislators' retirement plan shall also be read as a reference to the judicial retirement plan.

Section 5. KRS 21.400 is amended to read as follows:

(1) A member who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation, except that for any service performed while a member prior to July 1, 1978, any service prior to July 1, 1962 creditable under KRS 21.345, and any service performed in continued membership (or allowable under KRS 21.410 or 21.420) after June 30, 1978, by a person who was a member on that date, the monthly percentage figure shall be five percent (5%) of his final compensation multiplied by the number of years of his service, and except that for any service performed by a member who elected membership at an annual accrual rate of four and fifteen one hundredths percent (4.15%) and for any service performed in continued membership thereafter (or allowable under KRS 21.410 through 21.420), the benefit, payable monthly during his lifetime shall be an amount equal to four and fifteen one hundredths percent (4.15%) of his final compensation multiplied by the number of years of his service, and except that allowances heretofore granted, and rights related thereto, shall not be affected by the 1978 or 1980 amendments to this section. For this purpose, "final compensation" means the average monthly compensation of the member for the sixty (60) months of service immediately preceding his retirement, including, in the case of a circuit judge, compensation received as special commissioner of the former Court of Appeals.

If, at the time of retirement or death of a member his total period of service in one or more positions covered by the system has not amounted to sixty (60) months, his "final compensation" shall be computed as if he had served in the first position he occupied under the system for such period of time as to bring his total service (in all positions) to sixty (60) months. If that category of position was not in existence for that period, it shall be treated as though it had been in existence for that period and as if the compensation paid for the presumed period of existence was at the rate provided for the category when it in fact first was created.

(2) A member who retires before his normal retirement date shall be vested with the right to receive, when he reaches his normal retirement age, a service retirement allowance computed and payable in accordance with the provisions of subsection (1) of this section, on the basis of the number of years of his actual service.

(3) ***A member may retire at the completion of twenty-seven (27) years or more of service in the Judicial Retirement Plan, or twenty-seven (27) years of combined service pursuant to KRS 6.525(2) and 61.680(2)(a), and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65).***

(4) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached his normal retirement age, reduced at the rate of five percent (5%) for each year by which his actual age at the time the election is made is lower than the normal retirement age***, or for each year that his years of service or combined service are lower that twenty-seven (27). The member shall be assessed the lower of the penalties based upon age or years of service.***

Section 6. KRS 6.520 is amended to read as follows:

(1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66).

(2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2)***,*** [~~and~~] (3)***, and (4)*** in the Judicial Retirement Plan for members of that plan[~~; except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date~~].

(3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982 that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982 who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.

Section 7. KRS 61.680 is amended to read as follows:

(1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560 (4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652, ***21.345 to 21.570,*** 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, ***Judicial Retirement Plan,*** Kentucky Employees Retirement System, County Employees Retirement System and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for thirty-year retirement but not the amount of benefits. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation ***and early retirement penalties based upon years of service*** shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he must obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate such prior service in each system for purposes of determining consolidated benefits under this section. Upon the determination of benefits, each system shall pay the applicable percentage of total benefits.

(b) The provisions of paragraph (a) of this subsection shall be waived if the member notifies the board of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System or County Employees Retirement System, or if he is a member of the State Police Retirement System or is working in a hazardous position under the Kentucky Employees Retirement System or County Employees Retirement System and, as a result of an act in line of duty, becomes disabled or deceased.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in such system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in such plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in such plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, is hereby exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, provided he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan as provided for in KRS 6.535 when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(3).

(5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up such employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of such transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by one (1) of these retirement systems, will have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, then an accumulation of all hours worked will be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection (3) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System or Teachers' Retirement System, but who is a member of one (1) of such systems or is a former member of one (1) or more of such systems with valid service credit therein, will become eligible for service retirement benefits attributable to the amount of his actual service credit in each such system in which he has service credit when his combined service credit in all such systems, plus any service credit he has in the Judicial Retirement Plan or Legislators' Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system.

Section 8. KRS 21.410 is amended to read as follows:

(1). If upon examination of a member under his normal retirement age by one or more qualified physicians employed by the retirement board, it is certified to the satisfaction of the board that such member is so physically or mentally disabled as to be incapacitated for further performance of duty, and that such incapacity is likely to be permanent, the member may retire for disability. A member who so retires shall be entitled to receive commencing immediately a disability retirement allowance, payable monthly during his disability, in an amount equal to one-half (1/2) of the monthly service retirement allowance he would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of actual retirement.

(2) A member need not have completed eight (8) years of service in order to be eligible for benefits under subsection (1) of this section.

(3) The retirement board shall cause a member who has been retired for disability and who is still under his normal retirement age to undergo periodic examination by one or more qualified physicians employed by the board, to determine whether he continues to be incapacitated for service of the character required of a judge or commissioner. If upon any such examination it is certified to the satisfaction of the board that the member is no longer so incapacitated, or if the member refuses to submit to examination, the board shall terminate his disability retirement allowance. He shall then be entitled to such rights, if any, under subsection (2) or ***(4)***[~~(3)~~] of KRS 21.400 as he would have been entitled to had he voluntarily retired on the date he was retired for disability.

(4) Upon reaching his normal retirement age, a member who has been receiving a disability retirement allowance may apply for and receive, in lieu thereof, the service retirement allowance he would have been entitled to receive at normal retirement age had he voluntarily retired on the date he was retired for disability.

Section 9. KRS 21.420 is amended to read as follows:

(1) After the death of a member who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection ***(4)***[~~(3)~~] of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.

(2) (a) If a member dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.

(b) If a member dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.

(3) If a member dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection ***(4)***[~~(3)~~] of KRS 21.400, or was not at the time of his death receiving a retirement allowance but had acquired the vested right under subsection (2) of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.

The Committee Substitute to **HB 816** is as follows:

HB 816, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the armed forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system fifty percent (50%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked-up by the employer pursuant to KRS 6.505(2).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the armed forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may[~~, until July 1, 1991,~~] transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in ***a retirement system administered by Kentucky Retirement Systems*** [~~the County Employees' Retirement System~~]. If the member elects to transfer his [~~County Employees' Retirement System~~] service credit, ***the*** [~~that~~] system ***from which the transfer is made*** shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the ***system from which the transfer is made*** [~~County Employees' Retirement System~~] in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred [~~by the County Employees' Retirement System~~] and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. ***The member may pay by lump sum or by installments, as provided for in subsection (2)(b) of this section, but an installment contract shall not extend for more than sixty (60) months.***

Section 2. KRS 21.370 is amended to read as follows:

(1) Except as provided in subsection (2) of KRS 21.410 and in subsection (2) of KRS 21.420, no benefits shall be payable under KRS 21.350 to 21.480 to any member or to his surviving spouse, unless he has completed at least eight (8) years of service, including service before becoming a member. No surviving spouse of a retired member shall be entitled to any benefits unless the person was the spouse of the member at the time he retired.

(2) A member who has qualified for benefits pursuant to this section may transfer to the Judicial Retirement Plan up to ten (10) years of service credit which he has earned in ***a retirement system administered by Kentucky Retirement Systems*** [~~the Kentucky Employees' Retirement System~~]. If the member elects to transfer [~~his Kentucky Employees' Retirement System~~] service credit, ***the*** [~~that~~] system ***from which the transfer is made*** shall transfer to the judicial retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to the date of transfer at the actuarially assumed interest rate of the ***system from which the transfer is made*** [~~Kentucky Employees' Retirement System~~] in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 21.400, when he pays the total difference between the amount of the funds transferred [~~by the Kentucky Employees' Retirement System~~] and the cost of the credit to the judicial retirement plan, as determined by the actuary for the judicial retirement plan. ***The member may pay by lump sum or by installments as set forth in KRS 6.515(2)(b), but an installment contract shall not extend for more than sixty (60) months.***

SECTION 3. A NEW SECTION OF KRS CHAPTER 21 IS CREATED TO READ AS FOLLOWS:

Any active member of the Judicial Retirement Plan may purchase service credit for service in the armed forces of the United States by using the procedures set forth in KRS 6.515(2). In applying KRS 6.515(2) to the Judicial Retirement Plan, Legislators' Retirement Plan shall be read as Judicial Retirement Plan, the reference to KRS 6.520 shall be read as a reference to KRS 21.400, the reference to KRS 6.505(2) shall be read as a reference to KRS 21.360(6), and any reference to a legislator shall be read as a reference to a member of the Judicial Retirement Plan.

Section 4. KRS 6.525 is amended to read as follows:

The legislators' retirement plan shall be governed by KRS 21.560 and by provisions identical in terms with those provided in KRS 21.345(1) and (3), 21.370, 21.375, 21.380, 21.385, 21.410, 21.420, 21.425, 21.450, 21.460, 21.470, 21.480, 21.525 and 61.552 for the judicial retirement plan, except that:

(1) Five (5) years of service as a legislator will be sufficient for vesting; and

(2) A member of the legislators' retirement plan may combine his service credit with his service credit in the Teachers' Retirement System, Kentucky Employees' Retirement System, County Employees' Retirement

System, and State Police Retirement System at the time of his retirement, according to the procedure of KRS 61.680 (2)(a). A member of the legislators' retirement plan may retire at the completion of ***twenty-seven (27)*** [~~thirty (30)~~] or more years of combined service credit, so long as at least fifteen (15) years of such credit were earned after January 1, 1960, and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65). For the purposes of this section, any reference in the KRS sections listed above, to the judicial retirement plan shall also be read as a reference to the legislators' retirement plan, and any reference to the legislators' retirement plan shall also be read as a reference to the judicial retirement plan.

Section 5. KRS 21.400 is amended to read as follows:

(1) A member who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation, except that for any service performed while a member prior to July 1, 1978, any service prior to July 1, 1962 creditable under KRS 21.345, and any service performed in continued membership (or allowable under KRS 21.410 or 21.420) after June 30, 1978, by a person who was a member on that date, the monthly percentage figure shall be five percent (5%) of his final compensation multiplied by the number of years of his service, and except that for any service performed by a member who elected membership at an annual accrual rate of four and fifteen one hundredths percent (4.15%) and for any service performed in continued membership thereafter (or allowable under KRS 21.410 through 21.420), the benefit, payable monthly during his lifetime shall be an amount equal to four and fifteen one hundredths percent (4.15%) of his final compensation multiplied by the number of years of his service, and except that allowances heretofore granted, and rights related thereto, shall not be affected by the 1978 or 1980 amendments to this section. For this purpose, "final compensation" means the average monthly compensation of the member for the sixty (60) months of service immediately preceding his retirement, including, in the case of a circuit judge, compensation received as special commissioner of the former Court of Appeals. If, at the time of retirement or death of a member his total period of service in one or more positions covered by the system has not amounted to sixty (60) months, his "final compensation" shall be computed as if he had served in the first position he occupied under the system for such period of time as to bring his total service (in all positions) to sixty (60) months. If that category of position was not in existence for that period, it shall be treated as though it had been in existence for that period and as if the compensation paid for the presumed period of existence was at the rate provided for the category when it in fact first was created.

(2) A member who retires before his normal retirement date shall be vested with the right to receive, when he reaches his normal retirement age, a service retirement allowance computed and payable in accordance with the provisions of subsection (1) of this section, on the basis of the number of years of his actual service.

(3) ***A member may retire at the completion of twenty-seven (27) years or more of service in the Judicial Retirement Plan, or twenty-seven (27) years of combined service pursuant to KRS 6.525(2) and 61.680(2)(a), and there shall be no reduction in the retirement allowance because of retirement before the age of sixty-five (65).***

(4) In lieu of the right provided for in subsection (2) of this section, a member who retires before his normal retirement age may elect, at any time before reaching his normal retirement age, to be paid commencing as of the time of the election a monthly service retirement allowance equal in amount to the monthly allowance that would have become payable under subsection (2) of this section when he reached his normal retirement age, reduced at the rate of five percent (5%) for each year by which his actual age at the time the election is made is lower than the normal retirement age***, or for each year that his years of service or combined service are lower that twenty-seven (27). The member shall be assessed the lower of the penalties based upon age or years of service.***

Section 6. KRS 6.520 is amended to read as follows:

(1) A member of the Legislators' Retirement Plan who retires on or after his normal retirement date shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to three and fifty one-hundredths percent (3.50%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement, except that in the case of a legislator who retires pursuant to KRS 21.410 or who dies in office, "final compensation" shall be two thousand two hundred ninety-one dollars sixty-six cents ($2,291.66).

(2) A member shall have rights, with respect to retirement before reaching normal retirement date in the Legislators' Retirement Plan, identical in terms with those rights provided in KRS 21.400(2)***,*** [~~and~~]

(3)***, and (4)*** in the Judicial Retirement Plan for members of that plan[~~, except that the reduction in a legislators' service retirement allowance for early retirement shall be at the rate of five percent (5%) of the allowance for each year that retirement precedes the normal retirement date~~].

(3) Subsections (1) and (2) of this section to the contrary notwithstanding, each legislator in office on July 1, 1982 that is a member of the Legislators' Retirement Plan, who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly, on a formula equal to that of a justice or judge of the Court of Justice with an equivalent service entrance date, but in no event less than that specified in subsection (1) of this section, of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of his final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the sixty (60) months of service immediately preceding retirement.

(4) Subsections (1) and (2) of this section to the contrary notwithstanding, a member of the Legislators' Retirement Plan with a service entrance date after July 1, 1982 who retires on or after his normal retirement date, shall receive a service retirement allowance, payable monthly during his lifetime, in an amount per month equal to two and seventy-five one-hundredths percent (2.75%) of his final compensation multiplied by the number of years of his service, but in no event to exceed one hundred percent (100%) of final compensation. For this purpose, "final compensation" means the average monthly creditable compensation as determined in KRS 61.510(13) of the member for services as a legislator for the sixty (60) months of service immediately preceding retirement.

Section 7. KRS 61.680 is amended to read as follows:

(1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560 (4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits.

(b) Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for thirty-year retirement but not the amount of benefits. ***Service credit in the Judicial Retirement Plan, as governed by KRS 21.345 to 21.570, shall be used to determine eligibility for service retirement pursuant to KRS 61.559 but not for determination of benefits.***

(c) The computation of benefits ***pursuant to paragraph (a) of this subsection*** shall be based on the applicable formula in each system and service credit in each system, but the final compensation ***and early retirement penalties based upon years of service*** shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he must obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate such prior service in each system for purposes of determining consolidated benefits under this section. Upon the determination of benefits, each system shall pay the applicable percentage of total benefits.

(d)[~~(b)~~] The provisions of paragraph (a) of this subsection shall be waived if the member notifies the board of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System or County Employees Retirement System, or if he is a member of the State Police Retirement System or is working in a hazardous position under the Kentucky Employees Retirement System or County Employees Retirement System and, as a result of an act in line of duty, becomes disabled or deceased.

(e)[~~(c)~~] If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in such system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in such plan, in accordance with

KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in such plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, is hereby exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, provided he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan as provided for in KRS 6.535 when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(3).

(5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up such employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of such transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by one (1) of these retirement systems, will have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, then an accumulation of all hours worked will be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection (3) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System or Teachers' Retirement System, but who is a member of one (1) of such systems or is a former member of one (1) or more of such systems with valid service credit therein, will become eligible for service retirement benefits attributable to the amount of his actual service credit in each such system in which he has service credit when his combined service credit in all such systems, plus any service credit he has in the Judicial Retirement Plan or Legislators' Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system.

Section 8. KRS 21.410 is amended to read as follows:

(1) If upon examination of a member under his normal retirement age by one or more qualified physicians employed by the retirement board, it is certified to the satisfaction of the board that such member is so physically or mentally disabled as to be incapacitated for further performance of duty, and that such incapacity is likely to be permanent, the member may retire for disability. A member who so retires shall be entitled to receive commencing immediately a disability retirement allowance, payable monthly during his disability,

in an amount equal to one-half (1/2) of the monthly service retirement allowance he would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of actual retirement.

(2) A member need not have completed eight (8) years of service in order to be eligible for benefits under subsection (1) of this section.

(3) The retirement board shall cause a member who has been retired for disability and who is still under his normal retirement age to undergo periodic examination by one or more qualified physicians employed by the board, to determine whether he continues to be incapacitated for service of the character required of a judge or commissioner. If upon any such examination it is certified to the satisfaction of the board that the member is no longer so incapacitated, or if the member refuses to submit to examination, the board shall terminate his disability retirement allowance. He shall then be entitled to such rights, if any, under subsection (2) or ***(4)***[~~(3)~~] of KRS 21.400 as he would have been entitled to had he voluntarily retired on the date he was retired for disability.

(4) Upon reaching his normal retirement age, a member who has been receiving a disability retirement allowance may apply for and receive, in lieu thereof, the service retirement allowance he would have been entitled to receive at normal retirement age had he voluntarily retired on the date he was retired for disability.

Section 9. KRS 21.420 is amended to read as follows:

(1) After the death of a member who at the time of his death was receiving a service retirement allowance (other than an actuarially reduced allowance under subsection ***(4)***[~~(3)~~] of KRS 21.400), or was receiving a disability retirement allowance, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of that he was receiving.

(2) (a) If a member dies before retirement and before reaching normal retirement age, without regard to length of service, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received commencing at his normal retirement date if he had continued in service until that date and had then retired, computed however on the basis of his final compensation at time of death.

(b) If a member dies before retirement and after reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have been entitled to, on the basis of his years of service, had he retired on the date of his death.

(3) If a member dies after retirement and was at the time of his death receiving an actuarially reduced allowance under subsection ***(4)***[~~(3)~~] of KRS 21.400, or was not at the time of his death receiving a retirement allowance but had acquired the vested right under subsection (2) of KRS 21.400 to have received an allowance upon reaching normal retirement age, his surviving spouse is entitled to receive during his lifetime a monthly allowance equal to one-half (1/2) of the monthly allowance the member would have received when he reached normal retirement age.

(c) Any agency named as a party to the adjudicatory proceeding or entitled or permitted by the law being enforced to participate fully in the administrative hearing.

(4) "Agency head" means the individual or collegial body in an agency that is responsible for entry of a final order.

(5) "Recommended order" means the whole or part of a preliminary hearing report to an agency head for the disposition of an administrative hearing.

(6) "Final order" means the whole or part of the final disposition of an administrative hearing, whenever made effective by an agency head, whether affirmative, negative, injunctive, declaratory, agreed, or imperative in form.

(7) "Hearing officer" means the individual, duly qualified and employed pursuant to this chapter, assigned by an agency head as presiding officer for an administrative hearing or the presiding member of the agency head.

SECTION 2. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The provisions of this chapter shall apply to all administrative hearings conducted by an agency, with the exception of those specifically exempted under this section. This chapter creates only procedural rights and shall not be construed to confer upon any person a right to hearing not expressly provided by law.

(2) The provisions of this chapter shall not apply to investigations or any other type of information gathering or fact finding activities.

(3) The following administrative hearings shall be exempt from application of this chapter:

(a) Public hearings required in KRS Chapter 13A for the promulgations of administrative regulations;

(b) Military adjudicatory proceedings conducted in accordance with KRS Chapter 35; and

(c) Any other administrative hearing procedure approved for exemption in compliance with Section 17 of this Act and enacted in conforming legislation by the 1994 Regular Session of the General Assembly;

(d) Any administrative hearing or portion thereof certified as exempt by the Attorney General when:

1. The provisions of this chapter conflict with any provision of federal law or regulation with which the agency must comply, or with any federal law or regulation with which the agency must comply to permit the agency or persons within the Commonwealth to receive federal tax benefits or federal funds or other benefits;

2. Conformity with the requirement of this chapter from which exemption is sought would be so unreasonable or so impractical as to deny due process because of undue delay in the conduct of administrative hearings; or.

3. The hearing procedures represent either the preliminary stages or the review stages of a multilevel hearing process if the provisions of this chapter are applied at some level within a multilevel process.

(4) The Attorney General shall not exempt an agency from any requirement of this chapter until the agency establishes alternative procedures, by administrative regulation, which insofar as practical shall be consistent with the intent and purpose of this chapter. When regulations for alternative procedures are submitted to the Administrative Regulation Review Subcommittee, they shall be accompanied by the request for exemption and the approval of exemption from the Attorney General. The decision of the Attorney General, whether affirmative or negative, shall be subject to judicial review in the Franklin Circuit Court within thirty (30) days of the date of issuance. The court shall not overturn a decision of the Attorney General unless the decision was arbitrary or capricious or contrary to law.

(5) Except to the extent precluded by another provision of law, a person may waive any procedural right conferred upon that person by this chapter.

SECTION 3. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) An agency head may exercise all powers conferred on an agency relating to the conduct of administrative hearings, and he may delegate conferred powers to a hearing officer or a member of a collegial body that serves as an agency head. An agency head may not, however, delegate the power to issue a final order unless specifically authorized by statute.

(2) In securing hearing officers as necessary to conduct administrative hearings under the jurisdiction of the agency, an agency may:

(a) Employ hearing officers;

(b) Contract with another agency for hearing officers; or

(c) Contract with private attorneys through personal service contract.

(3) A hearing officer shall possess and meet qualifications as the Department of Personnel and the employing agency may find necessary to assure competency in the conduct of an administrative hearing. The qualifications in this subsection shall not, however, apply to a member of a board, commission, or other collegial body who may serve as a hearing officer in his capacity as a member of the collegial body.

(4) All hearing officers, including members of collegial bodies who serve as hearing officers, shall receive training necessary to prepare them to conduct a competent administrative hearing. The training shall pertain to the conduct of administrative hearings generally and to the applications of the provisions of this chapter, specifically. The Department of Personnel shall establish by administrative regulation minimum standards concerning the length of training, course content, and instructor qualifications. Actual training may be conducted by an agency or any other organization, if the training program offered has been approved by the Department of Personnel as meeting minimum standards.

(5) A person who has served as an investigator or prosecutor in an administrative hearing or in its pre-adjudicative stage, shall not serve as hearing officer or assist or advise a hearing officer in the same proceeding. This shall not be construed as preventing a person who has participated in a determination of probable cause or other equivalent preliminary determination, from serving as a hearing officer in the same proceeding.

(6) (a) A hearing officer, agency head, or member of a agency head who is serving as a hearing officer, shall voluntarily disqualify himself and withdraw from any case in which he cannot afford a fair and impartial hearing or consideration. Any party may request the disqualification of a hearing officer, agency head, or member of the agency head by filing an affidavit, upon discovery of facts establishing grounds for a disqualification, stating the particular grounds upon which he claims that a fair and impartial hearing cannot be accorded. The request for disqualification and the disposition of the request shall be a part of the official record of the proceeding.

(b) Grounds for disqualification of a hearing officer shall include, but shall not be limited to, the following:

1. Serving as an investigator or prosecutor in the proceeding or the preadjudicative stages of the proceeding;

2. Participating in an ex parte communication which would prejudice the proceedings;

3. Having a pecuniary interest in the outcome of the proceeding; or

4. Having a personal bias toward any party to a proceeding which would cause a prejudgment on the outcome of the proceeding.

SECTION 4. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In any administrative hearing, the agency shall conduct the hearing as soon as practicable and shall give notice of the hearing to the parties not less than twenty (20) days in advance of the date set for the hearing. An agency shall make every effort to schedule a hearing or a date and at a location that is convenient to the parties involved.

(2) The notice required by subsection (1) of this section shall be served on the parties by certified mail, return receipt requested, to the last known address of the parties, by personal service, or by any other means which demonstrates actual notice was received. When any indispensable and necessary party to an adjudicatory proceeding consists of a large class, the notice may be served on a reasonable number thereof as representatives of the class.

(3) The notice required by this section shall be in plain language and shall include:

(a) A statement of the date, time, place, and nature of the hearing;

(b) The name, official title, mailing address, and phone number of the hearing officer;

(c) The names, official titles, mailing addresses, and phone numbers of all parties to the hearing, including the counsel or representative of the agency;

(d) A statement of the issues involved in sufficient detail to give the parties reasonable opportunity to prepare evidence and argument;

(e) A reference to the specific statutes and regulations which relate to the issues involved;

(f) A statement advising the person of his right to legal counsel;

(g) A statement of the parties' right to examine any evidence to be used at the hearing and any exculpatory information in the agency's possession; and

(h) A statement advising that any party who fails to attend or participate as required at any stage of the administrative hearing process may be held in default under this chapter.

(4) If an agency decides not to conduct an administrative hearing in response to a petition, the agency shall notify the petitioner of its decision in writing, with a brief statement of the agency's reasons and any administrative review available to the petitioner.

SECTION 5. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

The hearing officer shall grant a petition for intervention if:

(a) The petition is submitted in writing to the hearing officer, with copies mailed to all parties named in the notice of the hearing, at least seven (7) days before the hearing;

(b) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities, or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and

(c) The hearing officer determines that the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.

(2) The hearing officer may grant a petition for intervention upon determining that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(3) If a petitioner qualifies for intervention, the hearing officer may impose conditions upon the intervenor's participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition;

(b) Limiting the intervenor's use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two (2) or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(4) The hearing officer, at least three (3) days before the hearing, shall issue an order granting or denying each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The hearing officer shall promptly give notice of an order granting, denying, or modifying intervention to the petitioner for intervention and to all parties.

SECTION 6. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer may convene and conduct a prehearing conference upon reasonable notice to all parties to deal with exploration of settlement possibilities, preparation of stipulations, clarification of issues, rulings on witnesses, taking of evidence, issuance of subpoenas and orders, and other matters as will promote the orderly and prompt conduct of the hearing.

(2) Upon conclusion of a prehearing conference, the hearing officer shall issue a prehearing order incorporating all matters determined at the prehearing conference. If a prehearing conference is not held, the hearing officer may issue a prehearing order, based on the pleadings, to regulate the conduct of the hearing.

(3) Except to the extent precluded by another provision of law, informal settlement of matters that may make unnecessary more elaborate proceedings under this chapter is encouraged. Agencies shall establish by administrative regulation specific procedures to facilitate informal settlement of matters. This subsection shall not be construed, however, as requiring any party to settle a matter pursuant to informal procedures.

SECTION 7. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) A hearing officer shall preside over the conduct of an administrative hearing and shall regulate the course of the proceedings in a manner which will promote the orderly and prompt conduct of the hearing. When a prehearing order has been issued, the hearing officer shall regulate the hearing in conformity with the prehearing order.

(2) The hearing officer, at appropriate stages of the proceedings, shall give all parties full opportunity to file pleadings, motions, objections, and offers of settlement. The hearing officer, at appropriate stages of the proceedings, may give all parties full opportunity to file briefs, proposed findings of fact and conclusions of law, and proposed recommended or final orders. A party shall serve copies of any filed item on all parties by mail or any other means prescribed by agency regulation.

(3) The hearing officer may issue subpoenas and discovery orders upon his own motion or when requested by a party. When an order is disobeyed, any party may apply to the Circuit Court of the judicial circuit in which the administrative hearing is held for an order requiring obedience. Failure to comply with an order of the court shall be cause for punishment as a contempt of the court.

(4) To the extent necessary for the full disclosure of all relevant facts and issues, the hearing officer shall afford all parties the opportunity to respond, present evidence and argument, conduct cross-examination, and submit rebuttal evidence, except as restricted by limited grant of intervention or a prehearing order.

(5) Any party to an administrative hearing may participate in person or be represented by counsel. If the party is a corporation or other artificial person, a duly authorized representative may participate. A party may be represented by other professionals if appropriate and if permitted by the agency by administrative regulation.

(6) If a party fails to attend or participate in a prehearing conference, hearing, or other stage of the administrative hearing process, the hearing officer may adjourn the proceedings and issue a default order or may continue the proceedings without the participation of the defaulting party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings. A default order shall be considered a recommended order and shall be processed as provided in Section 10 of this Act.

(7) A hearing officer may conduct all or part of an administrative hearing, or a prehearing conference, by telephone, television, or other electronic means, if each party to the hearing has an opportunity to hear, and, if technically feasible, to see, the entire proceeding as it occurs, and if each party agrees in writing.

(8) An administrative hearing shall be open to the public unless specifically closed pursuant to a provision of law. If an administrative hearing is conducted by telephone, television, or other electronic means, and is not closed, public access shall be satisfied by giving the public an opportunity, at reasonable times, to hear or inspect the agency's record.

SECTION 8. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In an administrative hearing, findings of fact shall be based exclusively on the evidence on the record. The hearing officer shall exclude evidence that is irrelevant, immaterial, unduly repetitious, or excludable on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this Commonwealth. Hearsay evidence may be admissible, but it shall not be sufficient in itself to support an agency's findings of facts unless it would be admissible over objections in civil actions.

(2) All testimony shall be made under oath or affirmation. Any part of the evidence may be received in written form if doing so will expedite the hearing without substantial prejudice to the interests of any party. Any party shall have the right to inspect the documentary or tangible evidence relating to an administrative hearing either in person or by counsel. Copies of documentary evidence may be obtained upon the payment of a fee, except documents protected from disclosure by state or federal law. Nothing in this section shall be construed as giving a party the right to examine or copy the personal notes, observations or conclusions of the agency staff, unless exculpatory in nature, nor shall it be construed as allowing access to the work product of counsel for the agency. Conditions for examining and copying agency records, fees to be charged, and other matters pertaining to access to these records shall be governed by KRS 61.870 to 61.884.

(3) Objections to evidentiary offers may be made by any party and shall be noted in the record.

(4) The hearing officer may take official notice of facts which are not in dispute or of generally recognized technical or scientific facts within the agency's specialized knowledge. The hearing officer shall notify all parties, either before or during the hearing, or in preliminary reports or otherwise, of any facts so noticed and their source. All parties shall be given an opportunity to contest facts officially noticed.

(5) The agency shall cause all testimony, motions, and obligations in a hearing to be accurately and completely recorded. Any person, upon request, may receive a copy of the recording or a copy of the transcript, if the hearing has been transcribed, at the discretion of the agency, unless the hearing is closed by law. The agency may prepare a transcript of a hearing or a portion of a hearing upon request but the party making the request shall be responsible for the transcription costs. The form of all requests and fees charged shall be consistent with KRS 61.870 to 61.884.

SECTION 9. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Unless required for the disposition of ex parte matters specifically authorized by statute, a hearing officer shall not communicate off the record with any party to the hearing or any other person who has a direct or indirect interest in the outcome of the hearing, concerning any substantive issue, while the hearing is pending.

(2) The prohibition stated in subsection (1) shall not apply to:

(a) Communication with other agency staff, if the communication is not an ex parte communication received by staff; and

(b) Communication among members of a collegial body or panel which by law is serving as a hearing officer.

(3) When an ex parte communication occurs, the hearing officer shall note the occurrence for the record, and, if in the opinion of the hearing officer, the nature of the communication could have a substantive

bearing on the outcome of the hearing, he shall place on the record a copy of the communication, if it was written, or a memorandum of the substance of the communication, if it was oral.

SECTION 10. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) The hearing officer shall complete and submit to the agency head, no later than sixty (60) days after receiving a copy of the official record of the proceeding, a written recommended order which shall include his findings of fact, conclusion of law, and recommended disposition of the hearing, including recommended penalties, if any.

(2) If an extension of time is needed by the hearing officer to complete and submit his recommended order to the agency head, the hearing officer shall show good cause to the agency head, in writing, and based upon substantial proof, that an extension of time is needed.

(3) If the agency head, after a showing of good cause, grants the hearing officer an extension of time,

(a) The extension shall not exceed thirty (30) days from the date the extension was granted;

(b) The statement granting the extension shall be included in the record of the hearing; and

(c) Notice of the extension shall be sent to all parties.

(4) A copy of the hearing officer's recommended order shall also be sent to each party in the hearing and each party shall have fifteen (15) days within which to file exceptions to the recommendations with the agency head. Transmittal of a recommended order shall be in the same manner as provided for notification in Section 4 of this Act.

SECTION 11. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In making the final order, the agency head shall consider the whole record or those portions of the record as may be cited by the parties, and any exceptions duly filed to a recommended order.

(2) The agency head may accept the recommended order of the hearing officer and adopt it as the agency's final order, or it may reject or modify all or part of the recommended order.

(3) The final order in an administrative hearing shall be in writing and stated in the record if the final order differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law. The final order shall also include the effective date of the order and a statement advising parties fully of available appeal rights.

(4) The agency head shall render a final order in an administrative hearing within ninety (90) days after:

(a) The conclusion of the hearing in which there was no hearing officer; or

(b) The hearing officer submits a recommended order to the agency head.

(5) Unless waived by the party, a copy of the final order shall be transmitted to each party or to his attorney of record in the same manner as provided in Section 4.

(6) This section shall not apply to disposition pursuant to subsection (3) of Section 6 of this Act.

(7) If, pursuant to statute, an agency may review the final order of another agency, the review is deemed to be a continuous proceeding as if before a single agency. The final order of the first agency is treated as a recommended order and the second agency functions as though it were reviewing a recommended order in accordance with Section 11.

SECTION 12. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) In each administrative hearing, an agency shall keep an official record of the proceedings which shall consist of:

(a) All notices, pleadings, motions, and intermediate rulings;

(b) Any prehearing orders;

(c) Evidence received and considered;

(d) A statement of matters officially noticed;

(e) Proffers of proof and objections and rulings thereon;

(f) Proposed findings, requested orders, and exemptions;

(g) A copy of the recommended order, exceptions filed to the recommended order, and a copy of the final order;

(h) All requests by the hearing officer for an extension of time, and the response of the agency head;

(i) Ex parte communications placed upon the record by the hearing officer; and

(j) A recording or transcript of the proceedings.

SECTION 13. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) All final orders of an agency shall be subject to judicial review in accordance with the provisions of this chapter. A party shall institute an appeal by filing a petition in the Circuit Court of venue as provided in the agency's enabling statutes within thirty (30) days after the final order of the agency is mailed or delivered by personal service. Copies of the petition shall be served by the petitioner upon the agency and all parties of record. The petition shall include the names and addresses of all parties to the proceeding and the agency involved, and a statement of the grounds on which the review is requested. The petition shall be accompanied by a copy of the final order.

(2) A party may file a petition for judicial review only after the party has exhausted all administrative remedies available within the agency whose action is being challenged and within any other agency authorized to exercise administrative review. A court may relieve a petitioner of the requirement to exhaust any or all administrative remedies, to the extent that the administrative remedies are inadequate, or requiring their exhaustion would result in irreparable harm disproportionate to the public benefit derived from requiring exhaustion.

(3) Within twenty (20) days after the service of the petition, or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the official record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent correction or additions to the official record.

(4) A petition for judicial review shall not automatically stay a final order pending the outcome of the review, but the petitioner may request such a stay.

SECTION 14. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) Review of a final order shall be conducted by the court without a jury and shall be confined to the record, unless there is fraud or misconduct involving a party engaged in administration of this chapter. The court, upon request, may hear oral argument and receive written briefs.

(2) The court shall not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the final order or it may reverse the final order, in whole or in part, and remand the case for further proceedings if it finds the agency's final order is:

(a) In violation of constitutional or statutory provisions;

(b) In excess of the statutory authority of the agency;

(c) Clearly without support of substantial evidence on the whole record;

(d) Arbitrary, capricious, or characterized by abuse of discretion;

(e) Based on an ex parte communication which substantially prejudiced the rights of any party and likely affected the outcome of the hearing; or

(f) Prejudiced by a failure of the person conducting a proceeding to be disqualified pursuant to subsection (6) of Section 3 of this Act.

SECTION 15. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

Any aggrieved party may appeal any final judgment of the Circuit Court under this chapter to the Court of Appeals in accordance with the Kentucky Rules of Civil Procedure.

SECTION 16. A NEW SECTION OF KRS CHAPTER 13B IS CREATED TO READ AS FOLLOWS:

(1) An agency shall have authority to promulgate administrative regulations that are necessary to carry out the provisions of this chapter, including the authority to adopt provisions of the chapter by administrative regulations prior to the effective date of the Act, provided the regulations do not conflict with existing statutes.

(2) By July 1 of each odd-numbered year, each agency shall submit to the Legislative Research Commission a report on the status of the administrative hearing process in that agency. The report shall include a compilation of statistical data, a summary of complaints received and the resolution of the complaints, and other information as may be requested by the Legislative Research Commission in order to evaluate the effectiveness of administrative hearing procedures. The report shall also include any recommendations an agency may have for improving the administrative hearing process in Kentucky.

Section 17. (1) This Act shall become effective on the normal effective date for legislation enacted by the 1994 Regular Session of the General Assembly.

(2) By no later than September 30, 1992, each administrative agency, as defined by Section 1 of this Act, shall submit to the Legislative Research Commission a statement of which existing statutes need to be repealed or amended to conform to the procedures established by this Act. If the agency believes that its unique circumstances warrant its being excluded from the provisions of this Act, it shall also provide the commission with a statement to that effect, including a detailed justification for exclusion, but the submission of a statement requesting exclusion shall not eliminate the obligation of submitting the statement relating to conformance.

(3) With the assistance of the staff of the Legislative Research Commission, each agency shall develop legislation to conform its procedures to the provisions of this Act. This bill draft shall be completed and submitted to the Legislative Research Commission by no later than June 30, 1993. The Legislative Research Commission shall thereupon refer this draft to the appropriate interim joint committee for its consideration and action prior to the 1994 Regular Session of the General Assembly.

(4) If an agency has not submitted the proposed legislation required by subsection (3) of this section on or before June 30, 1993, the Legislative Research Commission shall immediately notify the secretary of the Finance and Administration Cabinet and the State Treasurer, and no state funds shall be released to that agency beginning July 15, 1993, until the Legislative Research Commission certifies to these officials that the proposed legislation has been received.

HR 197, A RESOLUTION adjourning the House in honor of Bill Bishop.

WHEREAS, this chamber has always supported and encouraged the Arts, in recognition that the free and creative spirit of mankind must, and should be, unfettered by the surly dominion of facts; and

WHEREAS, fiction writing in particular, the creation of stories from thin air, the telling of tall tales with no reference to reality, is a noble and distinguished Art; and

WHEREAS, there moves among us one Bill Bishop, who has proven himself most adroit in these endeavors, weaving strange, fantastic tales from the strange land of his own fantastic mind, tales no man or woman could imagine true, yet all enjoy as fantasy; and

WHEREAS, this same Bill Bishop has also shown himself the most remarkable of experts, self-proclaimed, and self-appointed, a man who keeps the true score on every subject from education to the environment, from women's rights to public decorum, and all who hear his pronouncements listen in awestruck wonder to his wisdom; and

WHEREAS, several Gentlemen of this Chamber, known to us all yet nameless here for reasons of keeping them humble, have basked in the glow of Bill Bishop's wondrous Art, as he weaved fabulous fictions around them, reinventing them as heroes in his tales of the bizarre; and

WHEREAS, this body also believes it may be germane to note that in medieval times, when the Bishop scorned the King, the King could have his head, although happily such barbarity is behind us and this body does not endorse its return;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That this esteemed institution does hereby commend the Art of Bill Bishop and crowns him Fiction Laureate of Kentucky and this body's surest source of amusement and uplift in its occasional dark hours of despair.

(1) Any person possessing or controlling a hazardous substance, pollutant, or contaminant shall, as soon as that person has knowledge of a release or threatened release (other than a permitted release or application of a pesticide) of a hazardous substance, pollutant, or contaminant from a site, as defined by KRS 224.01-400, to the environment in a quantity equal to or exceeding the reportable quantity determined by Section 2 of this Act in any twenty-four (24) hour period, immediately notify the Department of Environmental Protection's twenty-four (24) hour environmental response line. In the notice the person shall state, at a minimum, the location of the release or threatened release, the material released or threatened to be released, and the approximate quantity and concentration of the release or threatened release.

(2) The cabinet may require the person subject to subsection (1) of this section to provide a written report on the release or threatened release. This report shall be submitted to the Environmental Response Section of the Department for Environmental Protection within seven (7) days of the department's demand for the report. The report shall identify the following:

(a) The precise location of the release or threatened release;

(b) The name, address, and phone number of the person possessing or controlling the material at the time of the release or threatened release;

(c) The name, address, and phone number of individuals having actual knowledge of the facts surrounding the release or threatened release;

(d) The specific pollutant or contaminant or hazardous substance released or threatened to be released;

(e) The concentration and quantity of the pollutant or contaminant or hazardous substance in the release or threatened release;

(f) The circumstances and cause of the release or threatened release;

(g) Efforts taken by the person to control or mitigate the release or threatened release;

(h) To the extent known, the harmful effects of the release or threatened release;

(i) The transportation characteristics of the medium or matrix into which the material was released or threatened to be released;

(j) Any present or proposed remedial action by the person at the site of the release or threatened release;

(k) The name, address, and phone number of the individual who can be contacted for additional information concerning the release or threatened release; and

(l) Any other information that may facilitate an emergency spill response, or remediation of the site.

(3)(a) The person possessing or controlling a hazardous substance, pollutant, or contaminant shall immediately notify the department pursuant to subsection (1) of this section whenever notification is provided to U.S. Environmental Protection Agency under 40 C.F.R. 302.8(c). Within seven (7) days of providing any written notification to the U.S. Environmental Protection Agency under 40 C.F.R. 302.8, the person shall submit to the Environmental Response Section, a copy of the notification submitted to the U.S. Environmental Protection Agency.

(b) The cabinet shall not require additional information pursuant to this section for releases subject to 40 C.F.R. 302.8 if the notification is in compliance with paragraph (a) of this subsection, unless a written report is required under subsection (2) of this section.

SECTION 2. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The elements or compounds in hazardous waste appearing in 40 C.F.R. 302, Table 302.4 and 40 C.F.R. 302, Appendix B are designated as hazardous substances under KRS 224.01-400. The provisions of 40 C.F.R. 302 Table 302.4, and Appendix B, as of the effective date of this Act, are incorporated by reference and made a part of this section.

(2) A solid waste, as defined in 40 C.F.R. 261.2, which is not excluded from regulation as a hazardous waste under 40 C.F.R. 261.4(b), is a hazardous substance under KRS 224.01-400 if it exhibits any of the characteristics identified in 40 C.F.R. 261.20 through 261.24.

(3) The elements or compounds appearing in 40 C.F.R. 355, Appendix are designated as pollutants or contaminants under KRS 224.01-400. The provisions of 40 C.F.R. 355, Appendix, and substances regulated under KRS 224.50-130, as of the effective date of this Act, are hereby incorporated by reference and made a part of this section.

The reportable quantities in 40 C.F.R. 302, Table 302.4 are in units of pounds based on chemical toxicity, while the reportable quantities in 40 C.F.R. 302, Appendix B are in units of curies based on radiation hazard. Whenever the reportable quantities incorporated in subsection (1) of this section are in conflict, the lowest reportable quantity shall apply.

(5) Hazardous substances without a listed reportable quantity have the reportable quantity of one hundred (100) pounds except for those unlisted hazardous wastes which are toxic as measured by the toxicity characteristic leaching procedure in 40 C.F.R. 261.24. Hazardous wastes without a listed reportable quantity which are toxic as measured by toxicity characteristic leaching procedure have the reportable quantities listed in 40 C.F.R. 302, Table 302.4 for the contaminant on which the toxicity characteristic leaching procedure toxicity is based. The reportable quantity applies to the waste itself, not merely to the toxic contaminant. If an unlisted hazardous waste exhibits toxicity characteristic leaching procedure toxicity on the basis of more than one (1) contaminant, the reportable quantity for that waste shall be the lowest of the reportable quantities listed in 40 C.F.R. 302, Table 302.4 for those contaminants. If an unlisted hazardous waste exhibits the characteristics of toxicity characteristic leaching procedure toxicity on one (1) or more of the other characteristics, the reportable quantity for that waste shall be the lowest of the applicable reportable quantities.

(6) The quantity listed in the column "Final RQ" for each pollutant or contaminant in 40 C.F.R. 355, Appendix is the reportable quantity for that pollutant or contaminant. The reportable quantities in 40 C.F.R. 355, Appendix are in units of pounds.

(7) The cabinet may promulgate administrative regulations in accordance with the provisions of KRS Chapter 13A designating individual hazardous substances, pollutants, or contaminants, and their respective reportable quantities which differ from those designated in subsections (1) through (6) of this section if it is necessary to:

(a) Protect human health and the environment;

(b) Maintain consistency with valid scientific development; or

(c) Maintain consistency with newly promulgated federal regulations.

(8) Releases of mixtures or solutions (including hazardous waste streams) of hazardous substances, except for radionuclides, and pollutants or contaminants are subject to the following notification requirements:

(a) If the quantities of all of the hazardous constituents of the mixture or solution are known, notification is required where a reportable quantity of one (1) of any hazardous constituent is released; or

(b) If the quantity of one (1) or more of the hazardous constituents of the mixture or solution is unknown, notification is required where the total amount of the mixture or solution released equals or exceeds the reportable quantity for the hazardous constituent with the lowest reportable quantity.

(9) Whenever a release of a hazardous substance, pollutant, or contaminant exceeds its permitted or authorized level by a reportable quantity or more, notification for the release shall be made in accordance with Section 1 of this Act.

SECTION 3. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Part 110 in contravention of Section 311 of the Clean Water Act shall immediately notify the Department for Environmental Protection's twenty-four (24) hour environmental response line. In the notice to be made to the Department for Environmental Protection, the person shall state, at a minimum, the location of the discharge, the material discharged, and the approximate quantity and concentration of the discharge.

(2) The cabinet may require the person subject to subsection (1) of this section to provide a written report on the discharge. This report shall be submitted to the Environmental Response Section of the Department for Environmental Protection within seven (7) days of the department's demand for the report. The report shall identify the following:

(a) The precise location of the discharge;

(b) The name, address, and phone number of the person possessing or controlling the material at the time of the discharge;

(3) The release or threatened release into the environment of more than twenty-five (25) gallons of nondiesel gasoline or the release or threatened release into the environment of more than seventy-five (75) gallons of diesel fuel, other than a permitted release or application of a pesticide, shall require compliance with any applicable provisions of subsections (1) and (2) of this section.

(4) A release or threatened release of any pollutant or contaminant into the environment shall be reported whenever the release or threatened release may present an imminent or substantial danger to the public health or welfare. If a person possessing or controlling a pollutant or contaminant fails to report a release or threatened release because of a good faith belief that the material did not present an imminent or substantial danger to the public health or welfare, that person shall not be liable for a violation of Sections 1 to 6 of this Act.

~~(3) The cabinet shall promulgate regulations no later than one hundred eighty (180) days from July 13, 1990, designating for each hazardous substance and pollutant or contaminant the quantity of the hazardous substance and pollutant or contaminant for which release notification shall be provided to the cabinet under this section.~~

~~(4) Persons possessing or controlling a hazardous substance, pollutant or contaminant shall immediately notify the cabinet of any threatened release or any release to the environment of a hazardous substance, pollutant or contaminant in a reportable quantity which is not authorized by a permit issued by the cabinet or the United States Environmental Protection Agency, or any federally permitted release authorized by the Comprehensive Environmental Response and Liability Act (CERCLA), unless otherwise exempt from reporting by regulation of the cabinet. Timely notification received under this subsection or information obtained in a notification received under this subsection may not be used against the person making the notification in any criminal proceeding, except in a prosecution for submitting a false or untimely notification to the cabinet. Notification received by the cabinet of a threatened release shall not be deemed a separate incident.~~

~~(5) Except as provided in~~] subsection *(7)*[~~(10)~~] of this section, persons having possession of or control over a hazardous substance, pollutant, or contaminant being released or who caused the release shall take the actions necessary to restore the environment to the extent practicable and minimize the harmful effects from any release into the air, lands, or waters of the Commonwealth.

(3)[~~(6)~~] The cabinet shall be the lead agency for hazardous substance, pollutant, or contaminant emergency spill response and, after consultation with other affected federal, state and local agencies, and private organizations, shall establish a contingency plan for undertaking emergency actions in response to the release of a hazardous substance, pollutant, or contaminant. The contingency plan shall:

(a) Provide for efficient, coordinated and effective action to minimize damage to the air, land, and waters of the Commonwealth caused by the release or threatened release of hazardous substances;

(b) Include containment, cleanup, and disposal procedures;

(c) Provide for remediation or restoration of the lands or waters affected consistent with this section;

(d) Assign duties and responsibilities among state cabinets and agencies in coordination with federal and local agencies;

(e) Provide for the identification, procurement, maintenance, and storage of necessary equipment and supplies;

(f) Provide for designation of persons trained, prepared, and available to provide the necessary services to carry out the plan; and

(g) Establish procedures and techniques for identifying, containing, removing, and disposing of hazardous substances released or being released.

(4)[~~(7)~~] The cabinet shall have the authority, power and duty to:

(a) Recover from persons liable therefor for the benefit of the hazardous waste management fund, the cabinet's actual and necessary costs expended in response to a threatened release, an environmental emergency, or a release of a hazardous substance reportable under ***Section 1*** [~~subsection (4)~~] of this ***Act*** [~~section~~]. Except as provided in paragraph (b) of this subsection, this section is intended solely to recognize the existence of a cause of action on behalf of the cabinet and is not intended to expand or contract the bases of liability, the elements of proof, or the amount of liability of any person;

(b) Notwithstanding paragraph (a) of this subsection, recover its costs incurred in the removal of oil or hazardous substances discharged in violation of Section 311(b)(3) of the Federal Clean Water Act from any person liable therefor under Section 311 of the Federal Clean Water Act subject to limitations of liability and defenses provided in said section. Such limitations of liability shall apply to the total of state and federal expenses;

(c) In every case where action required under this section is not being adequately taken or the identity of the person responsible for the release or threatened release is unknown, the cabinet or its agent may contain, remove or dispose of the hazardous substance, pollutant, or contaminant or take any other action consistent with this section, including, but not limited to, issuance of an emergency order as provided in KRS 224.10-410 to the person possessing, controlling or responsible for the release or threatened release as necessary for the protection of the environment and public health, safety or welfare;

(5)[~~(8)~~] Any duly authorized officer, employee, or agent of the cabinet may upon notice to the owner or occupant enter any property, premises, or place at any time for the purposes of this section, if such entry is necessary to prevent damage to the air, land, or waters of the Commonwealth. Notice to the owner or occupant shall not be required if the delay attendant upon providing it will result in imminent risk to public health or safety.

(6)[~~(9)~~] The cabinet shall prepare and annually update an inventory of all sites in the Commonwealth at which there is or has been an environmental emergency or a release of a hazardous substance, pollutant, or contaminant. In preparing the inventory, the cabinet shall determine, based on information available to the cabinet, the impact of each site on public health and the environment and identify the relative priority for restoration or remedial action. Upon determining that no further restoration or remedial action is necessary, the cabinet shall so designate the site on the inventory. A separate designation of sites where a remedial action involving on-site containment or treatment has been performed and other sites where restoration of the environment has not been achieved shall be maintained. A review of environmental conditions at sites remediated by on-site containment or treatment and other sites where restoration or remediation of the environment is not achieved shall be conducted by the cabinet every five (5) years to determine whether additional action is necessary to protect human health or the environment.

(7)[~~(10)~~] ***(a) The remedial action required under subsection (2) of this section shall consist of those measures that are determined by the cabinet to protect human health, safety, and the environment. The cabinet may require the submission of information reasonably necessary to determine the action to be taken. In determining the action to be taken, the cabinet shall make the determination based on factors listed in paragraph (b) of this subsection. However, in no case shall the cabinet require or take remedial action involving the removal or containment of hazardous substances, pollutants, or contaminants below levels found in environmental media naturally in the vicinity of the release or as a result of activities unrelated to the release. Upon making any remedial action determination, the cabinet shall issue a statement of consideration explaining how the factors in paragraph (b).of this subsection were considered. The statement of consideration shall be issued within sixty (60) days of submission of information requested by the cabinet.***

(b) The factors to be considered by the cabinet are as follows [~~Upon a cabinet determination that an application satisfies the requirements of this subsection, remedial action may be conducted in response to a release of a hazardous substance, pollutant, or contaminant. 2.[~~(b)~~] The hydrogeologic characteristics of the facility and the surrounding area;

3.[~~(c)~~] The proximity, quality, and current and future uses of surface water and groundwater;

4.[~~(d)~~] The potential effects of residual contamination of potentially impacted surface water and groundwater;

5.[~~(e)~~] The chronic and acute health effects and environmental consequences to terrestrial and aquatic life of exposure to the hazardous substance, pollutant, or contaminant through direct and indirect pathways;

6.[~~(f)~~] An exposure assessment; and

7.[~~(g)~~] All other available information ***including, but not limited to, any relevant federal regulation, guideline, or published policy related to contamination of environmental media.***

(8)[~~(11)~~] The cabinet shall have a lien against the real and personal property of a person liable for the actual and necessary costs expended in response to a release or threatened release or an environmental emergency. The lien shall be filed with the county clerk of the county in which the property of the person is located.

(9)[~~(12)~~] Nothing in this section shall replace the financial and technical assistance available to the Commonwealth pursuant to Section 311 of the Federal Clean Water Act (Public Law 92-500) as amended, but rather shall be used to provide the Commonwealth with a mechanism for additional response to releases and threatened releases of hazardous substances, pollutants, or contaminants.

(10)[~~(13)~~] Defenses to liability and limitations to liability shall be determined in accordance with Sections 107(a) through (d) and 113(f)(1) of the Comprehensive Environmental Response Compensation and Liability Act, as amended, and the Federal Clean Water Act, as amended.

HB 839, AN ACT relating to solid waste disposal facilities and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBCHAPTER 43 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The financial mechanisms used to demonstrate financial assurance for a solid waste disposal facility shall ensure that funds necessary to meet the costs of closure and post-closure care shall be available when they are needed. In addition to a surety bond, letter of credit, or other sureties satisfactory to the cabinet, an owner or operator may meet the requirements for financial assurance by establishing a closure or post-closure trust fund which conforms to the requirements of this section. The trustee of the fund shall be an entity which has the authority to act as a trustee and whose trust operations are regulated and examined by a federal or state agency. A copy of the trust agreement shall be submitted to the cabinet.

(2) Payments to the trust fund shall be made annually by the owner or operator over the term of the initial permit for a new facility or over the remaining operating life of a facility as estimated in the closure plan, whichever period is shorter. This period shall be referred to as the pay-in period.

(3) The first payment into the trust fund shall be at least equal to the current cost estimate for closure or post-closure care, divided by the number of years in the pay-in period.

(4) Subsequent payments shall be made no later than thirty (30) days after each anniversary date of the first payment. The amount of each subsequent payment shall be determined by the following formula:

$$\text{Next Payment} = (CE-CV)/Y$$

CE is the current cost estimate for closure or post-closure care, updated for inflation or other changes; CV is the current value of the trust fund; and Y is the number of years remaining in the pay-in period.

(5) The initial payment into the trust fund for a new facility shall be made before the initial receipt of waste. If an owner or operator establishes a trust fund after having used one (1) or more alternative mechanisms to establish financial assurance for an existing facility, the first payment into the trust fund shall be at least the amount that the fund would contain if the trust fund had been established initially and annual payments made according to this section.

(6) An owner or operator, or any other person authorized to conduct closure or post-closure care, may request reimbursement from the trustee for closure or post-closure expenditures by submitting documentation of the costs to the cabinet. A request for reimbursement shall be granted only if sufficient funds remain in the trust fund to cover the remaining cost of closure or post-closure care. Within sixty (60) days after receiving a request for reimbursement and cost documentation for closure or post-closure care activities, the cabinet shall instruct the trustee to make reimbursements in those amounts as the cabinet specifies in writing, if the cabinet determines that the expenditures are in accordance with the approved closure or post-closure plan. If the cabinet denies a request for reimbursement, it shall provide the owner or operator with a detailed written statement of reasons.

(7) An owner or operator may use one (1) or more mechanisms simultaneously for establishing financial assurance, including a trust fund. The trust fund may be terminated and moneys returned to the operator only if the owner or operator substitutes alternate financial assurance as allowed under this chapter or is no longer required to demonstrate financial responsibility in accordance with the requirements of this chapter.

SECTION 2. A NEW SECTION OF SUBCHAPTER 43 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

An existing solid waste disposal facility which meets, or met at the time of construction and was issued an operating permit for, a design standard of at least twelve (12) inches of soil with a maximum permeability of one (1) times ten (10) to the negative seventh power centimeters per second or its equivalent, has a leachate collection system installed in a manner approved by the cabinet, and has a groundwater monitoring system approved by the cabinet, shall be allowed to operate until October 8, 1993, under the post-closure requirements in effect on May 8, 1990, for solid waste disposal facilities which must close before June 30, 1992.

Section 3. Whereas, dramatically increased financial assurance requirements for solid waste disposal facilities will become effective July 1, 1992, and the mechanisms established by this Act are intended to address those requirements, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

Section 1. KRS 151.110 is amended to read as follows:

(1) ***(a)*** The conservation, development, and proper use of the water resources of the Commonwealth of Kentucky have become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand for water for varied domestic, industrial, municipal, and recreational uses. It is recognized by the General Assembly that excessive rainfall during certain seasons of the year causes damage from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural, and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness, and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development, and most beneficial use of the water resources. It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefore, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical, or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS Chapters 146, 149, 151, 224, 262, and KRS 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; to require local communities to develop long range water supply plans; to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance, and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses and reasonably regulate the amount of withdrawal of public water; and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky, and to ensure adequate supply of water for domestic, agricultural, recreational, and economic development uses.

(b) The cabinet shall:

1. Provide leadership in water use efficiency for all water uses;

2. Promote conservation;

3. Offer technical assistance and conduct research;

4. Be the lead agency with other state and local agencies to incorporate conservation measures and incentives into their programs;

5. Sponsor "technology transfer sessions" on water conservation to commercial and industrial operations; and

6. Provide leadership to communities looking for information and methods for coping with the issues of growth and water supply.

(2) It is a finding of the General Assembly that groundwater is an important but vulnerable natural resource of this state, that the majority of rural Kentuckians rely exclusively on groundwater for drinking, and that groundwater is inextricably linked to surface waters which may also serve as a drinking water resource. It is also a finding that groundwater is a resource equally vital for agricultural, commercial, and industrial purposes and that useable groundwater is critical to the future development of these industries. Therefore, it shall be the policy of this state to manage groundwater for the health, welfare, and economic prosperity of all citizens.

SB 189, AN ACT relating to small coal operators.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.260 is amended to read as follows:

There is hereby created a Small Coal Operators Advisory Council which shall report directly to the secretary of the Governor's Executive Cabinet. The council shall advise on matters affecting coal production and utilization including coal market development, transportation and storage problems. The council shall have the function of coordinating and improving the working relationships between those state agencies administering programs which regulate, serve, or aid small coal mine operators. The council shall consist of fifteen (15) members. Ten (10) of those members shall be appointed by the Governor. Seven (7) of the ten (10) members shall be full-time operators producing ***three*** [~~two~~] hundred thousand ***(300,000)*** [~~(200,000)~~] or fewer tons of coal per year. Three (3) of the ten (10) appointees shall be with backgrounds in one (1) or more of the following areas: transportation, marketing, mining education, and mining engineering. The secretaries of the Natural Resources and Environmental Protection Cabinet, the Cabinet for Economic Development, and the commissioners of the Agriculture and Mines and Minerals Departments and the special assistant to the Governor for coal and energy policy shall be ex officio members. Each individual appointment shall be for a four (4) year term which shall begin on July 15, 1984. Members may serve successive terms if reappointed. Vacancies shall be filled in a manner consistent with the provisions for initial appointments. At the first meeting held on or after July 1 of each year, a chairman shall be elected by and from the membership. The council shall meet at least quarterly during each year and may meet more often at the call of the chairman. The council shall be attached to the Natural Resources and Environmental Protection Cabinet for administrative purposes. Council members shall be eligible for reimbursement by the cabinet for actual expenses directly related to serving on the council.

Section 2. KRS 350.450 is amended to read as follows:

(1) If the area proposed to be mined contains prime farmland as defined in Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977," then no permit shall be issued unless it complies with Section 510(d)(1) therein. Nothing in this subsection shall apply to any permit issued prior to August 3, 1977, or to any revisions or renewals thereof, or to any existing surface coal mining operations for which a permit was issued prior to August 3, 1977. Nothing herein shall be construed as authorizing the cabinet to promulgate regulations more stringent than those promulgated pursuant to PL 95-87 relating to prime farmland.

(2) Where a surface coal mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, the operation shall comply with the requirements of paragraphs (c) and (d) of this subsection without regard to the requirements of KRS 350.410 or 350.445(2) and (3) with respect to lands from which overburden and the coal seam being mined have not been removed; provided, however, the cabinet shall establish internal procedures pursuant to which it shall permit surface coal mining operations for the purposes set forth in paragraph (b) of this subsection.

(a) Where an applicant meets the requirements of paragraphs (b) and (c) of this subsection a permit without regard to the requirements to restore to approximate original contour set forth in KRS 350.410 or 350.445(2) and (3) may be granted for the surface coal mining operations where the mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill, except as provided in paragraph (c)1. of this subsection, by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining and capable of supporting postmining uses in accord with the requirements of this subsection.

(b) In cases where an industrial, commercial, agricultural, residential, or public facility (including recreational facilities) use is proposed for the postmining use of the affected land, the cabinet may grant a permit for a surface coal mining operation of the nature described in paragraph (a) of this subsection where:

1. After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is deemed by the cabinet to constitute an equal or better economic or public use of the affected land as compared with premining use;

2. The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the land use will be:

a. Compatible with adjacent land uses;

b. Obtainable according to data regarding expected need and market;

c. Assured of investment in necessary public facilities;

d. Supported by commitments from public agencies where appropriate;

e. Practicable with respect to private financial capability for completion of the proposed use;

f. Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use; and

g. Designed by a registered engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site;

3. The proposed use would be consistent with adjacent land uses and existing state and local land use plans;

4. The cabinet provides the governing body of the unit of general-purpose government in which the land is located, and any state or federal agency which the cabinet in its discretion determines to have an interest in the proposed use, an opportunity of not more than thirty (30) days to review and comment on the proposed use; and

5. All other requirements of this chapter will be met.

(c) In granting any permit pursuant to this subsection the following requirements apply:

1. The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion;

2. The reclaimed area is stable;

3. The resulting plateau or rolling contour drains inward from the outslopes except at specified points;

4. No damage will be done to natural watercourses;

5. Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use; provided, that all excess spoil material not retained on the mountaintop shall be placed in accordance with the provisions of KRS 350.440; and

6. Insure stability of the spoil retained on the mountaintop and meet the other requirements of this chapter.

(d) The regulatory authority shall promulgate specific regulations to govern the granting of permits in accord with the provisions of this subsection.

(e) All permits granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

(3) (a) The cabinet shall adopt procedures pursuant to which it may permit variances from the requirements of KRS 350.410 for the purposes set forth in paragraph (c) of this subsection, provided that the watershed control of the area is improved, and further provided, complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(b) Where an applicant meets the requirements of paragraphs (c) and (d) of this subsection, a variance from the requirement to restore the approximate original contour set forth in KRS 350.410 and 350.445(2) may be granted for surface coal mining operations where the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities.

(c) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land shall:

1. Be deemed by the cabinet to constitute an equal or better economic or public use;

2. Be designed and certified by a qualified registered professional engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site; and

3. The watershed of the affected land be deemed by the cabinet to be improved.

(d) In granting a variance pursuant to paragraph (b) of this subsection, the cabinet shall require that only ***the*** [~~such~~] amount of spoil will be placed off the mine bench ***that*** [~~as~~] is necessary to achieve the planned postmining land use, insure stability of the spoil retained on the bench, meet all other requirements of this chapter, and require all spoil placement off the mine bench to comply with KRS 350.440.

(e) The cabinet shall promulgate specific regulations as it deems necessary, if any, to govern the granting of variances in accord with the provisions of this subsection and may impose [~~such~~] additional requirements [~~as~~] it deems to be necessary.

(f) All exceptions granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan.

(4) The cabinet shall adopt programs, regulations, and procedures designed to provide technical assistance to assist the small coal operator with the permitting and environmental protection performance standards for surface coal mining operations within the Commonwealth. ***The*** [~~Such~~] programs shall be directed towards eliminating delays in the processing of permits by establishing a special administrative program to review small operator's permit applications and by establishing a procedure for providing the small operator the technical services of public and private agencies in addition to the services provided pursuant to KRS 350.465(2)(f) necessary for completing the permit application. Specifically, notwithstanding any other provision of this chapter or regulations adopted pursuant thereto, for the purpose of this program, the cabinet shall:

(a) Develop a simplified small operator permit application. The cabinet shall notify all applicants of deficiencies in the form of the application by certified mail within ten (10) working days after the filing in the regional office. The applicant shall have ten (10) working days after the receipt of the notification to repair the deficiencies. Upon failure of the applicant to repair the deficiencies within ten (10) working days after receipt of the notification, the cabinet may return the application as incomplete.

(b) Provide in the abandoned mine land program for small operators, having mined coal under a state permit or license at any time within the previous three (3) years, participation consisting at least of the following:

1. That lands acquired or reclaimed by the state containing coal, coal refuse or other marketable minerals which should be removed in order to maximize the utilization, recoverability or conservation of solid fuel resources or to protect against adverse water quality impacts and which, once reclaimed, cannot be disturbed again by mining, shall be reclaimed by small operators unless the cabinet determines, after advertisement and advance opportunity to bid, that the reclamation project cannot be performed by the small operator bidders;

2. That the cabinet shall establish procedures for maximizing participation by small operators in all reclamation projects including:

a. Designing and establishing project specifications and setting forth in the annual request for federal funding under the state reclamation plan not less than twenty percent (20%) of ***the*** [~~said~~] projects on cost basis to be performed by small operators;

b. Advance advertising, soliciting, evaluating bids, and awarding contracts on all state reclamation projects for small operators.

3. In the event no bids are submitted by small operators for small operator projects, ***the*** [~~said~~] projects will be thereafter open for public bidding and no longer designated as small operator projects but shall satisfy that portion of the twenty percent (20%) set aside.

(c) For the purposes of this subsection, a small coal operator is one who is anticipated to mine less than ***three*** [~~two~~] hundred thousand ***(300,000)*** [~~(200,000)~~] tons per year, and the cabinet in determining tonnage for qualification shall consider all production from common ownership of other corporations or operations.

(d) Upon written notification by the small coal operator to the cabinet stating that no more mining will take place under a permit, the cabinet shall release a portion of the bond in accordance with KRS 350.070. In making its determinations pursuant to KRS 350.070 the cabinet shall:

1. Determine the percentage of the permitted acreage in the area of reduction in relation to the initial acreage of the permit;

2. Examine the land which has been disturbed and estimate the cost of reclamation;

3. When the estimated cost of reclamation does not exceed ten thousand dollars ($10,000) then the cabinet shall return all bond money in excess of the ten thousand dollars ($10,000);

4. When the estimated cost of reclamation exceeds ten thousand dollars ($10,000) the cabinet shall retain the amount estimated and shall return all bond money in excess of the estimated amount but in no case shall the cabinet return more than the amount determined by multiplying the percentage determined under subparagraph 1. of this paragraph times the original total bond amount.

Section 3. KRS 350.705 is amended to read as follows:

(1) There is hereby created a bond pool commission which shall consist of seven (7) members. One (1) member shall be the chairman of the small coal operators advisory council as established pursuant to KRS 350.260. The other six (6) members of the commission shall be appointed by the Governor as follows:

Except for the cabinet representative, members of the commission shall also be reimbursed for actual and necessary expenses directly related to meetings of the commission.

(7) If a member of the commission fails to attend four (4) consecutive meetings, the position shall be considered to be vacated, and the governor, after receiving notice of the vacancy from the commission, shall immediately appoint a qualified person to serve the remainder of the term.

Section 2. KRS 350.130 is amended to read as follows:

(1) When any of the requirements of this chapter or administrative regulations adopted pursuant thereto or the orders of the cabinet have not been complied with, the cabinet shall forthwith cause a notice of noncompliance to be issued upon the person or operator. The cabinet shall set forth in its notice a reasonable time period but not more than ninety (90) days for the abatement of the violation. If any person or operator has not abated the violation within the time prescribed in the notice of noncompliance, the secretary or other authorized personnel of the cabinet shall issue to ***the*** [~~said~~] operator or person an order for immediate compliance and cessation of any mining activities or operations which are contributing to the violation. ***The*** [~~Such~~] order shall require the person or operator to abate the violation in the most expeditious manner possible. The secretary is authorized to promulgate reasonable administrative regulations for the implementation of this section. ***The*** [~~Such~~] notice or order shall be handed to the person in charge of the operation, and the operator or person engaged in coal exploration operations or sent by certified mail, return receipt requested, addressed to the permanent address shown on the application for a permit or if no address is shown on the application, then

to the address known to the cabinet. The notice of noncompliance or order for immediate compliance and cessation shall specify in what respects the person or operator has failed to comply with this chapter or the regulations or orders of the cabinet and the remedial action required, the period of time established for abatement, and a reasonable description of the portion of the surface coal mining and reclamation operation to which the notice or order applies. If the person or operator has not reached an agreement with the cabinet or has not complied with the requirements set forth in the notice of noncompliance or order for immediate compliance and cessation within time limits set therein, the permit may be revoked or the operation terminated, after an opportunity for a hearing, by order of the cabinet and the performance bond, if any, shall then be forfeited to the cabinet, [~~except as provided in subsection (2) of this section,~~] provided that failure to attend a hearing shall be excused for good cause shown. Any bonding company or financial institution providing bond to the cabinet shall have the right to perform those measures necessary to secure bond releases if ***the*** [~~said~~] bonding company or financial institution can demonstrate that it has the ability to perform ***the*** [~~said~~] measures and will undertake to do so within a reasonable time frame. Neither the surety company nor the financial institution may employ anyone to perform ***the*** [~~said~~] measures who has been barred from mining pursuant to the provisions of this chapter.

(2) When a bond is forfeited consistent with the provisions of this chapter, the cabinet shall forfeit the entire amount of the bond for the permit area or increment.

(3) An operator or person whose mining permit or operation has been revoked, suspended, or terminated or is at the time of the application in violation of this chapter or other applicable requirements as set forth in KRS 350.085 shall not be eligible to receive another permit or begin another operation or to have suspended permits or operations reinstated until he shall have complied with all the requirements of this chapter or submitted proof satisfactory to the cabinet under KRS 350.085 that ***the*** [~~such~~] violation has been corrected or is in the process of being corrected in respect to all permits issued him, provided, further, that no operator or person shall be eligible to receive another permit or begin another operation who has forfeited any bond unless the land for which the bond was forfeited has been reclaimed without cost to the state or the operator or person has paid such sum as the cabinet finds is adequate to reclaim ***the*** [~~such~~] lands. The cabinet shall not issue any permits to or allow future operations by any operator or person who has demonstrated a pattern of willful violations of this chapter of such nature and duration with such resulting irreparable damage to the environment as to indicate an intent not to comply with the provisions of this chapter, provided that no permit shall be denied on this basis without an opportunity for a hearing. The secretary shall promulgate regulations which implement this section. For the purposes of this section, if a corporate permittee has demonstrated a pattern of willful violations, then any subsequent application for a permit by that corporation, or any person who controls or has controlled that corporation, shall be denied.

(4) In the exercise of the secretary's enforcement powers and authority under this chapter, the secretary, or an authorized representative of the cabinet, after inspection shall immediately order the cessation of ***a*** [~~such~~] condition or operation when he determines that the condition or operation creates an imminent danger to the health or safety of the public or that the condition or operation is causing or can reasonably be expected to cause significant imminent environmental harm in violation of this chapter or the regulations pursuant to this chapter, or any permit condition. For purposes of this subsection, "imminent danger to the health and safety of the public" means the existence of any condition or practice, or any violation of a permit or other requirement of this chapter in a surface coal mining and reclamation operation, which condition, practice, or violation could reasonably be expected to cause substantial physical harm to persons outside the permit area before ***the*** [~~such~~] condition, practice, or violation can be abated. A reasonable expectation of death or serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not expose himself or herself to the danger during the time necessary for abatement.

(5) Each provision of this section shall be interpreted and applied consistently with due process of law.

(6) The secretary, or authorized representatives of the cabinet, shall have the power to vacate, amend, modify, or terminate notices of noncompliance and cessation orders, pursuant to administrative regulations promulgated by the cabinet.

Section 3. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided in this chapter, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for the violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which the violation continues, and in addition, may be enjoined from continuing the violations provided in this section. Any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period

prescribed for the abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which the violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of the method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. The penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's Department of Law. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the State Treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who engages in other mining operations, without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing the violations. Each day shall constitute a separate violation. In addition to the foregoing penalties, any person or operator who fails to abate a violation of KRS 350.060 or KRS 350.029 or KRS 350.057, as noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for the abatement, shall be assessed an additional civil penalty of not less than seven hundred and fifty dollars ($750) for each day during which the violation continues. However, the penalties provided in subsection (1) of this section shall apply in lieu of the penalties provided in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) The cabinet's Department of Law shall bring an action for the recovery of penalties and bring an action for a restraining order, temporary or permanent injunction, against any operator or person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any person who knowingly and willfully violates any of the provisions of this chapter, except as provided in subsection (5) of this section, or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which the violation occurs may constitute a separate offense.

(5) (a) Any person who, in violation of KRS 350.060(1)(a) willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in other mining operations without proper authorization as required by this chapter or administrative regulations promulgated pursuant thereto, with the intent to violate the laws, shall be guilty of a Class D felony and upon conviction shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(b) Any person who in violation of KRS 350.060(1)(b) willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers, or in any way derives benefit from coal removed from any surface mining operations conducted in violation of KRS 350.060(1)(a) or 350.057 shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who willfully and knowingly resists, prevents, impedes, or interferes with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) When a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of the corporation who willfully and knowingly authorized, ordered, or carried out the violation, failure, or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

(11) The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet Division of Abandoned Lands shall have the authority to approve proposed in-kind projects and to recommend projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet may prepare and promulgate administrative regulations as are necessary to implement and administer the provisions of this subsection.

(1) Lands and water eligible for reclamation or drainage abatement expenditures under the abandoned mine lands program are those which were mined for coal or which were affected by ***coal*** [~~such~~] mining, wastebanks, coal processing, or other coal mining processes, and were abandoned or left in an inadequate reclamation status prior to August 3, 1977, and for which there is no continuing reclamation responsibility under the provisions of this chapter.

(2) If the cabinet determines that the reclamation priority, under the priorities of KRS 350.555(1) and (2), of a site is the same or more urgent than the priority of sites under subsection (1) of this section, the following sites shall also be eligible for reclamation or drainage abatement expenditures:

(a) Unreclaimed sites which were mined for coal or which were affected by coal mining, waste banks, coal processing, or other mining processes and left in an inadequate reclamation status during the period beginning August 4, 1977 and ending May 18, 1982, for which the bond, or other form of financial guarantee, was insufficient to provide adequate reclamation or abatement of the site; or

(b) Unreclaimed sites which were mined for coal or which were affected by coal mining, waste banks, coal processing, or other coal mining processes and left in an inadequate reclamation status during the period beginning on August 4, 1977 and ending on or before November 5, 1990, where the surety for the permittee became insolvent during the period, and as of November 5, 1990, funds immediately available from proceedings relating to the insolvency, or from other sources have been insufficient to provide for adequate reclamation and abatement at the site.

(3) Sites under subsection (2) in the immediate vicinity of a residential area or which have an adverse economic impact upon a local community shall be given priority.

(4) Up to thirty percent (30%) of the funds allocated to the Commonwealth through annual grants from the Secretary of the Interior may be expended for the purposes of protecting, repairing, replacing, constructing, or enhancing facilities relating to water supply, including water distribution facilities and treatment plants, to replace water supplies adversely affected by coal mining practices. If the adverse effect on water supplies referred to in this subsection occurred both prior to and after August 3, 1977, subsection (1) and (2), above, shall not be construed to prohibit use of funds for the purposes of this subsection, if the adverse effects occurred predominantly prior to August 3, 1977.

(5) Where the Governor has made a certification under Section 3 of this Act and the Secretary of the Interior has concurred in the certification, the reclamation categories of subsection (2) of Section 3 of this Act shall take effect, supplanting the categories of subsections (1), (2), and (4) above.

SECTION 3. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) The Governor may certify to the Secretary of the Interior that all of the priorities stated in Section 403(a) of P.L. 95-87 and KRS 350.555 for eligible lands and waters pursuant to Section 404 of P.L. 95-87 and KRS 350.560(1), (2), and (3) have been achieved.

(2) If the Secretary of the Interior concurs with the Governor's certification under subsection (1), for purposes of determining the eligibility of lands and waters for annual grants under KRS 350.550(3), KRS 350.560(1), (2), and (3) shall not apply. Rather, eligible lands, waters, and facilities shall be those:

(a) Which were mined or processed for minerals or which were affected by the mining or processing, and abandoned or left in inadequate reclamation status prior to August 3, 1977; and

(b) For which there is no continuing responsibility under state or other federal laws.

(3) Expenditures of moneys for lands, waters, and facilities referred to in subsection (2), above, shall reflect the following objectives and priorities in the order stated, in lieu of the priorities stated in KRS 350.555:

Section 9601 et seq.) shall not be eligible for expenditures from the fund under this section.

(5) Reclamation projects involving the protection, repair, replacement, construction, or enhancement of utilities such as those relating to water supply, roads, or other facilities serving the public adversely affected by mineral mining and processing, and the construction of public facilities in communities impacted by coal or other mineral mining and processing practices, shall be deemed part of the objectives set forth, and undertaken as they relate to, the priorities stated in subsection (3) above.

(6) Notwithstanding subsection (5), above, if the Secretary of the Interior has concurred in the certification referenced in subsection (1), above, and the Governor determines that there is a need for activities or construction of specific public facilities related to the coal or minerals industry and if the Secretary of the Interior concurs in the need, then the Commonwealth of Kentucky may use annual grants made available under KRS 350.550(3) to carry out the activities or construction.

(7) The provisions of KRS 350.570 and KRS 350.575 shall apply to subsections (1) through (5) of this section, except that for purposes of this section, the references to coal in KRS 350.570 and KRS 350.575 shall not apply.

HB 861, AN ACT relating to the Kentucky Information Systems Commission.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 61.940 to 61.957 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds and declares that:

(1) Information and information resources residing in the various agencies of state government are strategic assets belonging to the people of Kentucky that must be managed as valuable state resources;

(2) Technological and theoretical advances in information use are recent in origin, immense in scope and complexity, and ongoing at a rapid rate;

(3) The nature of technological and theoretical advances presents Kentucky with the opportunity to provide higher quality, more timely, and more cost-effective government services;

(4) The danger exists that state agencies could independently acquire uncoordinated and duplicative information resources and information technologies that are more appropriately acquired as part of a coordinated effort for maximum cost-effectiveness and use;

(5) The sharing of information resources and technologies among state agencies is the most cost-effective method of providing the highest quality and most timely government services that would otherwise be cost prohibitive;

(6) Considerations of cost and the need for the transfer of information among agencies of state government in the most timely and useful form possible require a uniform policy and coordinated approach for the use and acquisition of information resources and technologies; and

(7) It is the policy of the Commonwealth of Kentucky to coordinate and direct the use of information resources and technologies to provide the most cost-effective and useful retrieval of information by its elected and appointed officials.

(8) To effect the implementation of this Act, all budget units which receive appropriations for the fiscal years 1992 to 1994 biennium shall submit to the Kentucky Information Systems Commission by January, 1993, a five (5) year strategic information resources management plan as provided in KRS 61.950. From these plans, the commission shall formulate a five (5) year statewide information resources plan pursuant to KRS 61.950, by September 15, 1993. Thereafter, budget units shall submit any modifications to their respective plans by January of odd-numbered years, and the commission shall update the statewide plan by September 15 of odd-numbered years.

Each manufacturer or distributor shall pay reasonable compensation to any authorized dealer who performs work to repair [~~such~~] defects, or to repair any damage to the manufacturer's or distributor's product sustained while the product is in transit to the dealer, when the carrier or the means of transportation is designated by the manufacturer or distributor. Each manufacturer or distributor shall provide to its dealers with each model year a schedule of time allowances for the performance of warranty repair work and services, which shall include time allowances for the diagnosis and performance of warranty work and service time, and shall be reasonable and adequate for the work to be performed.

(2) In the determination of what constitutes "reasonable compensation" under this section, the principal factor to be considered shall be the amount of money ***that*** [~~which~~] the dealer is charging its other customers for the same type service or repair work. [~~However,~~] Other factors ***may be considered including:*** [~~such as~~] the compensation being paid by other manufacturers or distributors to their dealers for [~~such~~] work; and the prevailing amount of money being paid or charged by the dealers in the city or community in which the authorized dealer is doing business [~~may be considered~~]. "Reasonable compensation" ***shall include*** [~~comprehends~~], diagnosing the defect; [~~,~~] repair service; [~~,~~] labor; [~~,~~] parts and administrative and clerical costs. ***The*** [~~, and in no event shall such~~] compensation of a dealer ***shall not*** be less than the amount charged by ***the*** [~~such~~] dealer for like services and parts, ***which*** [~~(~~]minimum compensation for parts shall be dealer cost plus thirty percent (30%) gross profit; [~~)~~] to retail customers for non-warranty service and repairs, or less than the amounts indicated for [~~such~~] work on the schedule of warranty compensation required to be filed by the manufacturer with the ***commission*** [~~department~~] as a part of the manufacturer's license application by KRS 190.030.

(3) A manufacturer or distributor shall not require unreasonable proof to establish "reasonable compensation" or delay reimbursement of payment to the dealer beyond thirty-five (35) days from the submission by mail of a valid warranty claim. If a valid warranty claim is not paid within forty-five (45) days, the dealer may give the manufacturer one (1) copy of the dealer's related repair order bearing the customer's signature, the dealer's signature, the date the work was completed, the vehicle serial number or identification number, the odometer reading, the date of delivery of the vehicle, a list of the parts and supplies used if applicable, a brief general description of the defect, and the amount of money charged the manufacturer or distributor for the work. If, after fifteen (15) days, the valid warranty claim is still not paid, the dealer may deduct a like amount from any moneys due or owing to the manufacturer or distributor. The dealer ***shall*** [~~must~~] hold the defective part [~~or parts~~] for inspection by the manufacturer or distributor for a period of time not to exceed ninety (90) days from the time the warranty claim is submitted. The manufacturer or distributor shall not unfairly discriminate against any dealer in the application of warranty, policy, and procedure or deny any valid warranty order claim submitted by a franchised dealer within thirty (30) days from completion of the work or longer if existing manufacturer-dealer relationships apply. Upon the written request of the dealer for valid reasons, the manufacturer ***shall*** [~~will~~] extend the submission time. Any dispute between the dealer and the manufacturer or distributor shall be subject to the provisions of KRS 190.057.

HB 611, AN ACT relating to automobile insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.20-045 is amended to read as follows:

(1) No insurer shall increase the premium on***, or refuse to renew,*** an automobile [~~liability~~] insurance policy solely as a result of a claim ***made against any of the coverages provided by the policy*** [~~for an automobile accident filed by an insured~~] if the insured was not at fault nor contributorily negligent.

(2) An insured may notify in writing the commissioner of insurance if the insured believes that an insurer has increased his premium ***or refused to renew his policy*** in violation of subsection (1) of this section. The commissioner shall investigate the complaint, take appropriate action, and send written notice of his actions to the insured.

Section 2. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

(a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1500) pounds or less which is not used in the occupation, profession, or business of the insured.[~~; provided, however, that~~] This section shall not apply:

a. To any policy issued under an automobile assigned risk plan;

b. To any policy insuring more than four (4) automobiles; or

c. To any policy covering garage, automobile sales agency, repair shop, service station, or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term.[~~; provided, however, that~~] Any policy with a policy period or term of less than three (3) months shall***,*** for the purpose of this section***,*** be considered as if written for a policy period or term of three (3) months. [~~Provided, further, that~~] Any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall***,*** for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and ***the*** [~~such~~] policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to ***the*** [~~such~~] anniversary date, and ***the*** [~~such~~] cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of ***the*** [~~such~~] premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation. ***If*** [~~; provided, however, that where~~] cancellation is for nonpayment of premium, at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured ***or for the reason provided in Section 1 of this Act.***

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of ***the*** [~~such~~] renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date, unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is handicapped or a physically disabled person, so long as the handicap or physical disability does not substantially impair the person's mechanically assisted driving ability.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. ***The*** [~~Such~~] notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. ***The*** [~~Such~~] notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving ***the*** [~~such~~] a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b).

(11) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12) Except where the maximum limits of coverage have been purchased, every notice of first renewal shall include a provision or be accompanied by a notice stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.

(13) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employees, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

All moneys remaining in this fund at the end of the fiscal year, and deposited thereafter, including earnings from their investment, shall be deemed a trust and agency account, shall not lapse, and shall be continuously appropriated only for the purposes specified in this section.

(2) Benefits provided under this section include, but are not limited to, hospitalization, surgical care, and major medical care for state employees and their dependents.

(3) The contributions made to the benefit fund may be paid:

(a) Wholly from funds contributed by the covered employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by the state or department, board, or agency; or

(c) Partly from each, except that any amount due over that contributed by the state or department, board, or agency for coverage shall be paid by the employee.

(4) No contribution by the state or department, board, or agency shall constitute compensation to an insured employee for purposes of any statute fixing or limiting the compensation of such employee. Any expense incurred by the state or department, board, or agency shall be considered a proper cost of administration.

(5) The self-funded plan may contain provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the Department of Personnel may approve.

(6) Group rates under the health care coverage provided under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(7) Benefits payable under the self-funded plan shall be paid directly to the hospital or person rendering covered services if the plan has received an assignment of benefits to the hospital or person rendering covered services that is in writing and signed by the insured employee. The policy or policies shall be approved by the commissioner of insurance and may contain such provisions as he approves, whether or not otherwise permitted by the insurance laws. HB 859, AN ACT relating to banking.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 136.270 is amended to read as follows:

(1) For calendar year 1984 and each year thereafter, an annual tax of ninety-five cents ($0.95) is hereby imposed on each one hundred dollars ($100) of the taxable fair cash value of shares, except shares of bankers' banks organized under KRS 287.135, as determined in accordance with subsection (4) of this section. The tax shall be paid to the sheriff of the county annually by the banks and trust companies, for and on behalf of the owners of the shares of stock. The tax shall be for state purposes only, and in lieu of all other taxes upon such shares by the state, or any county, city, or other taxing district, except as provided in subsections (2) and (3) of this section.

(2) The county in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of shares of such bank or trust company, except shares of bankers' banks organized under KRS 287.135, at a rate not to exceed a rate to be determined by multiplying nineteen cents ($0.19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the county and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the county.

(3) The city in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of the shares of such bank or trust company, except shares of bankers' banks organized under KRS 287.135, at a rate not to exceed a rate to be determined by multiplying nineteen cents ($0.19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the city and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the city.

(4) For calendar year 1984 and each year thereafter, the fair cash value and taxable fair cash value of shares shall be determined in the following manner:

(a) The net worth (capital stock, surplus, undivided profits, and reserves for contingencies and other capital reserves) of the bank or trust company as of December 31 of each year shall be determined***; provided that increases in capital accounts attributable to purchase accounting adjustments computed in accordance with generally accepted accounting principles shall be excluded in making the determination***.

(b) The net income (***adjusted to eliminate any income or expenses associated with the purchase accounting adjustments referred to in paragraph (a) of this subsection and*** after federal income taxes and before dividends) of the bank or trust company for the past five (5) years, or so many years in which there was net income (not to exceed five (5)) as are available, preceding the assessment date, shall be averaged and capitalized at a rate determined by the Revenue Cabinet.

(c) On or before September 1 of each year, the Revenue Cabinet shall provide to the banking industry the capitalization rate developed from the previous year's annual reports of banks and trust companies submitted to the cabinet. The rate shall be determined as follows:

1. Determine the ratio of each bank's five (5) year average net income to the previous year's net worth;

2. Rank the resulting ratios; and

3. The medium ratio shall be the capitalization rate.

(d) The results of the computation in paragraphs (a) and (b) of this subsection shall be added and the sum divided by two (2) to determine fair cash value. From fair cash value shall be subtracted the influence of tax-exempt United States obligations to determine taxable fair cash value of shares subject to the annual tax. The influence of tax-exempt United States obligations is to be determined from the reports of condition and income filed with the applicable supervisory agency as follows: the average amount of tax-exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by the fair cash value.

(5) In any extraordinary case where application of the formula provided by subsection (4) of this section will result in an inequitable or erroneous assessment, either with respect to the bank or the Commonwealth, the fair cash value and taxable fair cash value of shares shall be determined in accordance with other recognized criteria.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Members who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for ***the*** [~~such~~] service performed after January 1, 1960, ***if*** [~~provided~~] the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on ***a calendar*** [~~an annual~~] or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4). ***Any non-certified employee*** [~~Teacher aides, secretaries, custodial personnel, and cafeteria employees~~] of a school ***board*** [~~district~~] may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on ***a calendar*** [~~an annual~~] or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4) [~~The minimum increment payment shall be for a full year of service unless there is a fraction remaining after all full years have been paid for~~].

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, ***shall*** [~~will~~] have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved educational leave by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; [~~or~~] may have the installment purchase recalculated to add one (1) or more additional service purchases***;*** or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments ***shall*** [~~will~~] be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, terminates employment, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have ***sixty (60)*** [~~thirty (30)~~] days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments***,*** or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under subsection ***(16)***[~~(15)~~](e) or (f) of this section and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(a)(5) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months service or, if younger, who has sixty (60) months service may purchase credit in the Kentucky Employees Retirement System for up to ten (10) years service that was credited to a state administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) Any employee participating in the County Employees Retirement System and determined to be in a hazardous position, who has sixty (60) or more months of service, may purchase credit in the County Employees Retirement System for up to ten (10) years of service that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible under subsection (16)(h) of this section and to the extent permitted by other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(3) Any National Guard technician involuntarily serving on active military duty during the period between January 26, 1968, and January 1, 1970, who completes his eight (8) years service while on military duty during this period, shall have that portion of his ***active military duty*** [~~service~~], necessary to the completion of eight (8) years current service, credited to his account, as current service without having to meet the reemployment criteria.

(4) Any employee eligible for retirement as prescribed in KRS 61.559 or any employee upon completion of five (5) years of service shall receive current service credit for a maximum of four (4) years for his period of ***active military duty*** [~~service~~] in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with ***the*** [~~such~~] service under subsections (1) to (3) of this section ***if*** [~~provided~~] he pays thirty-five percent (35%) of the cost of ***the*** [~~such~~] service based on the formula adopted by the board. The payment by the member shall not be picked up by the employer, as described in subsection (4) of KRS 61.560, and shall be deposited to his individual member's account. The remaining sixty-five percent (65%)

shall be paid by the state from funds appropriated specifically for ***the*** [~~such~~] purpose and these payments shall be deposited to the respective retirement allowance accounts. If no funds are available in the special appropriation account, the ***system*** [~~board~~] shall not accept employee payments until [~~such time as~~] funds are available in the account.

(5) A member eligible to purchase military service credit under subsection (4) of this section shall receive current service credit for ***active*** military ***duty*** [~~service~~] as provided under subsection (4) of this section without payment of the current employee contribution ratio if ***the*** [~~such~~] member was taken prisoner by a hostile power at any time during active military service.

(6) Any member age sixty-five (65) or older who has forty-eight (48) months of service, at least twelve (12) of which are current service, or any other member who has sixty (60) months of service, at least twelve (12) of which are current service (or his beneficiary if the member dies prior to retirement) shall receive current service for a maximum of four (4) years for his period of ***active military duty*** [~~service~~] in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with ***the*** [~~such~~] service under subsections (1) to (4) of this section, by paying the retirement system a delayed contribution payment as defined in subsection (22) of KRS 61.510. Payment shall be by lump sum, except that members may pay by increments. [~~The minimum increment payment shall be for a full year of service unless there is a fraction remaining after all full years have been paid for.~~] The delayed contribution payment shall not be picked up, as described in subsection (4) of KRS 61.560, by the employer and shall be deposited to the individual member's account.

(7) Effective July 1, 1978, no veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for such pension in the future; ***but***[~~, provided that~~] nothing in this section shall prohibit ***the*** [~~such~~] purchase of credit ***if*** [~~where~~] the military pension results from service primarily on inactive duty in a reserve component of the armed forces, or ***if*** [~~where~~] the military pension is a disability pension, or is for a veteran sixty-five (65) years of age or older who is considered permanently and totally disabled. Any veteran receiving a military disability pension who retired prior to July 15, 1986, who was unable to purchase military service credit pursuant to subsection (4) or subsection (6) of this section, may make the payment required by subsection (4) or subsection (6), and his retirement benefits shall be recalculated to apply to all retirement allowances and insurance benefits received after the date of the payment. Retiree payments pursuant to subsection (4) of this section shall not be accepted unless matching state funds are available in the special appropriation account.

Section 23. KRS 61.557 is amended to read as follows:

(1) Inasmuch as the takeover of the Kentucky State Employment Service by the federal government, through its United States Employment Service and War Manpower Commission, was recognized by both federal and state governments as a temporary measure during the war emergency, and the [~~said~~] employment service was, in fact, returned to the state government at the close of the emergency period, the employees of ***the*** [~~said~~] service are recognized as employees of the Commonwealth for the purposes of KRS 61.510 to 61.692 during the period of control by the federal government, ***in*** [~~just~~] the same ***manner*** as if they had been employed in another department of the government of the Commonwealth during that period.

(2) ***If*** [~~Should~~] a parted employer ***rejoins*** [~~rejoin~~] a department as a result of the cancellation of a contract or lease arrangement, thereby causing each employee thereof to again become an employee as defined in KRS 61.510(5), the ***system may*** [~~board is hereby authorized to~~] negotiate with the publicly held corporation or other similar organizations for payment for the years of service credit under the system for all employees working on the date the contract or other lease arrangement is cancelled in order to avoid an impairment in the retirement benefits of ***the*** [~~said~~] employees, ***if*** [~~provided~~] any payment accepted by the ***system*** [~~board~~] for ***the*** [~~such~~] service is based on a formula consistent with the provisions of KRS 61.552(7). No payment made pursuant to this section shall be picked up by the employer, as described in KRS 61.560(4).

Section 24. KRS 61.565 is amended to read as follows:

(1) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, [~~and~~] each employer participating in the County Employees Retirement System as provided for in KRS 78.520 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.515 to 61.705 shall contribute annually to the respective retirement system an amount equal to the percent, as computed under subsection (2) of this section, of the creditable compensation of its employees[~~, including the assumed creditable compensation of firefighters employed by a district created pursuant to KRS 75.010,~~] to be known as the "normal contributions," and an additional amount to be known as the "past service contribution" which shall be computed by amortizing the total unfunded past service liability over a period of thirty (30) years using the level-percentage-of-payroll method. This method shall be used beginning with the 1990 actuarial valuation. The initial thirty (30) year amortization period shall

begin with the 1990 valuation. Any significant increase in past service liability due to benefit improvements after the 1990 valuation shall be amortized using the level-percentage-of-payroll amortization method over a separate thirty (30) year period commencing in the year of the actuarial valuation in which the benefit improvements are first reflected.

(2) The normal contribution rate shall be determined by the entry age normal cost funding method. The past service liability shall be determined by actuarial method consistent with the methods prescribed for determining the normal contribution rate. Normal contributions and the past service liability contribution shall be determined on actuarial bases adopted by the board.

(3) Normal contribution and the past service contribution rates shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium. The board may amend contribution rates as of July 1 of the second year of a biennium, if it is determined on the basis of a subsequent actuarial valuation that amended contribution rates are necessary to satisfy the requirements of subsections (1) and (2) of this section.

(4) The ***system*** [~~board~~] shall advise each employer prior to the beginning of each biennium, or prior to July 1 of the second year of a biennium, of any change in the employer contribution rate. Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under subsections (1) to (3) of this section.

Section 25. KRS 61.569 is amended to read as follows:

(1) A reinstated employee who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission shall tender to the ***system*** [~~retirement board~~] the member contribution he would have paid on the creditable compensation he would have earned as defined under KRS 18A.105 had he not been dismissed. The employer shall pay the employer contributions as defined under KRS 18A.105 on the member's creditable compensation.

(2) No service credit shall be allowed for any time that the member contributions are not paid.

Section 26. KRS 61.580 is amended to read as follows:

The retirement allowance account shall be the account in which shall be accumulated all employer contributions ***and***[~~,~~] amounts transferred from the members' contribution account, and to which all income from the invested assets of the system shall be credited. From this account shall be paid the expenses of the ***system and the*** board ***incurred*** in ***administration of*** [~~administering~~] the system, retirement allowances, and any other benefits payable after a member's retirement and from this account shall be transferred to the members' contribution account the interest credited annually to each member's individual account as provided by KRS 61.575.

Section 27. KRS 61.590 is amended to read as follows:

(1) A member or beneficiary eligible to receive retirement benefits under any of the provisions of KRS 61.510 to 61.705, 78.510 to 78.852 and 16.510 to 16.652 shall ***have on*** file ***at the retirement office*** [~~with the board~~] on the form prescribed by the board, notification of retirement, giving his name, address, Social Security number, last day of employment and [~~such~~] other information [~~as~~] the ***system*** [~~board~~] may require.

(2) Within ten (10) days of the receipt of the notification of retirement form, the ***system*** [~~board~~] shall cause to be prepared an estimate of the amounts the member or beneficiary may expect to receive under the various plans available to the member or beneficiary. This information shall be recorded on a form entitled[~~,~~] "Estimated Retirement Allowance"[~~,~~] and forwarded to the member or beneficiary.

(3) The member or beneficiary shall ***file at the retirement office*** [~~return~~] the form entitled[~~,~~] "Estimated Retirement Allowance"[~~, to the retirement office~~] after he has checked the plan of his choice, signed the document and had his signature witnessed. A member or beneficiary may not select a different plan after the first retirement allowance payment has been ***issued*** [~~drawn~~] by the State Treasurer.

(4) A member or beneficiary choosing a monthly payment plan shall ***have on*** file ***at the retirement office*** his birth certificate or other acceptable evidence of date of birth. ***If*** [~~In the event~~] a survivorship plan is chosen, proof of dates of birth of the beneficiary and member shall be ***on file at the retirement office*** [~~filed~~].

(5) The effective date of normal retirement shall be the first month following the month in which employment was terminated from a regular full-time position. The effective date of disability retirement

shall be the first month following the month in which the member's last day of paid employment occurred. The effective date of early retirement shall be the first month following the month the notification of retirement form is filed ***at*** [~~with~~] the retirement office, ***if*** [~~provided~~] employment has been terminated.

(6) The effective date of a deferred retirement option as provided under KRS 16.576(6) shall be the month following age sixty-five (65), or the month following written notification from the member that he wishes to begin receiving retirement payments. In the event of the death of a member who has deferred his retirement allowance, the effective date of retirement shall be the month following the member's death.

(7) Notwithstanding the provisions of KRS 16.578 or 61.640, the effective date of a beneficiary's retirement allowance under normal, early, or disability retirement shall be as prescribed in subsection (5) or (6) of this section ***if*** [~~should~~] the member ***dies*** [~~die~~] before the first retirement allowance has been ***issued*** [~~drawn~~] by the State Treasurer and his beneficiary ***becomes*** [~~be~~] eligible for payments under KRS 16.578 or 61.640.

Section 28. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, (including the positions of probation and parole officer[~~,~~] and Commonwealth detective), active fire suppression or prevention, or other positions, including but not limited to pilots of the Transportation Cabinet, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. Hazardous positions shall include positions in the Corrections Cabinet in state correctional institutions and the Kentucky Correctional Psychiatric Center with duties that regularly and routinely require face-to-face contact with inmates.

(2) Each employer may request ***of the board*** hazardous duty coverage for those positions as defined in subsection (1) of this section, but a county, narrowly defined as one (1) of Kentucky's one hundred and twenty (120) counties, the provisions of KRS 78.510(3) notwithstanding, shall request hazardous duty coverage for its full-time paid firefighters. Upon request, each employer shall certify to the ***system,*** [~~board~~] in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The ***system*** [~~board~~] shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee determined by the ***system*** [~~board~~] to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the ***system*** [~~board~~] to be working in a hazardous position at the employer contribution rate as determined by the board. The rate ***shall*** [~~will~~] be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) ***If*** [~~In the event~~] the employer participated in the system prior to electing hazardous duty coverage, ***the*** [~~then said~~] employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of thirty (30) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. ***If*** [~~Should~~] the employer ***elects*** [~~elect~~] not to make the additional payment, [~~then~~] the employee may make the lump-sum payment in his own behalf or may pay ***by*** [~~in his own behalf in~~] increments [~~by payroll deduction each pay period prior to his retirement~~]. Payments made by the employee under this subsection shall not be picked up, as described in KRS 61.560(4), by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, [~~and~~] other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

(5) Any person employed in a hazardous position after July 1, 1972, shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the ***system*** [~~board~~] upon request.

(6) ***If*** [~~In the event of~~] doubt ***exists*** regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under KRS 61.515 to 61.705, or 78.520 to 78.852, or 16.510 to 16.652.

Section 29. KRS 61.595 is amended to read as follows:

(1) Effective July 1, 1990, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) for the County Employees Retirement System and one and ninety-seven hundredths percent (1.97%) for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the General Assembly;

(b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;

(c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars ($240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the ***system*** [~~board~~], except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any [~~such~~] member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service but a member of the Kentucky Employees Retirement System or the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education may count the vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. The credit from a Kentucky institution of higher education shall not be used[~~, however,~~] to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

Section 30. KRS 61.600 is amended to read as follows:

(1) ***Any person may qualify to retire on disability, subject to the following conditions:***

Notwithstanding any other provisions of KRS 16.505 to 16.652, 61.510 to 61.705 or 78.510 to 78.852, a maximum disability benefit is hereby established which shall apply, upon disability retirement, to any disabled employee's account to which service credit is added to determine disability benefits or in any case where disability benefits are determined by computing a percentage of the disabled employee's final monthly rate of pay. The maximum disability benefit shall be determined by the following formula:

(1) Add the monthly benefit payable to the disabled employee from the retirement system, using the monthly disability retirement allowance (not optional plan) but excluding dependent children's allowances, if any, to his monthly benefit, if any, from Social Security, even though these payments may not begin for a period of time as required for qualification under the federal Social Security law, excluding spouse or dependent benefits, and his monthly benefit, if any, from workers' compensation, even though these payments may not have begun as of the date the disabled member applies for disability retirement benefits, excluding spouse or dependent children's allowances, from workers' compensation, to arrive at a projected combined monthly benefit.

(2) If the projected combined monthly benefit exceeds one hundred percent (100%) of the disabled employee's final rate of pay or his final compensation, whichever is greater, his disability retirement allowance from the retirement system shall be reduced to an amount which would cause his projected combined monthly benefit to equal one hundred percent (100%) of his final rate of pay or his final compensation, whichever is greater; however, the disability retirement allowance shall not be reduced below an amount which would result from a computation of his disability retirement allowance from the retirement system using the disabled employee's actual total service.

(3) The ***system may*** [~~board is hereby authorized to~~] pay estimated benefits to a disabled employee, upon qualification for disability retirement, based on an estimate of his Social Security and workers' compensation benefits until ***the*** [~~such~~] amouns are actually determined, at which time a final calculation of the member's actual benefits shall be determined and his account corrected retroactive to his effective retirement date.

(4) Any increase in Social Security benefits or workers' compensation benefits which becomes law, regardless of their effective date, subsequent to the disabled employee's effective retirement date, shall not be considered in determination of the maximum benefit payable, as the maximum benefit payable is based on the amount of combined benefits under these programs as of the disabled employee's effective retirement date.

(5) Any disabled recipient whose potential payments from the system ***were*** [~~where~~] reduced as provided for in this section shall advise the ***system*** [~~board~~] if his payments under the federal Social Security Act or Workers' Compensation Act cease at any time subsequent to his effective retirement date. Upon investigation, ***if*** [~~should~~] the ***system determines*** [~~board determine~~] that ***the*** [~~such~~] disabled recipient continues to be eligible for disability benefits, the ***system*** [~~board~~] may increase his retirement allowance by adding to his payment an amount equal to the reduction applied upon the effective retirement date in accordance with subsection (2) of this section.

Section 32. KRS 61.610 is amended to read as follows:

(1) Once each year following the retirement of a member on a disability retirement allowance, the ***system*** [~~board~~] may require ***the*** [~~such~~] person, prior to his normal retirement date, to undergo a ***financial and*** medical ***staff review and, if necessary, be required to submit current medical information*** [~~examination~~]. ***If*** [~~Should~~] he ***refuses*** [~~refuse~~] to submit to ***a*** [~~any such~~] medical examination, his retirement allowance shall be discontinued until his withdrawal of [~~such~~] refusal, and ***if the*** [~~should such~~] refusal ***continues*** [~~continue~~] for one (1) year, all his rights to any further disability allowance shall cease.

(2) Disability retirees whose effective retirement date is August 1, 1988, or thereafter shall undergo an annual financial and medical staff review and, if necessary, be required to submit current medical information.

(1) ***If a*** [~~Whenever the~~] recipient of a disability retirement allowance is, prior to his normal retirement date, ***employed in a position with the same or similar duties as the position from which he was disabled*** [~~engaged in gainful occupation~~], the board [~~at its discretion~~] may reduce ***the*** [~~such~~] retirement allowance. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the ***system*** [~~board~~] of ***any*** [~~such~~] employment, otherwise, the ***system*** [~~board~~] shall have the right to recover payments made during ***the*** [~~such~~] employment.

(2) ***If*** [~~Should~~] it ***is*** [~~be~~] determined that any disabled recipient is able to ***be employed in a position with the same or similar duties as the position from which he was disabled*** [~~engage in gainful occupation~~], and ***if*** [~~should~~] the board ***finds*** [~~find~~] that ***the*** [~~such~~] person [~~shall have~~] refused any employment considered

by the board suitable to his capacity, he shall not be entitled to any [~~such~~] allowance during the continuance of ***his*** [~~such~~] refusal, unless in the opinion of the board ***his*** [~~such~~] refusal was justified.

(3) The ***system*** [~~board~~] shall have full power and exclusive authority to reduce or discontinue a disability retirement allowance and the ***system*** [~~board~~] shall utilize procedures consistent with KRS 61.665, including services of an examiner***,*** in determining the amount of reduction in retirement allowance under this section.

(a) The member may not change his beneficiary or payment option;

(b) If the member has returned to employment with an employer participating in the system from which he retired, the service and creditable compensation shall be used in recomputing his benefit, except that the member's final compensation shall not be less than the final compensation last used in determining his retirement allowance;

(c) The benefit shall be reduced as provided by KRS 61.595(2) and further reduced by the actuarial value of the total amount of the disability retirement allowances he has received prior to reduction or discontinuation;

(d) The member shall remain eligible for reinstatement of his disability allowance upon re-evaluation by the medical review board until his normal retirement age; and

(e) Upon attaining normal retirement age, the member shall receive the higher of either his disability retirement allowance or his early retirement allowance.

(5) No disability retirement allowance shall be reduced or discontinued by the ***system*** [~~board~~] after the member's normal retirement date except in case of re-employment as provided for by KRS 61.637. ***If*** [~~In any case where~~] a disability retirement allowance has been reduced or discontinued, except ***if*** [~~where~~] the member is re-employed as provided for by KRS 61.637, the retirement allowance shall be reinstated upon attainment of the member's normal retirement age to the retirement allowance prior to adjustment.[~~, provided however,~~] No reinstated payment shall be less than the recipient is receiving upon attainment of the member's normal retirement age.

A subpoena shall be served in the same manner as a subpoena issued by a Circuit Court, and the sheriff, if he serves the subpoena, shall receive the same fee as provided by law for like service in civil actions. In case of refusal to obey a subpoena issued to any person, any Circuit Court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to comply with the terms of the subpoena. (d) The cost of a medical examination shall be paid by the employee. The physicians shall be paid a reasonable amount by the retirement system for the filing of the medical report with the retirement office;

(e) The ***system*** [~~board~~] shall select a medical examiner to evaluate the medical evidence submitted by the employee's physician. The examiner shall recommend that disability retirement be approved, or that disability retirement be denied. If the medical examiner recommends denial of disability benefits, the ***system*** [~~board~~] shall submit the member's application to two (2) additional medical examiners. Both of the additional medical examiners ***shall*** [~~must~~] recommend approval of disability benefits to overturn the original recommendation. Recommendations by the examiners shall be submitted to the board for approval;

(f) If the medical examiners recommend that the employee be approved for disability retirement, the general manager shall make retirement payments in accordance with the retirement plan selected by the employee;

(g) If the medical examiners recommend that the employee be denied disability retirement, the general manager shall notify the employee of this recommendation. If any extensions of time are granted by the ***system*** [~~board~~], they shall be as provided for in subsection (2)(g) of this section.

(a) Any person whose disability benefits have been reduced, discontinued, or denied pursuant to subsection (2)(g) of this section or KRS 61.615(1) may request a de novo formal hearing with the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request for a hearing shall include a short and plain statement ***of the reasons*** [~~why~~] the reduction, discontinuance, or denial of disability benefits is being contested. The request shall not operate as a stay of any reduction, discontinuance, or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action, unless upon resubmitting his request, he can prove to the ***system*** [~~board~~] a substantial change in his condition. This paragraph shall not limit the member's right to appeal to a court.

(c) Upon request pursuant to subsection (2)(g) of this section, the system shall schedule a hearing to be held not more than sixty (60) days after the notice of demand for a hearing has been received by the system, unless an extension is granted by the hearing officer for good cause shown. The hearing officer may recommend a favorable determination based upon the ***information in the member's file*** [~~preponderance of evidence~~] available prior to the hearing. If the recommended favorable action is approved, the hearing shall be canceled. The hearing officer shall not extend the time for a hearing beyond a total of one hundred twenty (120) days. The notice of hearing shall be served in accordance with subsection (6) of this section and shall include a statement of the time, place, and nature of the hearing.

(d) The system may require the member requesting the formal hearing to submit to one (1) or more medical or psychological examinations. Notice of the time and place of ***the*** [~~such an~~] examination shall be mailed to the member or his legal representative. The system shall be responsible for the cost of the examination.

(e) All formal hearings shall be de novo as to all issues of fact and law, ***and*** [~~provided that~~] those findings previously adjudicated by a final order of the system following a formal hearing shall be binding against any party or parties to subsequent formal hearings. Any party to a hearing may be represented by counsel, make oral or written argument, offer testimony, orally or by deposition, cross-examine witnesses, introduce direct testimony from a physician or other expert approved by the hearing officer through a written report, or take any combination of such actions. The system or the member may compel the production of documents by the issuance of subpoenas ***pursuant to KRS 61.645***. Witness testimony may be given by deposition in lieu of personal appearance. An impartial hearing officer appointed and paid by the board shall preside at the hearing, shall keep order, and shall conduct the hearing in accordance with reasonable administrative practice. Failure to appear without good cause or failure to comply with any prehearing or interlocutory order of the hearing officer shall be grounds for a default.

(f) Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. When necessary to ascertain facts not reasonably susceptible of proof under judicial rules of evidence, evidence not admissible thereunder may be admitted, ***unless*** [~~except where~~] precluded by statute, if it is of a type commonly relied upon by reasonable and prudent persons in the conduct of their affairs. Hearing officers shall give effect to the rules of privilege recognized by law. Objections may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form. Upon request, parties shall be given an opportunity to compare the copy with the original. A party may conduct cross-examinations required for a full and true disclosure of the facts. Notice may be taken of generally recognized technical or scientific facts within the system's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data,***;***[~~,~~] and they shall be afforded an opportunity to contest the material so noticed. The system's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

(g) Each formal hearing shall be recorded, and a transcript made available on the motion of any party or by order of the hearing officer. Unless otherwise agreed, the party requesting the transcript shall provide payment for the original, and all others desiring copies shall pay the cost thereof. When certified as a true and correct copy of the testimony by the system, the transcript shall constitute the official transcript of the evidence.

(h) The hearing officer shall make a determination after hearing and based on a preponderance of the evidence appearing in the record as a whole. The hearing officer shall prepare findings of fact and conclusions of law and may recommend an approval or a reduction, discontinuance or denial of disability benefits pursuant to subsection (2)(g) of this section or KRS 61.615(1).

(i) The hearing officer shall, within thirty (30) days of the close of the formal hearing make a report and a recommended order to the board. The report and recommended order shall contain the appropriate findings of fact and conclusions of law. If the board finds upon written request of the hearing officer that additional time is needed, [~~then~~] the board may grant a reasonable extension. The hearing officer shall mail, postage prepaid, a copy of his report and recommended order to all parties. The parties may file within ***fourteen (14)*** [~~seven (7)~~] days of ***receipt*** [~~mailing~~] of the hearing officer's report and recommended order exceptions to the report and recommended order. [~~There shall be no other or further submissions.~~]

(j) The board shall consider the report and recommended order and any exceptions filed and pass upon the case within a reasonable time in accordance with the ***administrative regulations adopted*** [~~policies and procedures established~~] by the board. The board may remand the matter to the hearing officer, adopt the report and ***recommended*** [~~recommend~~] order of the hearing officer as the system's final order, or issue their own final order.

(k) The system shall mail the final decision of the board to the member or his legal representative. If any extension of time is granted by the board for a hearing officer to complete his report, the system shall notify the member or his legal representative at the time of the granting of the extension.

(l) The board shall not grant extensions of time to the hearing officer for more than thirty (30) days for any one (1) extension, and no more than two (2) [~~such~~] extensions shall be granted.

(m) A final order ***of*** [~~for~~] the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(n) A final order of the board which alters or amends ***the*** [~~its~~] decision recommended pursuant to subsection (2)(g) of this section shall relate back and take effect on the date of the recommendation.

(o) There shall be no ex parte communications between the parties or representatives of the parties and the hearing officer regarding a particular member.

(p) Formal hearings shall be held at the system's office in Frankfort unless another location is determined by the hearing officer.

(q) All requests for a hearing pursuant to this section shall be made in writing.

(5) Any person aggrieved by a final order of the ***board*** [~~system~~] may seek judicial review after all administrative appeals have been exhausted by filing suit in the Franklin Circuit Court within thirty (30) days after the requester receives notice, as described in subsection (6) of this section, of the ***board's*** [~~system's~~] determination. No new or additional evidence shall be introduced in that proceeding and the court shall hear the case upon the record as attested.

(6) Any notice or order reducing, discontinuing, or denying disability benefits shall be served by one (1) of the following methods:

(a) The system may place a copy of the document to be served in an envelope, and address the envelope to the member to be served at the address of the member existing in the system files or at the address set forth in written instructions furnished by the member or his legal representative. The system shall affix adequate postage and place the sealed envelope in the United States mail as certified mail return receipt requested. The system shall forthwith enter the fact of mailing in the record and make an entry when the return receipt is received. If the envelope is returned with an endorsement showing failure of delivery, that fact shall be entered in the record. The system shall file the return receipt or returned envelope in the record. Service by certified mail is complete upon delivery of the envelope. The return receipt shall be proof of the time, place, and manner of service.

(b) The system may cause the document, with necessary copies, to be transferred for service to any person authorized by the ***system*** [~~board~~] or by any statute or rule to deliver them, who shall serve the documents, and the return endorsed thereon shall be proof of the time and manner of service.

If the refusal continues for one (1) year, all his rights to any further disability allowance shall cease.

Section 44. KRS 61.670 is amended to read as follows:

(1) As soon as practicable after its organization, the board shall adopt ***the*** [~~such~~] actuarial tables [~~as are~~] necessary for the administration of the system and for the annual determination of assets and liabilities of the system. The board shall cause an actuarial valuation to be made annually. The valuation shall include a description of the actuarial assumptions used, and ***the*** [~~such~~] assumptions shall be reasonably related to the experience of the system and represent the actuary's best estimate of anticipated experience. [~~For the period July 15, 1990, to June 30, 1992, the assumed rate of investment return shall be set at one and one-half (1 1/2) percentage points above the assumed rate of salary increase. Thereafter, this spread between investment and salary assumptions shall be reviewed and adjusted annually, based upon the most recent five (5) year experience of the system.~~] At least once in each ten (10) year period, the board shall cause an actuarial investigation to be made of all the experience under the retirement system. Pursuant to ***the*** [~~such~~] investigation the board shall, from time to time, revise the actuarial tables previously adopted by the board and shall thereupon revise the bases of the rates of contributions required under KRS 61.510 to 61.692 and 16.505 to 16.652 and 78.510 to 78.852. All ***the*** [~~such~~] investigations and valuations shall be certified to the board by a fellow of the Society of Actuaries.

(2) A copy of each ten (10) year actuarial investigation and annual valuation shall be forwarded to the Legislative Research Commission. The annual valuation shall be forwarded no later than ten (10) days after receipt by the board.

Section 45. KRS 61.675 is amended to read as follows:

(1) The employer shall prepare ***the*** [~~such~~] records and, from time to time, shall furnish ***the*** [~~such~~] information [~~as~~] the ***system*** [~~board~~] may require in the discharge of its duties. Upon employment of an employee, the employer shall inform him of his duties and obligations in connection with the system as a condition of employment.

(2) The system may at any time conduct an audit of the employer in order to determine if the employer is complying with the provisions of KRS 16.505 to 16.652, 61.610 to 61.705, or 78.510 to 78.852. The system shall have access to and may examine all books, accounts, reports, correspondence files, and records of any employer. Every employer, employee, or agency reporting official of a department or county, as defined in KRS 78.510(3), having records in his possession or under his control, shall permit access to and examination of the records upon the request of the system.

Section 46. KRS 61.680 is amended to read as follows:

(1) Prior to August 1, 1982, every employee shall be deemed to consent and agree to any deduction from his compensation required by KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and to all other provisions thereof. Thereafter, employee contributions shall be picked up by the employer pursuant to KRS 61.560 (4).

(2) (a) Notwithstanding any other provisions of KRS 6.500 to 6.535, 16.510 to 16.652, 61.510 to 61.692, 78.510 to 78.852 and 161.220 to 161.714, upon death, disability, or service retirement, a member's accounts under the Legislators' Retirement Plan, State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System and Teachers' Retirement System shall be consolidated for the purpose of determining eligibility and amount of benefits. Vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education and accepted by the Kentucky Employees Retirement System or the County Employees Retirement System, may be used to determine eligibility for thirty-year retirement but not the amount of benefits. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system. If the member has prior service in more than one (1) system, he ***shall*** [~~must~~] obtain at least twelve (12) months' current service in each system in which he has prior service in order to validate ***the*** [~~such~~] prior service in each system for purposes of determining consolidated benefits under this section. Upon the determination of benefits, each system shall pay the applicable percentage of total benefits.

(b) The provisions of paragraph (a) of this subsection shall be waived if the member notifies the ***system*** [~~board~~] of his desire to maintain separate retirement accounts in the State Police Retirement System, Kentucky Employees Retirement System or County Employees Retirement System, or if he is a member of the State Police Retirement System or is working in a hazardous position under the Kentucky Employees Retirement System or County Employees Retirement System and, as a result of an act in line of duty, becomes disabled or deceased.

(c) If the member has not contributed at least one (1) year in a system in which he has prior service, his current service in ***the*** [~~such~~] system shall be valid for purposes of determining eligibility and in computation of benefits on a consolidated basis.

(3) A member with service credit in the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System who becomes the holder of an office entitling him to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, but who does not elect within thirty (30) days after taking office in such service to participate in ***the*** [~~such~~] plan, in accordance with KRS 6.505 or 21.360, shall be deemed to have elected to retain membership in the system in which he is a member, either the Kentucky Employees Retirement System, State Police Retirement System or the County Employees Retirement System. In that event, the agency employing the member shall withhold employee contributions, or picked up employee contributions after August 2, 1982, make employer contributions and remit these contributions to the system in which the member retained his membership. Any person entitled to membership in the Judicial Retirement Plan or the Legislators' Retirement Plan, who does not elect within thirty (30) days after taking office to participate in ***the*** [~~such~~] plan, in accordance with KRS 6.505 or 21.360, and who at the time of taking office is not a contributing member of, or does not have service credit in, any of the retirement systems mentioned in this section, or the Teachers' Retirement System, shall participate in the Kentucky Employees Retirement System.

(4) (a) Prior to July 1, 1976, a person entering the service of an employer participating in the Kentucky Employees Retirement System or the County Employees Retirement System with service credit in the Teachers' Retirement System and who desires to retain membership in the Teachers' Retirement System, and who is permitted by that system to continue, ***shall be*** [~~is hereby~~] exempt from participating in the Kentucky Employees Retirement System or the County Employees Retirement System.

(b) Any person who has elected to retain membership in the Teachers' Retirement System as provided in paragraph (a) of this subsection may cancel his election and participate in the system under which his position would normally participate, ***if*** [~~provided~~] he elects to cancel his option prior to January 1, 1977.

(c) Any member of the General Assembly who upon election is a contributing member of the Teachers' Retirement System and who does not elect within thirty (30) days after taking office to participate in the Legislators' Retirement Plan, in accordance with KRS 6.505, shall during his term of office participate in the Kentucky Employees Retirement System unless an election to retain membership in the Teachers' Retirement System is filed in writing within ninety (90) days after his term of office begins. No contributions may be made to the Teachers' Retirement System for the same period of service under the Legislators' Retirement Plan or the Kentucky Employees Retirement System as a member of the General Assembly, but contributions made to the Teachers' Retirement System while a member of the General Assembly shall be transferred to the Legislators' Retirement Plan, as provided for in KRS 6.535, when the member elects to join the Legislators' Retirement Plan, and service credit in the Legislators' Retirement Plan shall be granted as provided for in KRS 6.505(3).

(5) Effective July 1, 1974, any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in a position covered by one (1) of these retirement systems and his employee contributions, service credit and employer contributions made on his behalf are being transferred to the other retirement system shall contribute to the system in which his employer participates, or after August 1, 1982, the employer shall pick up ***the*** [~~such~~] employee contributions, and no further contributions or service credit shall be transferred to the system in which he elected to retain membership, as subsection (2) of this section eliminates the necessity of ***the*** [~~such~~] transfers.

(6) Any member of the Kentucky Employees Retirement System or County Employees Retirement System who is working in more than one (1) position covered by ***the same retirement system*** [~~one (1) of these retirement systems~~], ***shall*** [~~will~~] have his wages and contributions consolidated and his retirement account administered as a single account. If part-time positions are involved, [~~then~~] an accumulation of all hours worked ***within the same retirement system shall*** [~~will~~] be used to determine eligibility under KRS 61.510(21).

(7) Notwithstanding the provisions of subsection (3) of this section, a person who does not have the amount of service required for service retirement in the State Police Retirement System, Kentucky Employees Retirement System, County Employees Retirement System or Teachers' Retirement System, but who is a member of one (1) of ***the*** [~~such~~] systems or is a former member of one (1) or more of ***the*** [~~such~~] systems with valid service credit therein, ***shall*** [~~will~~] become eligible for service retirement benefits attributable to the amount of his actual service credit in each [~~such~~] system in which he has service credit when his combined service credit in all ***the*** [~~such~~] systems, plus any service credit he has in the Judicial Retirement Plan or Legislators' Retirement Plan, is equal to that required for service retirement in each respective system. The computation of benefits shall be based on the applicable formula in each system and service credit in each system, but the final compensation shall be determined as if all service were in one (1) system.

Section 47. KRS 61.685 is amended to read as follows:

(1) If [~~Should~~] any change or error in records ***results*** [~~result~~] in any present or former member or beneficiary receiving from the system more or less than he would have been entitled to receive had the records been correct, [~~then~~] on discovery of any [~~such~~] error, the ***system*** [~~board~~] shall correct the same.

(2) Neither the board nor any of its individual members shall be liable to any person for any claim arising from the failure of any participating employer, or any employer who should have been participating in any retirement system operated by the board, to make retirement contributions on behalf of the person.

Section 48. KRS 61.690 is amended to read as follows:

(1) All retirement allowances and other benefits accrued or accruing to any person under the provisions of KRS 61.510 to 61.705, 16.505 to 16.652 and 78.510 to 78.852, and the accumulated contributions and cash securities in the funds created under KRS 61.510 to 61.705, 16.505 to 16.652 and 78.510 to 78.852, are hereby exempt from any state, county, or municipal tax, and shall not be subject to execution, attachment, garnishment, or any other process [~~whatsoever~~], ***and an*** [~~nor shall any~~] assignment thereof ***shall not*** be enforceable in any court.

(2) A retirement allowance, a disability allowance, a member's accumulated contributions, or any other benefit under the system shall not be classified as marital property pursuant to KRS 403.190(1) in an action for dissolution of marriage if the property of the other party to the action is exempted from a marital property classification pursuant to KRS 161.700(2).

(3) Qualified domestic relations orders issued by a court shall be honored by the retirement systems if the orders are in compliance with the ***regulation*** [~~policy~~] adopted by the board pursuant to KRS 61.645(9)(e).

Section 49. KRS 61.691 is amended to read as follows:

(1) The board shall increase retirement allowances each year of the biennium by fifty percent (50%) of the rate margin for the nonhazardous members of the Kentucky Employees Retirement System as determined by the board's actuary in the annual actuarial valuation prior to the biennium with a maximum increase of five percent (5%) per year, as averaged over a five (5) year period. The first period for averaging shall be from July 1, 1986, to August 1, 1990. Each year thereafter, the next year shall be added and the first year shall be dropped from the five (5) year averaging period.

This increase in retirement allowance shall be calculated and applied to the recipient's retirement allowance prior to any other increase provided for in this section.

(3) Effective August 1, 1990, and July 1, 1991, a recipient of a retirement allowance under KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852 shall have his retirement allowance increased by two and nine-tenths percent (2.9%).

(4) A re-employed retired member whose payments are suspended as provided under KRS 61.637 shall be eligible for an increase in his suspended retirement allowance as provided under this section, computed as if he were receiving the retirement allowance at the time the increase under this section is effective.

Accumulated sick leave in excess of six (6) months shall be added to the member's service credit if the member pays to the retirement system the value of the additional service credit based on the formula adopted by the board.

(4) The ***system*** [~~board~~] shall compute the cost [~~to the retirement system~~] of the sick leave credit of each retiring employee and bill the employer accordingly. The employer shall remit payment within thirty (30) days from receipt of the bill.

(5) As an alternative to subsections (1), (3) and (4) of this section, any agency participating in the County Employees Retirement System which has formally adopted a sick leave program that is universally administered to its employees shall, at the time of ***termination*** [~~retirement~~], compensate the employee for [~~as many~~] unused sick-leave days [~~as~~] the employee has accumulated ***which*** [~~and~~] it is the uniform policy of the agency to allow. The rate of compensation for each unused sick-leave day shall be based on the daily salary rate calculated from the employee's ***current rate of pay*** [~~last annual salary~~]. Payment for unused sick-leave days shall be incorporated into the annual salary of the final year of service, if the employee and employer make the regular employee and employer contributions, respectively, on the sick leave payment. The number of sick leave days for which the employee is compensated shall be divided by the average number of working days per month in county service and rounded to the nearest number of whole months. This number of months shall be added to the employee's total service credit and to the number of months used to determine creditable compensation, pursuant to KRS 78.510, but no more than sixty (60) months shall be used to determine final compensation.

Section 59. KRS 78.625 is amended to read as follows:

(2) The ***agency reporting official*** [~~treasurer~~] or some other person designated by the county shall forward a record of all [~~such~~] contributions to the ***system*** [~~board~~] on ***the*** [~~such~~] forms [~~as~~] the board ***prescribes*** [~~may prescribe~~].

(4) ***If*** [~~In the event~~] an agency is delinquent in the payment of contributions due in accordance with any of the provisions of KRS 78.510 to 78.852, refunds and retirement allowance payments to members of this agency may be suspended until the delinquent contributions have been made.

Section 60. KRS 78.650 is amended to read as follows:

The retirement allowance account shall be the account in which shall be accumulated all employer contributions ***and***[~~,~~] amounts transferred from the members' contribution account, and to which all income from the invested assets of the system shall be credited. From this account shall be paid the expenses of the ***system and the*** board in ***administration of*** [~~administering~~] the system, retirement allowances, and any other benefits payable after a member's retirement and from this account shall be transferred to the members' contribution account the interest credited annually to each member's individual account as provided by KRS 78.510 to 78.852.

(1) ***The county attorney shall take the following action to enforce collection of delinquent taxes owed to the state, a county, or a taxing district:***

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. [~~Within fifty (50) days after the issuance of a certificate of tax delinquency to the state, county, and taxing district, the county attorney shall cause a notice of the purchase to be mailed by certified mail, return receipt requested, on the person in whose name the property was assessed, and advise him that the certificate is a lien of record against his land that bears interest at twelve percent (12%) per annum, and if not paid the county attorney will proceed as provided by law to collect same.~~] A copy of the return receipt shall be filed by the county attorney in the office of the county clerk in the manner prescribed by the Revenue Cabinet.

(e) Failure to ***mail*** [~~prepare~~] the ***notices*** [~~notice~~] shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the ***notices*** [~~notice~~] shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage.

(2) The county attorney shall prosecute the remedy or remedies provided in this chapter that are most likely to effect collection of the amount due on the certificate of delinquency. Upon the failure of the county attorney to give the notices provided in this section, or to prosecute the remedies for collection of certificates within twelve (12) months after the right to collect accrued, or to duly complete the performance of any other duties necessary to collect the claims of the state, county, and taxing districts for taxes, the Revenue Cabinet may perform such duties. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, Chapters 131, 134 and 135.

(3) The county attorney who [~~prepares the notice and has it mailed and filed, as provided in subsection (1) of this section, and~~] performs his [~~other~~] duties in respect to the certificate of delinquency, shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and ***the*** [~~such~~] commission shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the commission on the amount collected for each taxing unit. When the cabinet performs the duties of the county attorney without his assistance or cooperation, the fee which would otherwise be paid the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(4) Any action on behalf of the state, county and taxing districts authorized by this section or by KRS 134.470, 134.490 or 134.540 shall be filed on relation of the secretary of revenue, and the petition may be sent to the cabinet, which may require revision thereof in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all such actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who cooperates in prosecuting the suits or proceedings, the county attorney shall be entitled to his full fee. Floor Amendments

Floor Amendment No. 1 to **HB** 737, by Representative Long:

Amend printed copy of **HB** 737 on page 2, after line 24, add

"Section 2. KRS 56.813 is amended to read as follows:

(1) An agency may request that the Finance and Administration Cabinet provide additional space in a building in which space is already leased by the state. If the cabinet determines there is need for more space, the current lease may be amended, with agreement of the lessor, to increase the leased space. However, the rental rate paid for the additional space shall not exceed the square foot rental rate fixed by the original lease. A lease may also be modified with agreement of the lessor to decrease the number of square feet leased and the rent shall be appropriately reduced.

(2) ***(a) When an agency occupying leased premises desires improvements in the premises, the agency shall obtain the cabinet secretary's approval for the improvements at an estimated cost before the lessor makes the improvements.***

1. If the improvements cost more than one thousand dollars ($1,000), the agency shall obtain the cabinet secretary's approval for the rent increase necessary to amortize the cost of the improvements in full. No other financing method shall be used.

2. If the improvements cost one thousand dollars ($1,000) or less, the agency shall obtain the cabinet secretary's approval for the dollar amount necessary to pay for the cost of the improvements at direct state expense or the rent increase necessary to amortize the cost of the improvements in full. No other financing method shall be used. No improvement shall be artificially divided so as to qualify under the provisions of this subparagraph.

(b) Any rent increase necessary to amortize a cost pursuant to paragraph (a) of this subsection shall not extend beyond the period required to accomplish the agreed amortization.

(c) The cabinet secretary shall amend a lease to reflect a rent increase necessary to amortize a cost pursuant to paragraphs (a) and (b) of this subsection, and the amendment shall state that the rent increase is for the purpose of amortizing this cost. [The cabinet may amend a lease of private property to provide for an increase in the rental rate when the lessor has made improvements in the leased property at the request of and to meet the needs of the state agency occupying the premises, if the improvements and rent increase have the prior approval of the cabinet secretary. The rent increase shall be, and shall be identified as being, for the purpose of amortizing in full or in part the cost incurred by the owner at the state's request. Any increase for this purpose shall not extend beyond the period required to accomplish the agreed amortization.

(3) No improvement of a permanent nature shall be made at direct state expense in privately leased property. No improvements of a permanent nature may be made at direct state expense in publicly-owned leased property unless the Commonwealth shall have the leasehold interest in the property of a duration sufficient to permit amortization of the cost of the improvement over the life of the lease.]

(3)[(4)] Any modification to an existing lease which is required because of an emergency as described at KRS 56.805(3) shall be made pursuant to KRS 56.805(3) and (4) and this section.

(4)[(5)] The Division of Real Properties, within the Department for Facilities Management, shall maintain a register of all proposed lease modifications which, if approved, will result in the payment of a square foot rate for the leased space which is greater than the square foot rate contained in the original lease. All such proposed modifications shall be filed and kept in the register for public inspection and comment for thirty (30) calendar days. Comments received from the public during the period shall be considered before the lease modification is executed by the parties and becomes binding against the Commonwealth. After receiving comments, if the secretary determines that the proposed modifications are not in the interest of the Commonwealth, he may require the agency to continue operation in its present space or cancel the lease and seek more suitable space. The lessor, under any lease proposed to be modified as contemplated therein, shall be advised of the requirements of this subsection and cautioned that the Commonwealth shall have no liability for any action undertaken by the lessor in anticipation of, but prior to execution of, the modifications of the lease.

Section 3. KRS 56.823 is amended to read as follows:

(2) Any lease awarded pursuant to KRS 56.803 for which the annual rental cost will exceed two hundred thousand dollars ($200,000) shall be reported to the Capital Projects and Bond Oversight Committee within thirty (30) days after execution. The report shall include:

(a) The name of the agency that will occupy the premises;

(f) A statement as to whether the Finance and Administration Cabinet complied with the requirements established in KRS 56.800 to 56.823 and KRS 43.050, 48.111, and 48.190. If the cabinet has not complied with any requirement, the cabinet shall explain why;

(g) An explanation of why the Finance and Administration Cabinet chose this lessor over his competition; and

(h) A cost comparison between the cost per square foot of the leased space and the average cost per square foot of comparable space the state leases in the same county. If there are factors which make the comparison misleading, the cabinet shall inform the committee of these factors.

(3) Any lease awarded pursuant to KRS 56.805(2) for which the annual rental cost will exceed two hundred thousand dollars ($200,000) shall be reported to the Capital Projects and Bond Oversight Committee within thirty (30) days after execution. (5) (a) Any built-to-suit lease awarded pursuant to KRS 56.816 shall be reported to the Capital Projects and Bond Oversight Committee within thirty (30) days after execution. The report shall state on what basis the Department for Facilities Management has determined that there is no space to let in the relevant community that will be suitable to meet the space needs of the agency; on what basis a determination has been made

by the secretary of the Finance and Administration Cabinet, with the approval of the Governor, that the construction of a building by the Commonwealth to meet the need is not economically or otherwise feasible; and the economic justification for awarding a built-to-suit lease pursuant to KRS 56.816. The report shall further state the information required by paragraphs (a), (b), (c), (d), (f), (g), and (h) of subsection (2) of this section.

The report shall include a copy of the written finding and executive order required by KRS 56.820(1) and the economic justification for awarding a built-to-suit lease pursuant to KRS 58.820. The report shall further state the information required by paragraphs (a), (b), (c), (d), (f), (g), and (h) of subsection (2) of this section.

(6) Whenever any lease contains a purchase option which is ultimately exercised by the Commonwealth, within thirty (30) days after the purchase, it shall be reported to the Capital Projects and Bond Oversight Committee. The report shall state the total cost of the building to the Commonwealth including rent payments made prior to the purchase.

(7) (a) Except in the case of an emergency as provided in paragraph (b) of this subsection, any modification to an existing lease, made pursuant to KRS 56.813, that is less than fifty thousand dollars ($50,000) shall be reported to the Capital Projects and Bond Oversight Committee within thirty (30) days after execution, and any modification to an existing lease, made pursuant to KRS 56.813, that is fifty thousand dollars ($50,000) or more shall be reported to the Capital Projects and Bond Oversight Committee before execution. HB 776, AN ACT relating to Kentucky Retirement Systems and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.565 is amended to read as follows:

(1) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, and each employer participating in the County Employees Retirement System as provided for in KRS 78.520 to 78.852 and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.515 to 61.705 shall contribute annually to the respective retirement system an amount equal to the percent as computed under subsection (2) of this section of the creditable compensation of its employees, including the assumed creditable compensation of firefighters employed by a district created pursuant to KRS 75.010, to be known as the "normal contributions," and an additional amount to be known as the "past service contribution" which shall be computed by amortizing the total unfunded past service liability over a period of thirty (30) years using the level-percentage-of-payroll method. This method shall be used beginning with the 1990 actuarial valuation. The initial thirty (30) year amortization period shall begin with the 1990 valuation. Any significant increase in past service liability due to benefit improvements after the 1990 valuation shall be amortized using the level-percentage-of-payroll amortization method over a separate thirty (30) year period commencing in the year of the actuarial valuation in which the benefit improvements are first reflected.

(2) The normal contribution rate shall be determined by the entry age normal cost funding method. The past service liability shall be determined by actuarial method consistent with the methods prescribed for determining the normal contribution rate. Normal contributions and the past service liability contribution shall be determined on actuarial bases adopted by the board.

(3) Normal contribution and the past service contribution rates shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium. The board may amend contribution rates as of July 1 of the second year of a biennium, if it is determined on the basis of a subsequent actuarial valuation that amended contribution rates are necessary to satisfy the requirements of subsections (1) and (2) of this section. ***Effective July 1, 1992, and each fiscal year thereafter, assets shall be valued for the purpose of determining contribution rates by adding to or subtracting from the book value of assets, as of the date of the valuation, the average difference derived by subtracting the book value from the market value of those assets over the most recent five (5) years as reflected in the annual reports of the respective retirement systems. The average difference shall be added to book value if it is a positive number and shall be subtracted from book value if it is a negative number.***

(4) The board shall advise each employer prior to the beginning of each biennium, or prior to July 1 of the second year of a biennium, of any change in the employer contribution rate. Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under subsections (1) to (3) of this section.

Section 2. Whereas, this Act requires the Kentucky Retirement System's employers contribution rates to be determined based upon the modified market value of the funds' assets beginning July 1, 1992, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

The levy for the 1990-91 school year shall be made no later than October 1, 1989, and no later than October 1, 1990, for the 1991-92 school year, and by October 1 of each odd-numbered year thereafter. (c) A school district which is at or above the equivalent tax rates permitted under the provisions of the Kentucky Education Reform Act of 1990, 1990 Ky. Acts ch. 476, shall not be required to levy an equivalent tax rate which is lower than the rate levied during the 1989-90 school year.

(2) A district may exceed the maximum provided by subsection (2) of KRS 160.470 provided that, upon request of the board of education of the district, the county board of elections shall submit to the qualified voters of the district, in the manner of submitting and voting as prescribed in paragraph (b) of subsection (1) of KRS 160.477, the question whether a rate which would produce revenues in excess of the maximum provided by subsection (2) of KRS 160.470 shall be levied. The rate that may be levied under this section may produce revenue up to no more than thirty percent (30%) of the revenue guaranteed by the program to support education excellence in Kentucky plus the revenue produced by the tax authorized by this section. Revenue produced by this levy shall not be equalized with state funds. If a majority of those voting on the question favor the increased rate, the tax levying authority shall, when the next tax rate for the district is fixed, levy a rate not to exceed the rate authorized by the voters. ***Notwithstanding any statute to the contrary, no district shall be required to levy an equivalent tax rate less than the rate established by the vote of the people in accordance with this subsection in subsequent years.***

SB 341, AN ACT relating to utilities.

WHEREAS, it is hereby declared the policy of the General Assembly to foster and encourage the continued use of Kentucky coal by electric utilities serving the Commonwealth; and

WHEREAS, electric utilities should have incentive to use Kentucky coal in deciding how to best achieve and maintain compliance with the federal Clean Air Act as amended and those environmental requirements which apply to coal combustion wastes and by-products from facilities utilized for production of energy from coal; and

WHEREAS, recovery of the reasonable costs of capital expenditures and operating expenses for compliance with these environmental requirements should be allowed on the same basis as the recovery of fuel costs;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, effective January 1, 1993, a utility shall be entitled to the current recovery of its costs of complying with the federal Clean Air Act as amended and those federal, state, or local environmental requirements which apply to coal combustion wastes and by-products from facilities utilized for production of energy from coal in accordance with the utility's compliance plan as designated in subsection (2) of this section. These costs shall include a reasonable return on construction and other capital expenditures and reasonable operating expenses for any plant, equipment, property, facility, or other action to be used to comply with applicable environmental requirements set forth in this section. Operating expenses include all costs of operating and maintaining environmental facilities, income taxes, property taxes, other applicable taxes, and depreciation expenses as these expenses relate to compliance with the environmental requirements set forth in this section.

(2) Recovery of costs pursuant to subsection (1) of this section that are not already included in existing rates shall be by environmental surcharge to existing rates imposed as a positive or negative adjustment to customer bills in the second month following the month in which costs are incurred. Each utility, before initially imposing an environmental surcharge pursuant to this subsection, shall thirty (30) days in advance file a notice of intent to file said plan and subsequently submit to the commission a plan, including any application required by KRS 278.020(1), for complying with the applicable environmental requirements set forth in subsection (1) of this section. The plan shall include the utility's testimony concerning a reasonable return on compliance-related capital expenditures and a tariff addition containing the terms and conditions of a proposed surcharge. Within six (6) months of submittal, the commission shall approve the plan if it is a reasonable and cost-effective strategy for compliance with the applicable environmental requirements set forth in subsection (1) of this section and establish a reasonable return on compliance-related capital expenditures.

(3) The amount of the monthly environmental surcharge shall be filed with the commission ten (10) days before it is scheduled to go into effect, along with supporting data to justify the amount of the surcharge which shall include data and information as may be required by the commission. At six (6) month intervals, the commission shall review past operations of the environmental surcharge of each utility, and after hearing, if so ordered, shall, by temporary adjustment in the surcharge, disallow any surcharge amounts found not just and reasonable and reconcile past surcharges with actual costs recoverable pursuant to subsection (1) of this section. Every two (2) years the commission shall review and evaluate past operation of the surcharge, and after hearing, if so ordered, shall disallow improper expenses, and to the extent appropriate, incorporate surcharge amounts found just and reasonable into the existing base rates of each utility.

(4) The commission may employ competent, qualified independent consultants to assist the commission in its review of the utility's plan of compliance as specified in subsection (2) of this section. The cost of any consultant shall be included in the surcharge approved by the commission.

Section 2. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation or combination thereof shall begin the construction of any plant, equipment, property or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until such person has obtained from the Public Service Commission a certificate that public convenience and necessity require such construction. Upon the filing of an application for such a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. ***The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth.*** Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(3) No utility shall apply for or obtain any franchise, license or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(4) No person under the jurisdiction of the commission shall acquire or transfer ownership of or control, or the right to control, any utility, by sale of assets, transfer of stock or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(5) No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any such acquisition of control without such prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any such individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that such ownership does not in fact confer control. Application for any such approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in such form and contain such information as the commission requires. The commission shall approve any such proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make such investigation and hold such hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with such modification and upon such terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor or on a later date mutually acceptable to the commission and the acquirer. In the absence of any such action within such period of time, any such proposed acquisition shall be deemed to be approved.

(6) Subsection (5) of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection (5) of this section;

(b) Utility by an acquirer who directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of such indebtedness was approved by the commission.

(7) If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

The Committee Substitute to **SB 341** is as follows:

SB 341, AN ACT relating to utilities.

WHEREAS, it is hereby declared the policy of the General Assembly to foster and encourage the continued use of Kentucky coal by electric utilities serving the Commonwealth; and

WHEREAS, electric utilities should have incentive to use Kentucky coal in deciding how to best achieve and maintain compliance with the federal Clean Air Act as amended and those environmental requirements which apply to coal combustion wastes and by-products from facilities utilized for production of energy from coal;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding any other provision of this chapter, effective January 1, 1993, a utility shall be entitled to the current recovery of its costs of complying with the federal Clean Air Act as amended and those federal, state, or local environmental requirements which apply to coal combustion wastes and by-products from facilities utilized for production of energy from coal in accordance with the utility's compliance plan as designated in subsection (2) of this section. These costs shall include a reasonable return on construction and other capital expenditures and reasonable operating expenses for any plant, equipment, property, facility, or other action to be used to comply with applicable environmental requirements set forth in this section. Operating expenses include all costs of operating and maintaining environmental facilities, income taxes, property taxes, other applicable taxes, and depreciation expenses as these expenses relate to compliance with the environmental requirements set forth in this section.

(2) Recovery of costs pursuant to subsection (1) of this section that are not already included in existing rates shall be by environmental surcharge to existing rates imposed as a positive or negative adjustment to customer bills in the second month following the month in which costs are incurred. Each utility, before initially imposing an environmental surcharge pursuant to this subsection, shall thirty (30) days in advance file a notice of intent to file said plan and subsequently submit to the commission a plan, including any application required by KRS 278.020(1), for complying with the applicable environmental requirements set forth in subsection (1) of this section. The plan shall include the utility's testimony concerning a reasonable return on compliance-related capital expenditures and a tariff addition containing the terms and conditions of a proposed surcharge as applied to individual rate classes. Within six (6) months of submittal, the commission shall conduct a hearing to:

(a) Consider and approve the plan and rate surcharge if the commission finds the plan and rate surcharge reasonable and cost-effective for compliance with the applicable environmental requirements set forth in subsection (1) of this section;

(b) Establish a reasonable return on compliance-related capital expenditures; and

(c) Approve the application of the surcharge.

(3) The amount of the monthly environmental surcharge shall be filed with the commission ten (10) days before it is scheduled to go into effect, along with supporting data to justify the amount of the surcharge which shall include data and information as may be required by the commission. At six (6) month intervals, the commission shall review past operations of the environmental surcharge of each utility, and after hearing, as ordered, shall, by temporary adjustment in the surcharge, disallow any surcharge amounts found not just and reasonable and reconcile past surcharges with actual costs recoverable pursuant to subsection (1) of this section. Every two (2) years the commission shall review and evaluate past operation of the surcharge, and after hearing, as ordered, shall disallow improper expenses, and to the extent appropriate, incorporate surcharge amounts found just and reasonable into the existing base rates of each utility.

(4) The commission may employ competent, qualified independent consultants to assist the commission in its review of the utility's plan of compliance as specified in subsection (2) of this section. The cost of any consultant shall be included in the surcharge approved by the commission.

(5) The commission shall retain all jurisdiction granted by Sections 1 and 2 of this Act to review the environmental surcharge authorized by this section and any complaints as to the amount of any environmental surcharge or the incorporation of any environmental surcharge into the existing base rate of any utility.

Section 2. KRS 278.020 is amended to read as follows:

(1) No person, partnership, public or private corporation or combination thereof shall begin the construction of any plant, equipment, property or facility for furnishing to the public any of the services enumerated in KRS 278.010, except retail electric suppliers for service connections to electric-consuming facilities located within its certified territory and ordinary extensions of existing systems in the usual course of business, until such person has obtained from the Public Service Commission a certificate that public convenience and necessity require such construction. Upon the filing of an application for such a certificate, and after any public hearing which the commission may in its discretion conduct for all interested parties, the commission may issue or refuse to issue the certificate, or issue it in part and refuse it in part, except that the commission shall not refuse or modify an application submitted under KRS 278.023 without consent by the parties to the agreement. ***The commission, when considering an application for a certificate to construct a base load electric generating facility, may consider the policy of the General Assembly to foster and encourage use of Kentucky coal by electric utilities serving the Commonwealth.*** Unless exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court or failure to obtain any necessary

grant or consent, the authority conferred by the issuance of the certificate of convenience and necessity shall be void, but the beginning of any new construction or facility in good faith within the time prescribed by the commission and the prosecution thereof with reasonable diligence shall constitute an exercise of authority under the certificate.

(2) No utility shall exercise any right or privilege under any franchise or permit, after the exercise of that right or privilege has been voluntarily suspended or discontinued for more than one (1) year, without first obtaining from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity authorizing the exercise of that right or privilege.

(3) No utility shall apply for or obtain any franchise, license or permit from any city or other governmental agency until it has obtained from the commission, in the manner provided in subsection (1) of this section, a certificate of convenience and necessity showing that there is a demand and need for the service sought to be rendered.

(4) No person under the jurisdiction of the commission shall acquire or transfer ownership of or control, or the right to control, any utility, by sale of assets, transfer of stock or otherwise, or abandon the same, without prior approval by the commission. The commission shall grant its approval if the person acquiring the utility has the financial, technical, and managerial abilities to provide reasonable service.

(5) No individual, group, syndicate, general or limited partnership, association, corporation, joint stock company, trust or other entity (an "acquirer"), whether or not organized under the laws of this state, shall acquire control, either directly or indirectly, of any utility furnishing utility service in this state, without having first obtained the approval of the commission. Any such acquisition of control without such prior authorization shall be void and of no effect. As used in this subsection, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a utility, whether through the ownership of voting securities, by effecting a change in the composition of the board of directors, by contract or otherwise. Control shall be presumed to exist if any such individual or entity, directly or indirectly, owns ten percent (10%) or more of the voting securities of the utility. This presumption may be rebutted by a showing that such ownership does not in fact confer control. Application for any such approval or authorization shall be made to the commission in writing, verified by oath or affirmation, and be in such form and contain such information as the commission requires. The commission shall approve any such proposed acquisition when it finds that the same is to be made in accordance with law, for a proper purpose and is consistent with the public interest. The commission may make such investigation and hold such hearings in the matter as it deems necessary, and thereafter may grant any application under this subsection in whole or in part and with such modification and upon such terms and conditions as it deems necessary or appropriate. The commission shall grant, modify, refuse or prescribe appropriate terms and conditions with respect to every such application within sixty (60) days after the filing of the application therefor or on a later date mutually acceptable to the commission and the acquirer. In the absence of any such action within such period of time, any such proposed acquisition shall be deemed to be approved.

(6) Subsection (5) of this section shall not apply to any acquisition of control of any:

(a) Utility which derives a greater percentage of its gross revenue from business in another jurisdiction than from business in this state if the commission determines that the other jurisdiction has statutes or rules which are applicable and are being applied and which afford protection to ratepayers in this state substantially equal to that afforded such ratepayers by subsection (5) of this section;

(b) Utility by an acquirer who directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such utility, including any entity created at the direction of such utility for purposes of corporate reorganization; or

(c) Utility pursuant to the terms of any indebtedness of the utility, provided the issuance of such indebtedness was approved by the commission.

(7) If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to that end the provisions are declared to be severable.

Floor Amendment No. 2 to **HB 776**, by Representative Hancock:

Amend printed copy of **HB 776** on page 3, line 14, by adding thereafter:

"Section 2. KRS 61.595 is amended to read as follows:

(1) Effective July 1, 1990, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two and two-tenths percent (2.2%) for the County Employees Retirement System and***, effective July 1, 1992, two and one-tenth percent (2.1%)*** [~~one and ninety-seven hundredths percent (1.97%)~~] for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the General Assembly;

(b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;

(c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars ($240) times the years of legislative service, if the member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of the computed actuarial cost shall be paid from the State Treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service but a member of the Kentucky Employees Retirement System or the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, may retire with no reduction in the retirement allowance. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education may count the vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. The credit from a Kentucky institution of higher education shall not be used, however, to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

Section 3. KRS 61.691 is amended to read as follows:

(1) [~~The board shall increase retirement allowances each year of the biennium by fifty percent (50%) of the rate margin for the~~ nonhazardous members of the Kentucky Employees Retirement System as determined by the board's actuary in the annual actuarial valuation prior to the biennium with a maximum increase of five percent (5%) per year, as averaged over a five (5) year period. The first period for averaging shall be from July 1, 1986, to August 1, 1990. Each year thereafter, the next year shall be added and the first year shall be dropped from the five (5) year averaging period.

(2) Effective August 1, 1990, each recipient of a retirement allowance under KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852 whose retirement date preceded January 1, 1982, shall have his benefits increased two dollars and fifty cents ($2.50) for each year the retirement allowance has been drawn. This increase in retirement allowance shall be calculated and applied to the recipient's retirement allowance prior to any other increase provided for in this section.

~~(3)~~] Effective ***July*** [~~August~~] 1, ***1992*** [~~1990~~], and ***each*** July 1 ***thereafter***, [~~1991,~~] a recipient of a retirement allowance under KRS 16.510 to 16.652 and 61.515 to 61.705 and 78.520 to 78.852 shall have his retirement allowance increased by ***three percent (3%)*** [~~two and nine-tenths percent (2.9%)~~].

(2)[~~(4)~~] A re-employed retired member whose payments are suspended as provided under KRS 61.637 shall be eligible for an increase in his suspended retirement allowance as provided under this section, computed as if he were receiving the retirement allowance at the time the increase under this section is effective.";

and on page 3, line 15, by deleting "Section 2." and by substituting therefor "Section 4.".

SB 108, AN ACT relating to home ownership savings accounts in financial institutions.

WHEREAS, the General Assembly of the Commonwealth of Kentucky hereby finds, declares, and recognizes that the general welfare and well-being of the Commonwealth is directly related to the ability of the citizens of this state to realize the dream of home ownership; and

WHEREAS, the General Assembly finds, declares, and recognizes that affordable housing for residents is becoming increasingly difficult to attain; and

WHEREAS, the General Assembly further finds that the increased demand by mortgage lenders for a greater amount of money as a down payment on a home and the associated closing costs are significant barriers to home ownership for many citizens of this state; and

WHEREAS, the General Assembly declares that it is the intent of the Commonwealth of Kentucky to create a home ownership savings account to provide citizens of this state a method of accumulating funds sufficient to make a down payment and pay associated closing costs on a home that they otherwise would not be able to purchase;

(2) If a reinsurance intermediary violates any provision of this chapter or any other statute or administrative regulation administered by the commissioner, the reinsurance intermediary shall make restitution to the insurer, reinsurer, rehabilitator, or liquidator of the insurer or reinsurer for net losses incurred by the insurer or reinsurer attributable to the violation.

(3) Nothing contained in this section shall affect the right of the commissioner to impose any other penalties provided in this chapter.

(4) Nothing contained in Sections 1 to 12 of this Act is intended to or shall in any manner limit or restrict the rights of policyholders, claimants, creditors, or third parties.

SECTION 11. A NEW SECTION OF SUBTITLE 9 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 11 of this Act may be cited as the Reinsurance Intermediary Act.

SB 213, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.5-140 is amended to read as follows:

(1) ***(a) For the purposes of subsection (3)(c) of this section, a "qualified United States financial institution" means an institution that:***

1. Is organized or, in the case of a United States office of a foreign banking organization, licensed under the laws of the United States or any state thereof;

2. Is regulated, supervised, and examined by the United States federal or state authorities having regulatory authority over banks and trust companies; and

3. Has been determined by the commissioner, or the Securities Valuation Office of the National Association of Insurance Commissioners, to meet the standards of financial condition and standing considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the commissioner.

(b) A "qualified United States financial institution" means, for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

1. Is organized or, in the case of a United States branch or agency office of a foreign banking organization, licensed under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers; and

2. Is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies.

(2) Credit for reinsurance shall be allowed a ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of paragraphs (a), (b), (c), (d), or (e) of this subsection. If meeting the requirements of paragraphs (c) or (d) of this subsection, the requirements of paragraph (f) of this subsection shall also be met.

(a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is authorized to transact insurance or reinsurance in Kentucky.

(b) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is accredited as a reinsurer in Kentucky. An accredited reinsurer is one which:

1. Files with the commissioner evidence of its submission to Kentucky's jurisdiction;

2. Submits to Kentucky's authority to examine its books and records;

3. Is licensed to transact insurance or reinsurance in at least one (1) state, or in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one (1) state;

4. Files annually with the commissioner a copy of its annual statement filed with the insurance regulatory official of its state of domicile and a copy of its most recent audited financial statement, and either:

a. Maintains a surplus as regards policyholders in an amount which is not less than twenty million dollars ($20,000,000) and whose accreditation has not been denied by the commissioner within ninety (90) days of its submission; or

b. Maintains a surplus as regards policyholders in an amount less than twenty million dollars ($20,000,000) and whose accreditation has been approved by the commissioner.

5. Credit shall not be allowed a ceding insurer under this paragraph if the assuming insurer's accreditation has been revoked by the commissioner after notice and hearing.

(c) Credit shall be allowed when the reinsurance is ceded to an assuming insurer which is domiciled and licensed in or, in the case of a United States branch of an alien assuming insurer, is entered through a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or United States branch of an alien insurer:

1. Maintains a surplus as regards policyholders in an amount not less than twenty million dollars ($20,000,000); and

2. Submits to the authority of the commissioner to examine its books and records.

However, subparagraph 1 of this paragraph shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system.

(d) 1. Credit shall be allowed when the reinsurance is ceded to an assuming insurer which maintains a trust fund in a qualified United States financial institution for the payment of valid claims of its United States policyholders and ceding insurers, their assigns, and successors in interest. The assuming insurer shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners annual statement form by authorized insurers to enable the commissioner to determine the sufficiency of the trust fund. In the case of a single assuming insurer, the trust fund shall consist of a trusteed account representing the assuming insurer's liabilities attributable to business written in the United States and, in addition, the assuming insurer shall maintain a trusteed surplus of not less than twenty million dollars ($20,000,000). In the case of a group of individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States and, in addition, the group shall maintain a trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, and the group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary insurance regulatory official and its independent public accountants.

2. In the case of a group of incorporated insurers under common administration which complies with the filing requirements contained in subparagraph 1 of this paragraph, and which is under the supervision of the Department of Trade and Industry of the United Kingdom and submits to the commissioner's authority to examine its books and records and bears the expense of the estimation, and which has aggregate policyholders' surplus of ten billion dollars ($10,000,000,000), the trust shall be in an amount equal to the group's several liabilities attributable to business written in the United States plus the group shall maintain a joint trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any member of the group, and each member of the group shall make available to the commissioner an annual certification of the member's solvency by the member's domiciliary insurance regulatory official and its independent public accountant.

3. The trust shall be established in a form approved by the commissioner. The trust instrument shall provide that contested claims shall be valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust shall vest legal title to its assets in the trustees of the trust for its United States policyholders and ceding insurers, their assigns, and successors in interest. The trust and the assuming insurer shall be subject to examination as determined by the commissioner. The trust shall remain in effect for as long as the assuming insurer shall have outstanding obligations due under the reinsurance agreements subject to the trust.

4. No later than February 28 of each year the trustees of the trust shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the next following December 31.

(e) Credit shall be allowed when the reinsurance is ceded to an assuming insurer not meeting the requirements of paragraphs (a), (b), (c), or (d) of this subsection, but only with respect to the insurance of risks located in jurisdictions where such reinsurance is required by applicable law or regulation of that jurisdiction or reinsurance ceded to a residual market mechanism reinsurance association, or the members thereof, created pursuant to law or which has been voluntarily created as such by its members with the approval of the commissioner.

(f) If the assuming insurer is not authorized or accredited to transact insurance or reinsurance in Kentucky, the credit permitted by paragraphs (c) and (d) of this subsection shall not be allowed unless the assuming insurer agrees in the reinsurance agreements:

1. That in the event of the failure of the assuming insurer to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, shall submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, shall comply with all requirements necessary to give the court jurisdiction, and shall abide by the final decision of the court or of any appellate court in the event of an appeal; and

2. To designate the Secretary of State or a designated attorney as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the ceding insurer.

This paragraph is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if this obligation is created in the agreement.

(3) A reduction from liability for the reinsurance ceded by an insurer to an assuming insurer not meeting the requirements of subsection (2) of this section shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer and the reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations thereunder, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:

(a) Cash;

(b) Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners and qualifying as admitted assets;

(c) Clean, irrevocable, unconditional letters of credit issued or confirmed by a qualified United States financial institution no later than December 31 in respect of the year for which filing is being made, and in the possession of the ceding insurer on or before the filing date of its annual statement. Letters of credit

meeting applicable standards of issuer acceptability as of the dates of their issuance, or confirmation, shall, notwithstanding the issuing, or confirming, institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever first occurs; or

(d) Any other form of security acceptable to the commissioner. [~~An insurer may accept reinsurance only of such kinds or risks, and retain risk thereon within such limits, as it is otherwise authorized.~~

~~(2) Credit for reinsurance shall be allowed an authorized ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when:~~

In the case of a group of individual unincorporated underwriters, the trust shall consist of a trusteed account representing the group's liabilities attributable to business written in the United States and, in addition, include a trusteed surplus of not less than one hundred million dollars ($100,000,000), and the group shall make available to the commissioner or his designee the annual certification by the group's domiciliary regulator and its independent public accounts of the solvency of each underwriter:~~

SB 214, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

As used in Sections 1 to 7 of this Act, unless the context requires otherwise:

(1) "Accredited state" means a state in which the insurance regulatory agency has qualified as meeting the minimum financial regulatory standards promulgated and established from time to time by the National Association of Insurance Commissioners.

(2) "Control" or "controlled" has the meaning set forth in KRS 304.37-010(8).

(3) "Controlled insurer" means an authorized insurer which is controlled, directly or indirectly, by a producer.

(4) "Controlling producer" means a producer who directly or indirectly, controls an insurer.

(5) "Authorized insurer" or "insurer" means an insurer holding a certificate of authority from the commissioner to transact property or casualty insurance business in Kentucky. The following, among others, are not authorized insurers for the purposes of Sections 1 to 7 of this Act:

(a) All risk retention groups as defined in the Superfund Amendments Reauthorization Act of 1986, (P.L. 99-499, 100 Stat. 1613, and the Liability Risk Retention Act, 15 U.S.C. sec. 3901 et seq.) and Subtitle 45 of this chapter;

(b) All residual market mechanisms and joint underwriting authorities or associations; and

(c) All captive insurers, that is, insurers owned by another organization whose exclusive purpose is to insure risks of the parent organization and affiliated companies or, in the case of groups and associations, insurance organizations owned by the insureds whose exclusive purpose is to insure risks to member organizations or group members and their affiliates.

(6) "Producer" means a person, firm, association, or corporation, when, for any compensation, commission, or other thing of value, the person, firm, association, or corporation acts or aids in any manner in soliciting, negotiating, or procuring the making of any insurance contract on behalf of an insured other than the person, firm, association, or corporation.

SECTION 2. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 7 in this Act shall apply to authorized insurers as defined in Section 1 of this Act, either domiciled in this Commonwealth or domiciled in a state that is not an accredited state having in effect a substantially similar law. All provisions of Subtitle 37 of this chapter, relating to insurance holding company systems, to the extent they are not superseded by Sections 1 to 7 in this Act, shall continue to apply to all parties within the holding company systems subject to Sections 1 to 7 of this Act.

SECTION 3. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The applicability of this section is as follows:

(a) The provisions of this section shall only apply if in any calendar year, the aggregate amount of gross written premium on business placed with a controlled insurer by a controlling producer is equal to or greater than five percent (5%) of the admitted assets of the controlled insurer, as reported in the controlled insurer's quarterly statement filed as of September 30 of the immediate preceding year.

(b) Notwithstanding paragraph (a) of this subsection, the provisions of this section shall not apply if:

1. The controlling producer:

a. Places insurance only with the controlled insurer, or only with the controlled insurer and a member or members of the controlled insurer's holding company system, or the controlled insurer's parent, affiliate, or subsidiary and receives no compensation based upon the amount of premiums written in connection with the insurance; and

b. Accepts insurance placements only from nonaffiliated subproducers, and not directly from insureds; and

2. The controlled insurer, except for insurance business written through a residual market mechanism, accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer, or a producer that is a subsidiary of the controlled insurer.

(2) A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the controlling producer and the insurer specifying the responsibilities of each party, and the contract has been approved by the board of directors of the insurer and contains the following minimum provisions:

(a) The controlled insurer may terminate the contract for cause, upon written notice to the controlling producer. The controlled insurer shall suspend the authority of the controlling producer to write business during the pendency of any dispute regarding the cause for termination;

(b) The controlling producer shall render accounts to the controlled insurer detailing all material transactions, including information necessary to support all commissions, charges, and other fees received by, or owing to, the controlling producer;

(c) The controlling producer shall remit all funds due under the terms of the contract to the controlled insurer on at least a monthly basis. The due date shall be fixed so that premiums or installments collected shall be remitted no later than ninety (90) days after the effective date of any policy placed with the controlled insurer under this contract;

(d) All funds collected for the controlled insurer's account shall be held by the controlling producer in a fiduciary capacity, in one (1) or more appropriately identified bank accounts in banks that are members of the federal reserve system, in accordance with the provisions of the insurance code, as applicable. Funds of a controlling producer not required to be licensed in this state shall be maintained in compliance with the requirements of the controlling producer's domiciliary jurisdiction;

(e) The controlling producer shall maintain separately identifiable records of business written for the controlled insurer;

(f) The contract shall not be assigned in whole or in part by the controlling producer;

(g) The controlled insurer shall provide the controlling producer with its underwriting standards, rules and procedures, and with manuals stating the rates to be charged and the conditions for the acceptance or rejection of risks. The controlling producer shall adhere to the standards, rules, procedures, rates, and conditions. The standards, rules, procedures, rates, and conditions shall be the same as those applicable to comparable business placed with the controlled insurer by a producer other than the controlling producer;

(h) The rates and terms of the controlling producer's commissions, charges, or other fees and the purposes for those charges or fees. The rates of commissions, charges, and other fees shall be no greater than those applicable to comparable business placed with the controlled insurer by producers other than the controlling producers. For purposes of this paragraph and paragraph (g) of this subsection, examples of "comparable business" include the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business. This paragraph does not authorize controlling producers to charge fees which the controlling producer is not otherwise permitted to charge under the provisions of the insurance code;

(i) If the contract provides that the controlling producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then such compensation shall not be determined and paid until at least five (5) years after the premiums on liability insurance are earned and at least one (1) year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the controlled insurer's reserves on remaining claims has been independently verified pursuant to subsection (3) of this section;

(j) A limit on the controlling producer's writings in relation to the controlled insurer's surplus and total writings. The insurer may establish a different limit for each line or subline of business. The controlled insurer shall notify the controlling producer when the applicable limit is approached and shall not accept business from the controlling producer if the limit is reached. The controlling producer shall not place business with the controlled insurer if it has been notified by the controlled insurer that the limit has been reached; and

(k) The controlling producer may negotiate, but shall not bind, reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements, if the contract with the controlled insurer contains underwriting guidelines, for both reinsurance assumed and ceded, which include a list of reinsurers with automatic agreements that are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules.

(3) Every controlled insurer shall have an audit committee of the board of directors composed of independent directors. The audit committee shall annually meet with the management, the insurer's independent certified public accountants, and an independent casualty actuary or other independent loss reserve specialist acceptable to the commissioner to review the adequacy of the insurer's loss reserves.

(4) Reporting requirements are as follows:

(a) In addition to any other required loss reserve certification, the controlled insurer shall annually, on April 1 of each year, file with the commissioner an opinion of an independent casualty actuary, or other independent loss reserve specialist acceptable to the commissioner, reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding as of the end of the year, including incurred but not reported losses, on business placed by the producer; and

(b) The controlled insurer shall annually report to the commissioner the amount of commissions paid to the producer, the percentage that amount represents of the net premiums written, and comparable amounts and percentage paid to noncontrolling producers for placements of the same kinds of insurance.

SECTION 4. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

The producer, prior to the effective date of the policy, shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer, except that, if the business is placed through a subproducer who is not a controlling producer, the controlling producer shall retain in his records a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the producer and that the subproducer has or will notify the insured.

SECTION 5. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) If the commissioner believes that the controlling producer or any other person has not materially complied with Sections 1 to 7 in this Act, or any administrative regulation or order promulgated under Sections 1 to 7 in this Act, the commissioner may;

(a) Order the controlling producer to cease placing business with the controlled insurer; or

(b) If it was found that because of the material noncompliance that the controlled insurer or any policyholder has suffered any loss or damage, the commissioner may maintain a civil action, intervene in an action brought by or on behalf of the insurer or a policyholder for recovery of compensatory damages for the benefit of the insurer or policyholder, or seek other appropriate relief.

(2) Appeals from orders issued under subsection (1) of this section shall be taken as provided in Subtitle 2 of this chapter.

(3) If an order for liquidation or rehabilitation of the controlled insurer has been entered pursuant to Subtitle 33 of this chapter, and the receiver appointed under that order believes that the controlling producer or any other person has not materially complied with Sections 1 to 7 in this Act, or any administrative regulation or order promulgated under Sections 1 to 7 in this Act, and the insurer suffered any loss or damage, the receiver may maintain a civil action for recovery of the damages or seek other appropriate sanctions for the benefit of the insurer.

(4) Nothing contained in this section shall affect the right of the commissioner to exercise any other authority granted to him by law.

(5) Nothing contained in this section is intended to or shall in any manner alter or affect the rights of policyholders, claimants, creditors, or other third parties.

SECTION 6. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Controlled insurers and controlling producers which are not in compliance with Section 3 of this Act on its effective date shall have sixty (60) days after the effective date of this Act to comply, and shall comply with Section 4 of this Act beginning with all policies written or renewed on or after sixty (60) days after the effective date of this Act.

SECTION 7. A NEW SECTION OF SUBTITLE 3 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 7 of this Act may be cited as the Business Transacted with a Producer-Controlled Property or Casualty Insurer Act.

The Committee on Cities reported **HB 852**, **SB 3**, **SB 145**, **SB 206** and **SB 269** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

The amount of the increase shall be based on the Kentucky sales and use tax applicable to such aircraft fuel purchased during the twelve (12) month period immediately preceding the purchase, merger, or other acquisition by or combination with the certificated air carrier.

(4) To facilitate administration of the tax credit provided pursuant to this section, each qualifying certificated air carrier purchasing aircraft fuel, including jet fuel, on which the Kentucky sales and use tax for the annual period is reasonably expected to exceed the amount provided in subsection (3) of this section

Amend printed copy of **SB 190/GA** on page 12, before line 1, insert the following:

"SECTION 3. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

(1) Each application for a permit shall include baseline ground water supply information for the permit area which shall be collected and submitted in a manner acceptable to the cabinet, and which shall include an inventory of wells, springs, underground mines; or other similar ground water supply facilities which are currently being used, have been used in the past, or have a potential to be used for domestic, agricultural, industrial, or other beneficial purpose. The inventory shall include the location, ownership, type of usage, and, where possible, the depth and diameter of wells, and approximate rate of usage, pumpage, or discharge from wells, springs, underground mines, and other ground water supply facilities, and seasonal ground water quantity and quality data collected over a six (6) month period from each well, spring, underground mine, or other similar ground water supply facility. The seasonal ground water quality data shall include test results for total dissolved solids or specific conductance, manganese, sulphates, pH, iron, sodium content, and other parameters as required by the cabinet.

(2) For areas outside the proposed permit area, the permit applicant may collect the same ground water supply information required in subsection (1) of this section.

(3) The results of the test of each water supply shall be provided by the applicant to the owner and user of the water supply, within thirty (30) days of taking the sample. A copy of the test results for all samples taken pursuant to subsections (1) and (2) of this section shall be made part of the permit application.

(4) The owner or user of a ground water supply may have his own independent tests conducted and may submit the results of the test to the cabinet and the cabinet shall consider the test results to be part of the permit application. If the water supply owner or user submits test results to the cabinet, the cabinet shall mail a copy of the test results to the applicant within ten (10) working days of receipt by the cabinet.

(5) Upon review of the permit application, the cabinet shall consider those test results submitted by both the applicant and the water supply owner or user, and if there is a discrepancy in the results, the cabinet may require the submission of additional information by the applicant or may conduct its own tests.

Section 4. KRS 350.085 is amended to read as follows:

(1) No application for a permit and no operation shall be approved or allowed by the cabinet if there is found on the basis of the information set forth in the application that the requirements of this chapter or regulations will not be observed or that there is not probable cause to believe that the proposed method of operation, backfilling, grading, or reclamation of the affected area can be carried out consistent with the purpose of this chapter.

(2) ***No permit application shall be approved unless the applicant affirmatively demonstrates, and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available which is documented in the approval and made available to the applicant and the public, that the assessment of the probable cumulative impact of all anticipated mining in the area on the hydrologic balance specified in KRS 350.060(7) has been made by the cabinet and that the proposed operation has been designed to protect water supplies and prevent material damage to the hydrologic balance outside the permit area.***

(3) If the cabinet finds that the overburden on any part of the area of land described in the application for a permit is such that experience in the Commonwealth with a similar type of operation upon land with similar overburden shows that substantial deposition of sediment in stream beds, landslides, or acid water pollution cannot feasibly be prevented, the cabinet may delete the part of the land described in the application upon which that overburden exists.

(4)[~~(3)~~] Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977, shall be permitted within three hundred (300) feet from any occupied dwelling unless waived by the owner, nor within three hundred (300) feet of any public building, school, church, community, or institutional building, public park, or within one hundred (100) feet of a cemetery. The cabinet shall not issue a permit if it finds that the operation will constitute a hazard to or do physical damage to a dwelling house, public building, school, church, cemetery, commercial or institutional building, public road, stream, lake, or other public property. The cabinet shall delete the areas from the permit application or operation.

(5)[~~(4)~~] Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977, shall be permitted within one hundred (100) feet of the outside right-of-way line of any public road, except where mine access roads or haulage roads join the right-of-way line. The cabinet shall permit the roads to be relocated or the area affected to lie within one hundred (100) feet of the road if, after public notice and opportunity for public hearing in the locality, a written finding is made that the interest of the public and the affected land owner will be protected, and shall not approve the application for a permit where the surface coal mining operation will adversely affect a wild river established pursuant to KRS Chapter 146, a state park, or place listed on the national register of historic places unless adequate screening and other measures as approved by the cabinet are incorporated into the permit application.

(6)[~~(5)~~] Subject to valid existing rights, no surface coal mining operations except those which existed on August 4, 1977, shall be permitted on any privately owned lands within the boundaries of units of the national park system, the national wildlife refuge systems, the national system of trails, the national wilderness preservation system, the wild and scenic rivers system, including study rivers designated under Section 5(a) of the Wild and Scenic Rivers Act, and national recreation areas designated by act of Congress.

(7)[~~(6)~~] If based on the information provided pursuant to KRS 350.060(3)(h) and other relevant information, the cabinet finds that any surface coal mining and reclamation operation owned or controlled by the applicant is currently in violation of this chapter or other requirements listed pursuant to KRS 350.060(3)(h), the cabinet shall not issue the permit or permit renewal until the applicant submits proof satisfactory to the cabinet that the violation has been corrected or is in the process of being corrected. It shall be grounds to deny a permit or permit renewal if the cabinet, based on any information available to it and after a hearing, makes a finding that the applicant, or the operator specified in the application has demonstrated a pattern of willful violations pursuant to KRS 350.130(3).

Section 5. KRS 350.151 is amended to read as follows:

(1) The Natural Resources and Environmental Protection Cabinet shall promulgate permanent program administrative regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to underground coal mining. The regulations shall recognize the distinct differences between underground mining and strip mining of coal, shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of the activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas, and other areas upon which are sited structures, facilities, or other property or materials on the surface, but the regulations shall not be more stringent than those applied to strip mining of coal.

(2) ***Any permit issued by the cabinet pursuant to this chapter and relating to underground coal mining, or the surface effects of underground mining, shall require the permit applicant to minimize disturbances of the prevailing hydrologic balance at the mine site and in associated off-site areas and to minimize disturbances to the quality and quantity of water in surface and ground water systems both during and after coal mining operations and during reclamation.***

(3) The operator shall file with the cabinet a reclamation bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. The cabinet shall accept, in lieu of the surety provided herein, the deposit by the operator of United States government securities, cash, or its equivalent in a sum equal to the principal amount of the required bond, or a self-bond pursuant to administrative regulations promulgated by the cabinet.

(4)[~~(3)~~] In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of the urbanized areas.

SECTION 6. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

The cabinet shall periodically include in a complete inspection of a mining operation sample collection of surface water from one (1) or more discharge points and sample collection of ground water from one (1) or more monitoring wells. The results of a laboratory analysis, if conducted, shall be included as part of the inspection report.

Section 7. KRS 350.093 is amended to read as follows:

(1) As determined by administrative regulations of the cabinet, time and distance limits shall be established requiring backfilling, grading and planting to be kept current, so that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable under regulations promulgated by the cabinet. All backfilling and grading shall be completed before necessary equipment is moved from the operation; except that the cabinet may for good cause approve the moving of equipment before all backfilling and grading is completed.

(2) (a) The cabinet may allow an operator to defer the time criteria of contemporaneous reclamation requirements on specified areas if the operator can demonstrate that the deferment is necessary to address at least one (1) of the following:

1. Adverse condition including weather, labor and other conditions clearly beyond the operator's control;

2. Other bona fide mining operations carried out on a strip mined area, pursuant to KRS 350.080; or

3. Coal marketing problems.

(b) Application for a deferment pursuant to this section shall be in the form prescribed by the cabinet. The applicant has the burden of establishing the need for the deferment. The applicant shall demonstrate that reclamation on the site is contemporaneous as of the date of the request for deferment and that distance requirements for contemporaneous reclamation will be met during the period of the deferment. Approval of the deferment request shall be made in writing. The approval shall state that the deferment is justified and that no environmental damage will occur during the period of deferment. Reclamation deferments may be approved for a period reasonably related to the specified conditions justifying the deferment, but the aggregate deferral period shall not exceed thirty (30) months. The deferral shall not extend beyond the expiration date of the permit. The cabinet shall periodically reexamine and update the amount of the bond on the permit area so that the amount of the bond is sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture.

(3) If the operator or other person desires to conduct drift mining or other underground mining upon the premises or use the openings for haulageways or other lawful purposes, the operator may designate locations to be used for purposes at which places it will not be necessary to backfill until the drift or other underground mining or other use is completed, during which time the bond on file for that portion of the operation shall not be released. That portion of the locations shall be described and designated on the map attached thereto. If the operator or other person wishes to combine surface operations with underground mining operations to assure maximum practical recovery of coal resources, the cabinet may grant a variance, pursuant to regulations promulgated by the cabinet, for specific areas within the reclamation plan from the requirement that reclamation efforts proceed pursuant to subsection (1) of this section so as to permit underground mining operations prior to reclamation.

(4) The cabinet may release in whole or in part the reclamation bond or deposit for a particular operation if the cabinet is satisfied that the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this chapter. These bond releases shall be made in accordance with the following schedule:

(a) When the operator completes the backfilling, regrading, and drainage control of a bonded area in accordance with his approved reclamation plan, the release of sixty percent (60%) of the bond or collateral for the applicable permit area.

(b) After revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan, additional bond or collateral for the applicable permit shall be released. When determining the amount of bond to be released after successful revegetation has been established, the cabinet shall retain that amount of the bond for the revegetated area which would be sufficient for a third party to cover the cost of reestablishing revegetation; this amount shall be retained for the period specified for operator responsibility for reestablishing revegetation. No part of the bond or deposit shall be released under this subsection as long as the lands to which the release would be applicable are contributing suspended solids to streamflow or runoff outside the permit area in excess of requirements set by this chapter or until soil productivity for prime farm lands has returned to levels of yield equivalent to those of unmined land of the same soil type in the surrounding area under equivalent management practices as determined from soil surveys that may be required to be included in the permit application. If a sedimentation pond is to be retained as a permanent impoundment, the portion of bond may be released under this subsection so long as provisions for sound future maintenance by the operator or the landowner have been made with the cabinet.

(c) When the operator has completed successfully all surface coal mining and reclamation activities, the release of the remaining portion of the bond, or collateral, but not before the expiration of the period specified for operator responsibility. No bond shall be fully released until all reclamation requirements of this chapter are fully met.

(5) Upon satisfying the requirements of subsections (4)(a), (b), or (c) of this section the permittee may file, or the cabinet shall initiate, an application for total or partial bond release.

(a) A permittee shall have the right to begin public advertisement of its request for bond release at the time it files its request for the release. The cabinet may undertake, at permittee expense, public advertisement of any cabinet initiated bond release. If the cabinet initiates a bond release pursuant to this subsection but chooses not to advertise the release pursuant to this section, and the permittee does not advertise the request for the release within the time schedules established by this subsection, the bond release application shall be denied. All public advertisements of bond release applications, whether authorized by the permittee or the cabinet, shall begin within sixty (60) days after either the filing of a bond release request by the permittee or the initiation of a bond release by the cabinet. Public advertisement shall occur at least once a week for four (4) successive weeks in a newspaper of general circulation in the locality of the surface coal mining operation.

(b) The public advertisement required by this subsection shall include: the permit number and permit approval date, notification of the precise location of the land affected, the number of acres, the type and amount of the bond filed and the portion sought to be released, the type and appropriate dates of reclamation ***and water resource replacement*** work performed, a description of the results achieved as they relate to the operator's approved reclamation plan, and the name and address of the cabinet to which written comments, objections, or requests for public hearings and informal conferences on the specific bond release may be submitted. Proof of advertisement shall be placed with the bond release application within thirty (30) days after the advertisement.

(c) Within thirty (30) days of filing of any bond release request, the permittee shall submit copies of letters which it has sent to adjoining property owners, local governmental bodies, planning agencies, sewage and water treatment authorities, and water companies in the locality in which the surface coal mining and reclamation operation took place, notifying them of the intention to seek release from the bond. For bond releases initiated by the cabinet, the cabinet shall undertake the notification requirements set forth in this subsection.

(d) Upon the filing of an application for bond release by a permittee, or the initiation of the release by the cabinet, the cabinet shall notify, within thirty (30) days of the filing or initiation, the municipality where the surface coal mining operation is located, pursuant to regulations promulgated by the cabinet.

(6) Upon the filing of any partial or total bond release request by a permittee, the cabinet shall within thirty (30) days conduct an inspection and evaluation of the reclamation ***and water replacement*** work involved. The evaluation shall consider, among other things, the degree of difficulty to complete any remaining reclamation ***and water supply replacement work***, whether pollution of surface or subsurface water is occurring, the probability of continuance of future occurrence of the pollution, and the estimated cost of abating the pollution***, diminution, or interruption***.

(7) The cabinet shall notify the permittee in writing of its decision to release or not to release all or part of the performance bond or deposit within five (5) days following receipt of proof of public advertisement as required in subsection (5)(b), or the end of the thirty (30) day public comment period, whichever is later, if no public hearing is held pursuant to subsection (10) of this section; and if there has been a public hearing held pursuant to subsection (10) of this section, within thirty (30) days thereafter.

(8) If the cabinet disapproves the application for release of the bond or portion thereof, the cabinet shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to serve the release and allowing opportunity for a public hearing. The cabinet shall not disapprove an application for release of a surety bond or a bond secured by a letter of credit as provided for under subsection (4)(a) or (b) of this section or under the partial release provisions applicable to an interim permit, or take any action to forfeit the surety bond, or bond secured by letter of credit, solely upon the permittee's failure to pay penalties or fines, if applicable reclamation requirements for the requested release have been fully met. The cabinet shall not continue to hold under the interim or permanent program remaining surety bond proceeds or the remaining bond secured by a letter of credit where a forfeiture has occurred solely as a result of a failure to pay penalties or fines, if the reclamation requirements of this chapter have been fully met.

(9) The bond liability of the permittee shall include only those actions which the permittee is obliged

to take under the permit, including completion of the reclamation plan. Actions of third parties which are beyond the control and influence of the permittee and for which the permittee is not responsible under the permit shall not be covered by the bond.

(10) Any person having a valid legal interest which might be adversely affected by release of the bond, and the responsible officer or head of any governmental agency so designated by cabinet regulations, shall have the right to file written objections to the proposed bond release with the cabinet, and to request a hearing in accordance with procedural regulations promulgated by the cabinet.

Section 8. KRS 350.421 is amended to read as follows:

(1) Nothing in this chapter shall be construed as affecting in any way the right of any person to enforce or protect, under applicable law, his interest in water resources affected by a surface coal mining operation.

(2) Each ***permittee or*** operator of a surface ***or underground*** coal mine shall replace ***or restore*** the water supply of an owner of interest in real property who obtains all or part of his supply of water for domestic, agricultural, industrial or other legitimate use from an underground or surface source where ***the*** [~~such~~] supply has been affected by contamination, diminution, or interruption proximately resulting from ***the*** [~~such~~] surface coal mine operation. ***Replacement water shall be provided in comparable quantity and quality in a manner which provides minimal disruption of water use and at no greater expense to the person to whom the replacement water has been provided than he would pay under similar climatic and economic pre-mining conditions if his water supply had not been affected, for as long as he continues to use the replacement water.***"; and

The principal of and the interest on ***the*** [~~such~~] bonds shall in each instance be payable solely from a special fund provided for ***the*** [~~such~~] payment, with revenues derived from

fees collected from all facilities using water from the ***main stem of the*** Kentucky River [~~or its tributaries~~], except those facilities using water primarily for agricultural purposes, pledged to be set aside and deposited in ***the*** [~~such~~] special fund. The bonds of any issue may be in one (1) or more series and any one (1) or more such series may enjoy equal or subordinate status with respect to the pledge of funds from which they are payable, shall be dated, shall bear interest, shall mature at such time or times not exceeding the thirtieth (30th) anniversary of their respective dates, all as may be provided by the authority, and may be made redeemable before maturity, at the option of the authority, at such price or prices and under such terms and conditions as may be fixed by the authority prior to the issuance of the bonds. The authority shall determine the form of bonds including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places for payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth. The bonds shall be signed by the facsimile signature of the chairman of the authority, and the seal of the authority or a facsimile thereof shall be affixed thereto and attested by the manual signature of the treasurer of the authority, and any coupons attached thereto shall bear the facsimile signature of the chairman of the authority. All bonds issued under the provisions of this section shall have and are hereby declared to have all qualities and incidents of negotiable instruments under the uniform commercial code of the Commonwealth. The bonds may be issued in coupon or in registered form, or both, as the authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. (2) The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project or projects for which such bonds shall have been issued, and shall be disbursed in such a manner and under such restrictions, if any, as the authority may provide in the proceedings authorizing the issuance of such bonds or in the trust indenture securing the same. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the proceedings authorizing the issuance of such bonds or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed such cost, the surplus shall be deposited to the credit of the sinking fund or funds for such bonds or any account or accounts therein as the authority shall have provided in the proceedings or trust indenture authorizing and securing such bonds.

(3) Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost.

(4) The authority may issue revenue bond anticipation notes.

(5) Any holder of bonds issued under the provisions of this section or any of the coupons appertaining thereto, and the trustee under any trust indenture, except to the extent of the rights given in this section, may be restricted by such trust indenture or proceedings, may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce any and all rights under the laws of the Commonwealth or granted under this section or under such trust indenture or the proceedings authorizing the issuance of such bonds, and may enforce and compel the performance of all duties required by this section or by such trust indenture or proceedings to be performed by the authority or by any officer or employee thereof.

(6) Revenue bonds issued under the provisions of this section shall not be a debt, liability, or obligation of the Commonwealth or any political subdivision thereof and shall not be a pledge of the faith and credit of the Commonwealth or any political subdivision thereof.

(7) Revenue bonds issued by the authority shall not be subject to the jurisdiction or approval of the State Property and Buildings Commission or the Industrial Revenue Bond Oversight Committee but shall be subject to review by the Division of Investment and Debt Management.

(8) The authority shall not be required to pay any taxes and assessments to the Commonwealth or any county, municipality or other governmental subdivision of the Commonwealth upon any of its property or upon its obligations or other evidences of indebtedness pursuant to the provisions of this section, or upon any moneys, funds, revenues or other income held or received by the authority and the bonds or notes of the authority and the income therefrom shall at all times be exempt from taxation, except for death and gift taxes and taxes of transfers.

Section 2. KRS 199.470 is amended to read as follows:

(1) Any person who is eighteen (18) years of age and who is a resident of this state or who has resided in this state for twelve (12) months next before filing may file a petition for leave to adopt a child in the Circuit Court of the county in which the petitioner resides.

(2) If the petitioner is married, the husband or wife ***shall*** [~~must~~] join in a petition for leave to adopt a child unless the petitioner is married to a biological parent of the child to be adopted, except that if the court finds the requirement of a joint petition would serve to deny the child a suitable home, such requirement may be waived.

(3) No petition for the adoption of any child under the age of sixteen (16) shall be filed until after the child has lived continuously in the home of the petitioner for at least three (3) months immediately prior to the filing of the petition unless the child has been placed for adoption by the cabinet or an agency licensed to place children for adoption by the cabinet. In the case of a child placed for adoption by the cabinet or an agency licensed by the cabinet, the petition may be filed at the time of placement.

(4) No petition for adoption shall be filed unless prior to the filing of the petition the child sought to be adopted has been placed for adoption by a licensed child-placing institution or agency, or by the cabinet, or the child has been placed with written approval of the secretary; but no [~~such~~] approval shall be necessary in the case of:

(a) A child sought to be adopted by a stepparent, grandparent, sister, brother, aunt or uncle; or

(b) A child received by the proposed adopting parent or parents from an agency without this state with the written consent of the secretary.

(5) Subsection (4) of this section shall not apply to those children placed for adoption prior to June 14, 1962.

(6) No petition for adoption for a child who does not fall within the exception provided for in subsections (4) or (5) of this section shall be filed until after the child has lived continuously in the home of the petitioner for at least three (3) months subsequent to the written approval of the secretary for the placement of the child.

Section 3. KRS 199.473 is amended to read as follows:

(1) All persons other than a licensed child-placing agency or institution, the department, or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Upon receipt of an application to place or receive a child, together with the fee required pursuant to subsection (5) of this section, the secretary shall cause an investigation to be made of the home and the background of the person or persons wishing to receive the child. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The ***agency adoption*** [~~child welfare~~] worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case, reasons for the ***agency adoption*** [~~child welfare~~] worker's recommendation shall be given in writing. The recommendation of the ***agency adoption*** [~~child welfare~~] worker shall then be reviewed by the secretary. Based on the report and recommendation of the ***agency adoption*** [~~child welfare~~] worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching his decision, the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological, and psychiatric standpoint. If the application is refused, the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) ***Upon a finding by the Circuit Court that it is necessary that the child be placed prior to the secretary's ruling on the application, the Circuit Court may grant the applicant temporary custody of the child pending the decision of the secretary. If the application is denied, the temporary custody shall be automatically terminated and upon motion of the cabinet or of the child's parent, the Circuit Court may order the child be returned to the biological parent or the child's custody awarded to the cabinet or other licensed child-placing agency.***

(3) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with him or them for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the Circuit Court of the county in which the adoption is proposed. No placement shall be disapproved on the basis of the religious, ethnic, racial, or inter faith background of the adoptive applicant, if the placement is made with the consent of the parent. ***The cabinet may refuse to approve the placement of a child for adoption if the child's custodial parent is unwilling for the child to be placed for adoption with the proposed adoptive family.*** The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in such a manner as to constitute an abuse of discretion.

[~~(3) No person, association, or organization, other than the cabinet or a licensed child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt, or uncle, or upon written approval of the secretary. Nothing in this subsection shall be construed to limit the Cabinet for Human Resources in carrying out its Aid to Dependent Children Program in accordance with KRS Chapter 205.~~]

(4) If a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for human resources, or if permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of District Court of the county in which the child is found setting out the facts concerning the child. When the petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected, or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants to receive him unless permission to do so is granted by the secretary or the action is ordered by a Circuit Court, the Kentucky Court of Appeals or Supreme Court of Kentucky.

(5) ***When either the parent or parents of the child to be placed or the persons wishing to receive the child reside out-of-state, the requirement of KRS 615.030, Interstate Compact on the Placement of Children, shall be met prior to the cabinet giving approval for the child's placement.***

(6) The secretary of the Cabinet for Human Resources shall be paid a nonrefundable fee of one hundred fifty dollars ($150) upon the filing of the written application for permission to place or receive a child. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special needs child as authorized in KRS 199.555.

(7)[~~(6)~~] Nothing in this statute shall be construed to limit the authority of the cabinet or a licensed child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of District Court or the Circuit Court, prior to the filing of an application to place or receive.

(c) The child's guardian, if it has one; and

(d) If the care, custody and control of the child has been transferred to the cabinet, any other individual, institution or agency, then the cabinet, ***the*** [~~such~~] other individual, institution or agency shall be named a party defendant.

(2) Each party defendant shall be brought before the court in the same manner as provided in other civil cases except that if the child to be adopted is under fourteen (14) years of age and the cabinet, individual, institution or agency has custody of ***the*** [~~such~~] child, the service of process upon ***the*** [~~such~~] child shall be had by serving a copy of the summons in ***the*** [~~such~~] action upon the cabinet, individual, institution or agency, any provision of CR 4.04(3) to the contrary notwithstanding.

(g) The name and address of the child's guardian, if any, or of the cabinet, institution or agency having legal custody of the child;

(i) If any fact herein required to be alleged is unknown to the petitioners, such lack of knowledge must be alleged.

(2) There shall be filed with the petition certified copies of any orders terminating parental rights. Any consent to adoption shall be filed prior to the entry of the adoption judgment.

(3) If the petitioner was not excepted by KRS 199.470(4) or (5), a copy of the written approval of the Secretary of the Cabinet for Human Resources or the secretary's designee shall be filed with the petition.

Nothing in this section shall prohibit a licensed child-placing agency from charging a fee for adoption services. Nothing in this section shall be construed to prohibit in vitro fertilization. For purposes of this section "in vitro fertilization" means the process whereby an egg is removed from a woman, then fertilized in a receptacle by the sperm of the husband of the woman in whose womb the fertilized egg will thereafter be implanted. ***All payments by the prospective adoptive parents of any expenses other than for ordinary legal services associated with the proposed adoption and maternity connected medical and hospital expenses of the mother preceding and during pregnancy related incapacity are prohibited. (3) No petition may be filed under this chapter prior to five (5) days after the birth of the child.

Section 10. KRS 625.042 is amended to read as follows:

(1) Within three (3) days after a petition for the voluntary termination of parental rights is filed, the circuit court shall set a date for a hearing.

(2) The circuit court shall require notice to be served upon the local representative of the cabinet in any case in which a statement from the cabinet of willingness to accept custody of the child has not been filed with the petition, or custody of the child is to be placed with an individual and not the cabinet or a licensed agency [~~unless the cabinet has approved the placement~~].

(3) Proceedings under this chapter shall be completed as soon as practicable. All hearings shall be held before the circuit court privately for the purpose of determining the facts. ***If the custody of the child is to be placed with an individual who does not fall within the exception provided for in KRS 199.470(4) or (5), the Circuit Court shall require the parent seeking termination to appear in person for the hearing and the parent may have legal representation; however, no attorney shall represent both the biological parent and the proposed custodian.***

(4) An official stenographic or mechanical record shall be made of the proceedings and retained for a period of five (5) years.

(5) The best interests of the child shall be considered paramount.

(6) At the time of the hearing, the circuit court, after full and complete inquiry, shall determine whether each petitioner is fully aware of the purpose of the proceedings and the consequences of the provisions of this chapter.

Section 11. KRS 625.043 is amended to read as follows:

(1) If the circuit court determines that parental rights are to be voluntarily terminated in accordance with the provisions of this chapter, it shall make an order terminating all parental rights and obligations of such parent and releasing the child from all legal obligations to such parent and vesting care and custody of the child in such person, agency or cabinet as the court believes is best qualified to receive custody.

(2) Upon consent by the cabinet for human resources, the child may be declared a ward of the state and custody vested in the cabinet or in any child-placing agency, or child-caring facility licensed by the cabinet or in another person provided all persons with parental rights to the child under the law have had their rights terminated voluntarily or involuntarily. ***If the other person is not excepted by KRS 199.470 (4) or (5), a grant of custody shall be made only if the proposed custodian has received the written approval of the secretary or the secretary's designee for the child's placement.***

Section 12. KRS 199.555 is amended to read as follows:

(1) A "special needs child" means:

(a) A child which the state has determined cannot or should not be returned to the home of his parents; and

(b) A child which the state has first determined:

1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and

2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX.

(2) "State-funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for Human Resources. The state funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.

(3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to the special needs adoption and which are not incurred in violation of state or federal law.

(4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, medicaid, or other third-party payors or government programs.

(5) If the secretary of the Cabinet for Human Resources or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of adoption, funds may be paid to the adoptive parents after completion of the adoption of the child if the following conditions exist:

(a) The child was considered a special needs child prior to the adoption;

(b) The child is committed to the Cabinet for Human Resources and the cabinet has authority to consent to the child's adoption; and

(c) The adoptive parents can give suitable care to the child if a subsidy is paid.

(6) Agreements for the payments of funds under this section shall be made prior to the adoption of the child. However, if the secretary for human resources or his designated representative finds that the adoption is likely to disrupt, extraordinary medical expenses may be reimbursed contingent upon availability of resources, if the following conditions exist:

(a) The child was placed for adoption by the Cabinet for Human Resources;

(b) The child was considered a special needs child prior to the adoption;

(c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without reimbursement for extraordinary medical expenses.

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption extraordinary medical expenses is under the age of eighteen (18). This subsection shall have retroactive as well as prospective effect.

(7) The payments shall be out of funds appropriated to the cabinet and those funds collected pursuant to KRS 199.473***(6)***[~~(5)~~] which shall be deposited in a restricted account for the purpose of subsidizing special needs adoptions, and shall be in accordance with regulations promulgated by the secretary. The payments shall not exceed the amount which would be paid for foster care for the child. Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child and may include reimbursement for extraordinary medical expenses. Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for human resources in accord with 42 U.S.C. 673. However, payments under agreements entered into under subsection (6) of this section shall be limited to reimbursement of authorized extraordinary medical expenses related to problems or conditions that existed prior to the adoption.

(8) State-funded adoption assistance payments shall not be made to parents if:

(a) The child has attained the age of eighteen (18), except that if the child is enrolled in a state or federal educational program, the payments may continue through age twenty-one (21);

(b) The cabinet determines the parents are no longer legally responsible for the support of the child; or

(c) The cabinet determines that the child is no longer receiving any support from the parents.

(9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.

(10) The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 13. KRS 199.990 is amended to read as follows:

(1) Any person violating any of the provisions of KRS 199.380 to 199.400 shall be guilty of an offense, and upon conviction thereof, shall be fined not more than five hundred dollars ($500) or imprisoned for not more than twelve (12) months, or be both fined and imprisoned, in the discretion of the court.

(2) Any person who violates any of the provisions of KRS 199.430, 199.470, 199.473, 199.570 and 199.590, or 199.640 to 199.670, or any rule or regulation under such sections the violation of which is made unlawful shall be fined not less than five hundred dollars ($500) nor more than two thousand dollars ($2,000) or imprisoned for not more than six (6) months, or both. Each day such violation continues shall constitute a separate offense.

(3) Any person who willfully violates any other of the provisions of KRS 199.420 to 199.670 or any rule or regulation thereunder, the violation of which is made unlawful under the terms of those sections, and for which no other penalty is prescribed in those sections or in subsection (1) of this section, or in any other applicable statute, shall be fined not less than ***one hundred dollars ($100)*** [~~twenty dollars ($20)~~] nor more than two hundred dollars ($200) or imprisoned for not more than thirty (30) days, or both.

(4) Any person who violates any of the provisions of KRS 199.896 shall be fined not less than one thousand dollars ($1,000) or imprisoned for not more than twelve (12) months, or be fined and imprisoned, at the discretion of the court.

(5) Any person who violates any of the provisions of KRS 199.590 shall be guilty of a Class D felony and imprisoned for at least one (1) year but not more than five (5) years.

HB 943, AN ACT relating to limitation of actions.

WHEREAS, the recreational sport of roller skating is practiced by a large number of citizens of this Commonwealth; provides a wholesome and healthy family activity which should be encouraged; attracts to this Commonwealth a large number of nonresidents; and contributes significantly to the economy of this Commonwealth; and

WHEREAS, the allocation of the risks and costs of roller skating is an important matter of public policy; and

WHEREAS, roller skating rink owners face great difficulty in obtaining liability insurance coverage, and, when insurance coverage is available, drastic increases in the cost of the insurance have taken place and many roller skating rink owners are no longer able to afford it; and

WHEREAS, this lack of insurance coverage adversely affects not only the roller skating rink owners, but also patrons who may suffer personal injury and property damage as a result of accidents which occur on the premises of the roller skating rink; and

WHEREAS, in order to make it feasible for roller skating rinks to secure coverage, the incidence of liability should be more predictable. That predictability may be achieved by defining the limits of the liabilities of roller skating rink operators in order to encourage the development and implementation of risk reduction techniques;

The complaint must be filed within one hundred eighty (180) days after the alleged unlawful practice occurs.
